Kingdom of Magicians (free epic fantasy/sword and sorcery) Timothy L. Cerepaka,2016-10-30 A thousand years ago the Good King rose and defeated the demons that had oppressed his people for centuries After his final victory he imprisoned the demons deep beneath the earth with a seal that will hold so long as his descendants hold the throne Unfortunately every dynasty comes to an end And as time went on people forgot about the demons treating them as nothing more than scary tales meant to frighten disobedient children And when the last king was killed and left no heir to succeed him the once proud Kingdom of Lamaira splintered into three factions that have fought for decades in their attempt to conquer what is left of the kingdom Without a king on the throne the demons will rise again and destroy the people of Lamaira And when twenty three year old swordsman Keo kills a demon in the woods he realizes that the demons are returning To prevent the demons return Keo must travel to the capital of his country to show the country s rulers the proof of the demons return so they can prepare for the ancient threat Keo must fight robbers demons and other threats on his way to the capital but little does he know that there exists a traitor among the leaders who threatens to destroy the country from the inside KEYWORDS epic fantasy adventure series epic fantasy dragons epic fantasy magic epic fantasy sword and sorcery sword and sorcery adult fantasy sword and sorcery series sword and sorcery series magic

The Chronicles of Arax Benjamin Sanford,2022-06-28 Our actions define us as heroes or cowards not our intentions Such is the nature of war Arsenc Men march beside their comrades into walls of spears and under rains of arrows refusing to relent so as not to shame themselves before their brothers For every man who shirks his duty and abandons his post a hundred stand

their ground What more can a hero be than a man who risks his life for country and friend in spite of the obvious fear that strikes at us all The paths of war and heroes are forever intertwined War does not create heroes It merely reveals them They are not measured by the greatest of deeds but by the simple willingness to do their part I am marching north in their company King Lore before the battle of Kregmarin Having freed Cronus from the dungeons of Fera his friends must navigate the treacherous lands of the Benotrist realm to escape Tyro s wrath Tosha hunts Raven desperate to bring him to her mother s realm or suffer the shame of failure before her vassals Leanna eagerly awaits the return of her lost love while Terin must return to his native realm after becoming separated from the others Journeying first to the Yatin Empire and then Corell Terin continues to unlock the full power of his father s sword embracing the mysterious destiny guiding his path Tyro obsesses over the images carved on Terin s lost necklace haunted by the ghosts of his past while unleashing Morac to wage war on the Torry realm With the fortunes of his kingdom at stake King Lore makes a bold decision With the conflagration spreading across Arax will the fate of the kingdoms rise and fall by the fickle winds of chance or the guiding hand of destiny

Mandarin, 2011-09-13 The renowned philosopher expounds on the ideas he introduced in Homo Sacer with this analysis of the theological foundations of political power In the early centuries of the Church in order to reconcile monotheism with God s threefold nature the doctrine of Trinity was introduced in the guise of an economy of divine life It was as if the Trinity amounted to nothing more than a problem of managing and governing the heavenly house and the world In The Kingdom and the Glory Agamben shows that this theological economic paradigm unexpectedly lies at the origin of many of the most important categories of modern politics Its influence ranges from the democratic theory of the division of powers to the strategic doctrine of collateral damage and from the invisible hand of Smith s liberalism to ideas of order and security Agamben also demonstrates that modern power is not only government but also glory and that the ceremonial liturgical and

acclamatory aspects that we have regarded as vestiges of the past actually constitute the basis of Western power Through a fascinating analysis of liturgical acclamations and ceremonial symbols of power the throne the crown purple cloth the Fasces and more Agamben develops an original genealogy that illuminates the startling function of consent and of the media in modern democracies The Publishers' Circular and Booksellers' Record ,1912 **The Chronicles of Arax Book Three** Ben Sanford,2023-02-16 You are not alone son of Lore Yah reassured me lifting my spirit Twas then he revealed my brothers brothers not of blood but of spirit who would stand by my side to contest Tyro s dominion You Terin are one of my true brothers sent by Yah in our time of greatest need Your birth was foretold long ago long before King Vantor II of the Middle Kingdom revealed the prophecy of the one to find the lost Sword of the Moon Your birth was foretold long before the rise and fall of ancient Tarelia Your birth was revealed to Kal himself before he fell in battle a divine vision from Yah to his most faithful servant You are his only descendent his line dying or living through you and you alone It is through you that his divine gift endures the power to strip gargoyles of their courage and sense Against you they cannot stand It is Kal s blood that enables you to call upon such power Kal s blood that ordains you a child of prophecy It is Kal s blood that calls out to the Swords of Light drawing you to them their own power symbiotic to your own In my hand your sword can cut through any object and would guide my hand to preserve my life In your hand it is so much more enhancing your power to drive off gargoyles tenfold The swords were forged for the descendants of Kal They were forged for you Prince Lorn at the siege of Mosar While the Torries and Jenaii celebrate their victory at Corell the battle in Yatin grows dire forcing difficult choices on Princess Corry As acting regent of the northern realm she is faced with a war torn land bracing for winter while her brother fights a desperate battle far away Heeding her council she lends him the only aid she can much to her misgivings At Corell Cronus must again bid his beloved Leanna farewell undertaking a delicate mission on behalf the realm while Elos helps Alen set his own course in the fight against his former masters To the east Morac s legions limp into winter quarters at Notsu licking their wounds while their lord plots his revenge In the Ape Empire General Matuzak hosts the Earthers inviting them to aid him in establishing a republic At Fera Tyro obsesses over the carvings in Terin s charm consumed with the possibilities it portends while Tosha prepares her return to her mother s isle with child and without her consort preparing for an uncertain reception Before journeying to Yatin Terin s father confides in him the great and terrible truth that plagues his past and threatens their future a truth that shakes Terin to his very core casting doubt over everything he knows He must carry this terrible burden into battle helping his future king in saving an age old enemy of their people against the greater threat threatening to consume them all As the war expands throughout Arax the fate of the Torry Realms hangs in the balance their only hope for survival dependent on the battle of Yatin *WE ARE THE SERVANTS WHO BELIEVE IN THE GOSPEL OF THE WATER AND THE SPIRIT* Rev.
