Kings Spies:

The King's Spies Simon Beaufort, 2017-02-15 A Sir Geoffrey Mappestone mystery March 1102 March 1102 and Robert de Belleme the Black Earl of Shrewsbury is summoned to appear before King Henry's Easter Court to answer for siding with the King's older brother the Duke of Normandy in an attempt to steal the King's throne Meanwhile in the crowded and dangerous streets of Southwark south of the river Thames Crusader Knights Sir Geoffrey Mappestone and the hearty Sir Roger of Durham witness a man murdered by hanging from the window of the Crusader's Arms Inn But this is not just any man he is the illegitimate nephew of Robert de Belleme and had apparently been holding a meeting with two mysterious men In fact it turns out the inn has been used for many meetings of the earl s spies and there are plans afoot to obtain a terrible weapon to use against the King one that the Crusader Knights remember with a terrible fear from the Siege of Jerusalem Greek Fire Solving the murder is only the first step in uncovering the plot against the King **The Evil King** Pasquale De Marco, 2025-05-15 The Evil King is the definitive biography of one of the most evil kings in history From his humble beginnings to his rise to power we witness the transformation of a man into a monster The Evil King's reign was a time of terror and darkness He ruthlessly suppressed dissent exploited his people and corrupted his court His dark deeds included the assassination of rivals the torture of prisoners and the destruction of ancient artifacts But even the most powerful of kings cannot escape the consequences of their actions The Evil King's reign ended in a bloody rebellion and he was eventually killed by his own people The Evil King is more than just a biography of an evil king It is a cautionary tale about the dangers of tyranny It is a reminder that even the most powerful of rulers can be overthrown by the people they oppress In this book Pasquale De Marco explores the Evil King s life and reign in detail He examines the king s motivations his methods and his impact on the world He also learns from the mistakes of the past so that we can prevent future tyrants from rising to power The Evil King is a complex and fascinating portrait of a man who was both brilliant and evil It is a book that will stay with you long after you finish reading it If you like this book write a review on google books **Espionage in the Ancient World** R.M.
