Daniel and Revelation Ed Pittman, 2020-07-07 In 1987 when Ed joined a new church the pastor was teaching on the book of Revelation Ed so enjoyed the teaching that he decided to read what others had to say about Revelation He quickly learned that there were many different interpretations of Revelation and other books of the Bible that contained prophecy about the end times or latter days He decided that he needed to do more reading and study of scripture as well as books written by others so he could come to his own understanding of what God was telling us about how He would bring things to an end After much reading and prayer his focus narrowed primarily to the books of Daniel and Revelation The book of Daniel is about Israel in the time before Christ The prophecy in Daniel begins with the Babylonian kingdom and continues through the Roman kingdom in such detail and accuracy that many believe it was written much later and is more historical than prophetic It also tells us about the later kingdoms but in a much broader sense and less detail The book of Revelation written by John on the island of Patmos tells us about the kingdoms that come after the Roman kingdom Revelation tells us in great detail about Christ s message to the seven churches and the seventieth week of Daniel s prophecy of seventy weeks of years

This includes the breaking of the seven seals the blowing of the seven trumpets and the pouring out of the seven bowl judgments Lastly it tells us the good news about the return of Christ and the establishment of His kingdom Revelation Robert Reiter,2019-05-24 Revelation Written in Layman s Terms Volume 2 covers chapters 20 to 22 along with the continuation of the Tribulation Period in detail It also contains the chronology of the Second Coming of Christ the battle of Armageddon the one thousand year millennium and finally eternity the ages to come God's Plan for the Ages, 2nd Edition David Reagan,2020-08-02 What is the destiny of planet earth What is going to be the fate of mankind We don t have to guess The Bible spells out God s plan for the ages in great detail through prophecies given thousands of years ago In this book Dr David Reagan presents a panoramic survey of the fundamentals of Bible prophecy with a focus on the prophecies that relate to the end times In the process he reveals God s plan for the redemption of mankind and the restoration of the creation The book is written in a down to earth easy to understand style Although all the chapters relate to the overall theme each chapter is designed to stand alone This makes it possible for you either to read the book straight through or to skip around reading only those chapters whose topics appeal to you
