**People Are Animals Too** Shona Kowtecky, 2024-05-14 Discover a fresh perspective by stepping into another's paws Chase what you want Advocate for your needs Set boundaries and goals Learn to let go Take care of yourself This can be good advice but what if you don't know what you want Or need What boundaries are worth setting for you Or how to decide what to let go of and what to hold on to What if focusing on yourself seems uncomfortable selfish unnecessary or a bit too

fluffy As a veterinarian Dr Shona Kowtecky has spent almost 20 years learning about paying attention to advocating for and taking care of thousands of animals while simultaneously watching thousands of people struggle to do the same for themselves Whether or not you are a pet parent or animal lover self awareness is a key starting point for optimal health and a good quality of life yet it s often overlooked oversimplified or too ambiguous to be practical People Are Animals Too provides a structured and creative approach to encourage self examination compassion and curiosity through insightful questions and humorous anecdotes centered around the question What if we cared for ourselves the way we care for the animals we love Or better yet what if we simply remembered that people are animals too      **Educational Times and Journal of the College of Preceptors** ,1909      **101 Facts about Kittens** Claire Horton-Bussey,2001 Explains the proper care and training of kittens      **Great Books for Boys** Kathleen Odean,2000 The author of Great Books for Girls again draws on her experience as a librarian Like the companion volume her new roundup includes picture books as well as books for middle graders and older readers approximately to age 14 Odean s annotations are as before a clearly written combination of content and commentary with basic imprint information though no ISBNs and suggested age level provided for each book She has retained some titles from the previous book but many are different The organization is also slightly different here and the table of contents has been expanded for easier use Booklist      Champak English Delhi Press,2018-01-15 Champak is the largest read children s magazine in India It is published in eight languages and has a total circulation of more than 300 000 copies The magazine is known for its fascinating tales on animal characters that not only leave deep imprint on the minds of its young readers but also impart them with knowledge and values they treasure for the rest of their lives
