Gethsemane The Transfiguring Love:

Gethsemane Martin Israel,1987 *Christ and Sophia* Valentin Tomberg,R H Bruce,2011-03 In these astounding meditations on the true Christian nature of the scriptures Tomberg shows how the central story of entire Bible is really a history of the Christ being He describes the cosmic and earthly preparations for the Mystery of Golgotha its significance and results for humanity and the world as a whole and the central role of the Sophia being and her relationship to the Christ the Holy Spirit the Disciples and Pentecost and all of humanity He also imagines the Grail nature of the Christ s involvement in earthly history All of Valentin Tomberg s profound studies are finally available in a single volume Drawn from four difficult to find and out of print editions this completely revised and updated text includes Tomberg s anthroposophic meditations on the Old Testament the New Testament and the Apocalypse while the appendix contains his final unfinished work The Four Sacrifices of Christ Christ and Sophia contains all of Valentin Tomberg s essential anthroposophic works on the scriptures providing an invaluable resource for anyone who wishes to gain a deeper understanding of Rudolf Steiner s spiritual scientific approach to esoteric Christianity as revealed by a close meditative reading of the Bible from Genesis to John s Revelation This volume contains English translations of these works by Valentin Tomberg Anthroposophisch Betrachtungen ber des Alte Testament Anthroposophische Betrachtungen ber das Neue Testament Geisteswissenschaftliche Betrachtungen ber die Apokalypse des Johannes Transfiguring Time Olivier Clément,2019-02-07 Clément s Transfiguring Time is an early work written when he was 37 It carries all the excitement of his fresh encounter with Orthodoxy and the Fathers of the Christian Church He draws on his deep study of Hinduism Buddhism and Indian myths to differentiate the understanding of time and eternity in archaic religions in Hinduism and in Buddhism from the Christian and specifically Orthodox understanding of time and eternity This new translation the first one in English wants to bring Clément s early work to a new generation of readers **Transfiguring Luther** Vitor Westhelle,2017-02-23 Luther s theology has inspired many since 1517 when he nailed his ninety five theses to the door of the Castle Church It was the trigger for the Reformation a change in the very fabric of Christianity that is still studied extensively to this day Much of this work however has been conducted from either a European or North American perspective With Lutheranism becoming more and more common in the southern hemisphere new interpretations of Luther s theology are needed for these emergent and different contexts In Transfiguring Luther Vitor Westhelle offers a reading of Luther and his legacy that goes beyond the traditional geopolitics of Luther research exploring realities where the Reformer s reception and the latent promise of his theology receive unsuspected appraisal Westhelle provides both a revisitation of the past and an invitation to a new orientation By establishing a texture rather than a rigid actuality Westhelle allows the reader to reach their own conclusions about these seldom examined aspects of Luther s theology *The London Quarterly Review* William Lonsdale Watkinson,William Theophilus Davison,1901

in the U.S.A. General Assembly,1901 **Transfiguration** John Dear,2007-02-20 Spiritual leader and peace activist John Dear guides readers on the path to finding peace within and bringing harmony to a world torn by hatred and violence through following in the footsteps of Jesus John Dear s efforts on behalf of social justice and world peace have won him international admiration and spurred features in the New York Times the Washington Post NPR s All Things Considered USA TODAY and the National Catholic Reporter Seen by many to be the spiritual heir to the Berrigan brothers Dear believes that the key to the spiritual life is not just finding inner peace but also bringing that peace to bear on the outside world In his latest work Dear uses the Gospel account of the Transfiguration inviting readers to shape their lives along the story of Jesus and to continue his mission of love and peace These practices have sustained him through his work with the homeless in Washington D C and New York City as a human rights advocate in Northern Ireland and Iraq and on his many missions for peace in war torn places around the world Dividing the lifelong pursuit of peace into three distinct parts an inner journey a public journey and the journey of all humanity he delves into the challenges of learning to love ourselves as we are diffusing the hatred we feel toward others and embracing the choice to live in peace **Toward an Ecology of Transfiguration** John Chryssavgis,Bruce V. Foltz,2013-06-03 Can Orthodox Christianity offer spiritual resources uniquely suited to the environmental concerns of today This book makes the case emphatically that it can indeed In addition to being the first substantial and comprehensive collection of essays in any language to address environmental issues from the Orthodox point of view this volume with contributions from many of the most influential theologians and philosophers in contemporary world Orthodoxy will engage a wide audience in academic as well as popular circles resonating not only with Orthodox audiences but with all those in search of a fresh approach to environmental theory and ethics that can bring to bear the resources of ancient spirituality often virtually unknown in the West on modern challenges and dilemmas Paperbound Books in Print,1992 **Transfiguration** Dorothy Lee,2004-11-18 Dorothy Lee argues passionately for restoring the study of The Transfiguration to the centre of the theological stage and she succeeds triumphantly Whereas a theology of transfiguration has long been an essential part of the Eastern theological tradition it has often seemed strange to our Western rational minds The book argues that the transfiguration functions as an epiphany revealing Jesus true identity and also an apocalyptic vision depicting God s transforming future A chapter is devoted to each of the four New Testament narratives of the transfiguration setting the story within the wider literary and theological framework of the text Traces of the transfiguration are examined in other parts of the New Testament particularly in The Gospel of John where the symbolism is close to that of the transfiguration Finally the author draws out the symbolism and theological implications of the transfiguration for an understanding of Christ God s radical future and the transformation of all creation drawing on the icons of Eastern Christianity and Western theologies of beauty This book is a small masterpiece and a model of clarity and lucid exposition

Transfiguration Stephen Cheeke,2016 Transfiguration explores the work of John Ruskin Robert Browning Dante Gabriel

Rossetti and Walter Pater treating in particular the ways in which they engaged with the Christian content of their subject and in Pater's case how the art of Christianity was contrasted with classical sculpture. Stephen Cheeke examines two related phenomena: idolatry, a false substitution, a sexual betrayal, and the poetics of transfiguration to elevate or glorify subject matter not thought of as conventionally poetic to praise. Central to the book is the question of the translation of religion into art and aesthetics, a process which supposedly undergirds the advent of the museum age and makes possible the idea of a religion of art as a phenomenon of late century Aestheticism. Such a phenomenon is prepared for, however, through the engagement with Christian painting and classical sculpture in the work of these four writers. All four thought carefully about the ways in which a particular mimetic impulse of making live in artworks could be connected to religious experience. This meant exploring the nature of the link between seeing and believing, visualising in order to conceive, to verify, but also in the sense of being acted upon by the visible. All four wrote about the great power of artworks to transfigure the objects of their attention. In each case, there emerges the possibility of a secret sexual knowledge hiding within or lying on the other side of the sensuous knowledge of aesthesis. All four wondered whether this was inherently hostile to Christianity or whether it may finally be an accommodation within it.

Transfiguring America Jeffrey Steele, 2001. *Transfiguring America* is the product of more than ten years of research and numerous published articles on Margaret Fuller, arguably America's first feminist theorist and one of the most important woman writers in the nineteenth century. Focusing on Fuller's development of a powerful language that paired cultural critique with mythmaking, Steele shows why her writing had such a vital impact on the woman's rights movement and modern conceptions of gender. This groundbreaking study pays special attention to the ways in which Fuller's feminist consciousness and social theory emerged out of her mourning for herself and others, her dialogue with Emersonian Transcendentalism, and her eclectic reading in occult and mythical sources. *Transfiguring America* is the first book to provide detailed analyses of all of Fuller's major texts, including her mystical Dial essays, correspondence with Emerson, *Summer on the Lakes, 1844*, poetry, *Woman in the Nineteenth Century*, and New York Tribune essays written both in New York and Europe. Starting from her own profound sense of loss as a marginalized woman, Fuller eventually recognized the ways in which the foundational myths of American society, buttressed by conservative religious ideologies, replicated dysfunctional images of manhood and womanhood. With *Woman in the Nineteenth Century*, after exploring the roots of oppression in her essays and poetry, Fuller advanced the cause of woman's rights by conceptualizing a more fluid and equitable model of gender founded upon the mythical reconfiguration of human potential. But as her horizons expanded, Fuller demanded not only political equality for women but also emotional, intellectual, and spiritual freedom for all victims of social oppression. By the end of her career, Steele shows, Fuller had blended personal experience and cultural critique into the imaginative reconstruction of American society. Beginning with a fervent belief in personal reform, she ended her career with the apocalyptic conviction that the dominant myths, both of selfhood and national identity, must be transfigured. Out of the

ashes of personal turmoil and political revolution she looked for the phoenix of a revitalized society founded upon the ideal of political justice

The Transfiguration of Christ in Greek Patristic Literature Christopher Veniamin, 2023-07-30 This study is based on a rigorous theological analysis of primary sources and aims to present the significance of the event of the Lord's Transfiguration on Mount Tabor by means of a diachronic investigation of some of the greatest masters of the spiritual life. Based on the three Synoptic Gospel narratives it examines the Taborian theophany from the early Apocryphal Writings of the New Testament to the time of the Hesychast Controversy of the fourteenth century and looks at this great revelation in writers who have been influential in our appreciation of the subject taking each of them in turn analytically and within the context of their own theology and period and focusing on important points of similarity and contrast in the themes they develop. In so doing the investigation touches on many fundamental questions pertaining to the inner life of the Christian including such themes as the divine status of Jesus Christ the Trinitarian character of revelation the role of the Holy Spirit the importance of the ecclesial context the vision of God the transformation of the human person known as theosis the non dialectical character of our encounter with God and our capacity to share in His life.

Transfiguration of Christ in the Spiritual Homilies of Macarius of Egypt is published as an addendum to *The Transfiguration in Greek Patristic Literature* From Irenaeus of Lyons to Gregory Palamas. Dr Christopher Veniamin is a spiritual child of St Sophrony the Athonite 1896-1993 a graduate of the Universities of Thessalonica and Oxford has served as Professor of Patristics at St Tikhon's Seminary 1994-2023 and as Dean and COO of The Antiochian House of Studies 2015-2020. He is also the author of *The Orthodox Understanding of Salvation* *Theosis in Scripture and Tradition* and *The Transfiguration of Christ in Greek Patristic Literature* From Irenaeus of Lyons to Gregory Palamas With Addendum *The Transfiguration of Christ in the Spiritual Homilies of Macarius the Egyptian*. His translation *Saint Gregory Palamas The Homilies* for which he wrote a prodigious number of scholia is arguably the greatest single volume commentary on the Bible in Patristic literature.

Transfiguration Rob Marshall, 2023-11-30 In fifty pithy and engaging daily reflections from Ash Wednesday to Easter and beyond Rob Marshall leads us on a pilgrim journey to the Mountain of the Transfiguration. The story of Jesus displaying the overwhelming glory of God to three chosen disciples is one of the most potent yet mysterious stories in the gospels and a prelude to all that will occur in Jerusalem. Popular broadcaster Rob Marshall explores the many layers of the Transfiguration and relates them to ordinary human experiences: journeying, prayer, revelation, tiredness, sleep, fear, doubt, waiting, questioning, listening, suffering, vision and much more. Mountaintop encounters with the divine are transformative but like the disciples we are not meant to stay there. Instead we return to the realities of daily life changed forever by glimpsing the glory of the God. Transfiguration will help you take the power of divine revelation into your ordinary daily Christian life.
