

GETTING EVEN

FORGIVENESS AND ITS LIMITS

JEFFRIE G. MURPHY

Getting Even Forgiveness And Its Limits

Juan Espíndola Mata

Getting Even Forgiveness And Its Limits:

Getting Even Jeffrie G. Murphy, 2003 In this short book the author proposes that vindictive emotions anger resentment and the desire for revenge actually deserve a more legitimate place in our emotional social and legal lives than we currently recognize while forgiveness deserves to be more selectively granted

Getting Even Jeffrie G. Murphy, 2003-03-27 We have all been victims of wrongdoing Forgiving that wrongdoing is one of the staples of current pop psychology dogma it is seen as a universal prescription for moral and mental health in the self help and recovery section of bookstores At the same time personal vindictiveness as a rule is seen as irrational and immoral In many ways our thinking on these issues is deeply inconsistent we value forgiveness yet at the same time now use victim impact statements to argue for harsher penalties for criminals Do we have a right to hate others for what they have done to us The distinguished philosopher and law professor Jeffrie Murphy is a skeptic when it comes to our views on both emotions In this short and accessible book he proposes that vindictive emotions anger resentment and the desire for revenge actually deserve a more legitimate place in our emotional social and legal lives than we currently recognize while forgiveness deserves to be more selectively granted Murphy grounds his views on careful analysis of the nature of forgiveness a subtle understanding of the psychology of anger and resentment and a fine appreciation of the ethical issues of self respect and self defense He also uses accessible examples from law literature and religion to make his points Providing a nuanced approach to a proper understanding of the place of our strongest emotions in moral political and personal life and using lucid easily understood prose this volume is a classic example of philosophical thinking applied to a thorny everyday problem

On Patience Matthew Pianalto, 2016-05-31 Many of us are so busy that we might be tempted to think we don't have time to be patient However that idea involves a serious underestimation of what patience is and why it matters In *On Patience* Matthew Pianalto revives a richer understanding of what patience is and why it is centrally important in both virtue theory and everyday life Drawing from a wide range of philosophical and religious sources Pianalto shows that our contemporary tendency to equate patience with waiting fails to do justice to other aspects of patience such as tolerance perseverance and the opposition of patience to anger With this broader understanding of patience Pianalto further shows how patience supports the development of other moral strengths such as courage justice love and hope In these ways *On Patience* sheds light on Franz Kafka's remark that Patience is the master key to every situation and Gregory the Great's perhaps surprising claim that Patience is the root and guardian of all the virtues This first book length contemporary philosophical examination of patience will be of interest to students and scholars not just of virtue ethics but also of moral philosophy more broadly

Forgiveness and Retribution Margaret R. Holmgren, 2012-03-12 Many philosophers have recently claimed that unless certain conditions are met criminal offenders deserve to be punished and we should resent those who have wronged us personally Conversely Margaret Holmgren posits that we should forgive those who have ill treated us but only after working through a process of addressing the wrong

Holmgren then reflects on the kinds of laws and social practices a properly forgiving society would adopt *Punishment and the Moral Emotions* Jeffrie G. Murphy, 2014-03 The essays in this collection explore from philosophical and religious perspectives a variety of moral emotions and their relationship to punishment and condemnation or to decisions to lessen punishment or condemnation

Meeting the Ethical Challenges of Leadership Craig E. Johnson, 2017-01-10 Ethics is at the heart of leadership All leaders assume ethical burdens and must make every effort to make informed ethical decisions and foster ethical behavior among followers The Sixth Edition of *Meeting the Ethical Challenges of Leadership Casting Light or Shadow* explores the ethical demands of leadership and the dark side of leadership Author Craig E Johnson takes a multidisciplinary approach to leadership ethics drawing from many fields of research to help readers make moral decisions lead in a moral manner and create an ethical culture Packed with real world case studies examples self assessments and applications this fully updated new edition is designed to increase students ethical competence and leadership abilities

Transitional Justice After German Reunification Juan Espíndola Mata, 2015-04-16 An investigation of denunciators for the East German secret police the Ministry of State Security and the way they have been publicly unveiled

Just Peace Fernando Enns, Annette Mosher, 2013-09-17 Christian theology and ethics have wrestled with the challenge to apply Jesus's central message of nonviolence to the injustices of this world Is it not right to defend the persecuted by using violence Is it unjust if the oppressed defend themselves if necessary by the use of violence in order to liberate themselves and to create a more just society Can we leave the doctrine of the just war behind and shift all our attention toward the way of a just peace In 2011 the World Council of Churches brought to a close the Decade to Overcome Violence to which the churches committed themselves at the beginning of the century Just peace has evolved as the new ecumenical paradigm for contemporary Christian ethics Just peace signals a realistic vision of holistic peace with justice which in the concept of shalom is central in the Hebrew Bible as well as in the gospel message of the New Testament This paradigm needs further elaboration VU University gathered peacebuilding practitioners and experts from different parts of the world Africa Latin America North America Asia and Europe and from different disciplines anthropology psychology social sciences law and theology voices from across generations and Christian traditions to promote discussion about the different dimensions of building peace with justice

The Joy of Pain Richard H. Smith, 2013-07-02 Few people will easily admit to taking pleasure in the misfortunes of others But who doesn't enjoy it when an arrogant but untalented contestant is humiliated on American Idol or when the embarrassing vice of a self-righteous politician is exposed or even when an envied friend suffers a small setback The truth is that joy in someone else's pain known by the German word *schadenfreude* permeates our society In *The Joy of Pain* psychologist Richard Smith one of the world's foremost authorities on envy and shame sheds much light on a feeling we dare not admit Smith argues that *schadenfreude* is a natural human emotion one worth taking a closer look at as it reveals much about who we are as human beings We have a passion for justice Sometimes *schadenfreude* can feel like

getting one's revenge when the suffering person has previously harmed us. But most of us are also motivated to feel good about ourselves. Smith notes and look for ways to maintain a positive sense of self. One common way to do this is to compare ourselves to others and find areas where we are better. Similarly the downfall of others especially when they have seemed superior to us can lead to a boost in our self-esteem a lessening of feelings of inferiority. This is often at the root of schadenfreude. As the author points out most instances of schadenfreude are harmless on par with the pleasures of light gossip. Yet we must also be mindful that envy can motivate without full awareness the engineering of the misfortune we delight in. And envy induced aggression can take us into dark territory indeed as Smith shows as he examines the role of envy and schadenfreude in the Nazi persecution of the Jews. Filled with engaging examples of schadenfreude from popular reality shows to the Duke Kentucky basketball rivalry *The Joy of Pain* provides an intriguing glimpse into a hidden corner of the human psyche.

[The Bible on Forgiveness](#) Donald E. Gowan, 2010-02-01 What does the Bible say about forgiveness? It is a major subject in Scripture but it has been strangely overlooked by biblical scholars. Forgiveness is the amazing way that alienation can be healed and guilt assuaged and there is an extensive literature on the subject written largely by psychologists, pastoral counselors and philosophers but until now anyone searching those many books for a thorough treatment of the Bible's message would have been frustrated. Now in a clear and concise form Donald E. Gowan has offered a survey of all that the Bible says about this crucial subject from Genesis to Revelation. *New England Law Review: Volume 51, Number 1 - Winter 2017* New England Law Review, 2017-06-05

Where the River Bends Michael T. McRay, 2015-12-09 Myriad works discuss forgiveness but few address it in the prison context. For most people prisoners exist out of sight and out of mind. Their stories are often reduced to a few short lines in news articles at the time of arrest or conviction. But what happened before in the lives of the convicted? What has happened after? How have people in prison dealt with the harm they have caused and the harm they have suffered? What does forgiveness mean to them? What can we outsiders learn about the nature of forgiveness and prison from individuals who have both dealt and endured some of life's most painful experiences? Expanding on his MPhil dissertation *Echoes from Exile with Distinction* from Trinity College Dublin Michael McRay's important new book brings the perspectives and stories of fourteen Tennessee prisoners into public awareness. Weaving these narratives into a survey of forgiveness literature McRay offers a map of the forgiveness topography. At once storytelling, academic activism and cartography McRay's book is as necessary as it is accessible. There is a whole demographic we have essentially ignored when it comes to conversations on forgiveness. What would we learn if we listened?

[Measure of People and Space Interactions in the Built Environment](#) Abubakar Danladi Isah, Isa Bala Muhammad, 2019-02-28 This book is an edited collection of seven chapters on the theme of people and space interactions in different settings. Using a variety of problems it showcases a rich set of solutions to the global challenges of functional, sustainable and responsive habitats in both urban and rural environments. The book deals with cultural landscapes.

sustainable housing settings the environment and human response spatial epidemiology neighbourhood and health and the subjectivity objectivity continuum in man environment research The studies apply a variety of social research methods and strategies relevant to the study of human interaction with its environment Collectively they serve as templates for direction in modern social science research methodology built on evidence based scientific inquiry of the built environment It can guide both young and seasoned researchers in considering appropriate responses to various social research problems including assessing various options in research process innovation A recurrent lesson from the individual studies and significant contribution of the volume is that each research endeavor needs to be based on a firm philosophical grounding as this goes a long way in determining the type of data to be collected and the ways that they are analysed and interpreted Taking a cross disciplinary perspective this edited collection should be of interest to scholars of geography anthropology sociology epidemiology urban planning architecture and above all environment behaviour studies **New Topics in**

Feminist Philosophy of Religion Pamela Sue Anderson, 2009-12-05 Having enjoyed more than a decade of lively critique and creativity feminist philosophy of religion continues to be a vital field of inquiry New Topics in Feminist Philosophy of Religion maintains this vitality with both women and men from their own distinctive social and material locations contributing critically to the rich traditions in philosophy of religion The twenty contributors open up new possibilities for spiritual practice while contesting the gender bias of traditional concepts in the field the old models of human and divine will no longer simply do A lively current debate develops in re imagining and revaluing transcendence in terms of body space and self other relations This collection is an excellent source for courses in feminist philosophy phenomenology hermeneutics and literature Continental and analytical philosophy of religion engaging with a range of religions and philosophers including Kant Kierkegaard Marx Heidegger Arendt Weil Beauvoir Merleau Ponty Ricoeur Levinas Irigaray Bourdieu Kristeva Le Doeuff bell hooks and Jantzen **Christianity and Criminal Law** Mark Hill QC, Norman Doe, RH Helmholz, John Witte,

Jr., 2020-05-28 This collection by leading legal scholars judges and practitioners together with theologians and church historians presents historical theological philosophical and legal perspectives on Christianity and criminal law Following a Preface by Lord Judge formerly Lord Chief Justice of England and Wales and an introductory chapter the book is divided into four thematic sections Part I addresses the historical contributions of Christianity to criminal law drawing on biblical sources early church fathers and canonists as far as the Enlightenment Part II titled Christianity and the principles of criminal law compares crime and sin examines concepts of mens rea and intention and considers the virtue of due process within criminal justice Part III looks at Christianity and criminal offences considering their Christian origins and continuing relevance for several basic crimes that every legal system prohibits Finally in Part IV the authors consider Christianity and the enforcement of criminal law looking at defences punishment and forgiveness The book will be an invaluable resource for students and academics working in the areas of Law and Religion Legal Philosophy and Theology **Forgiveness** Anthony

Bash,2015-05-11 Many endorse the idea of personal forgiveness without fully understanding its complexity and subtlety This book is a careful and detailed theological exploration of personal forgiveness It sets forgiveness in its ancient and biblical context as well as drawing on contemporary debates among philosophers psychological therapists and international relations theorists Forgiveness is written in a clear accessible style for both the specialist and the non specialist and even the most difficult issues are clearly explained and their significance explored Anthony Bash seeks to restore forgiveness to the center of Christian doctrine and practice and to defend its place in personal and public life *Crime and Punishment* Hyman

Gross,2012-01-12 It is generally assumed that we are justified in punishing criminals because they have committed a morally wrongful act Determining when criminal liability should be imposed calls for a moral assessment of the conduct in question with criminal liability tracking as closely as possible the contours of morality Versions of this view are frequently argued for in philosophical accounts of crime and punishment and seem to be presumed by lawyers and policy makers working in the criminal justice system Challenging such assumptions this book considers the dominant justifications of punishment and subjects them to a piercing moral critique It argues that none overcome the objection that people who are convicted of a serious crime and sent to prison have their basic human rights violated The institution of criminal punishment is shown to be a regrettable necessity not deserving of the moral enthusiasm it enjoys among many politicians and the popular press From a moral point of view punishment is entitled at best to grudging toleration In the course of developing the argument the book introduces the principal issues of criminal law theory with the aim of presenting a morally enlightened perspective on crimes and why we punish them Enforcement of the law by police prosecutors and courts is a matter of concern for political morality and the principal practices of the criminal justice system are subjected to moral scrutiny The book presents an original engaging and provocative approach to the philosophy of crime and punishment challenging not only students but a wide range of other readers to rethink the fascinating and troubling questions at the foundations of crime and punishment

Making Amends Linda Radzik,2011-04-07 It is often assumed that wrongdoing can only be resolved through punishment or forgiveness But this book explores the responses that wrongdoers can and should make to their own misdeeds responses such as apology repentance reparations and self punishment It examines the possibility of atonement in a broad spectrum of contexts from cases of relatively minor wrongs in personal relationships to crimes to the historical injustices of our political and religious communities It argues that wrongdoers often have the ability to earn redemption within the moral community that respect and trust among victims communities and wrongdoers can be rebuilt and that the moral responsibility of wrongdoing groups can be addressed without treating their members unfairly **Spirituality in Dark Places** D.

Jeffreys,2013-03-12 Jeffreys explores the spiritual consequences and ethics of modern solitary confinement and emphasizes how solitary confinement damages our spiritual lives He focuses particularly on how it destroys one's relationship to time and undermines our creativity and proposes institutional changes in order to mitigate profound damage to prisoners

Rethinking Christian Forgiveness James K. Voiss, 2015-05-14 Is there such a thing as Christian Forgiveness Christians speak as though there is But what would it be How would it differ from forgiveness as a basic human enactment And if there is a distinctive Christian forgiveness what might it have to say to our world today To answer these questions the present work traverses three distinctive intellectual landscapes continental philosophy Anglo American moral philosophy and psychology to establish a phenomenology of forgiving before turning to contemporary Christian literature The multilayered dialogue that ensues challenges the assumptions of contemporary approaches secular and Christian and invites the reader to rethink the meaning of Christian forgiveness

Whispering the Techniques of Language: An Psychological Journey through **Getting Even Forgiveness And Its Limits**

In a digitally-driven world wherever screens reign great and instant connection drowns out the subtleties of language, the profound strategies and mental subtleties hidden within phrases often go unheard.
