Getting In Touch Intimacy:

Getting Intimate Linn Sandberg, 2011-04-08 This thesis focuses on the intersections of masculinity old age and sexuality from the perspectives of old men themselves how they understand and experience sex and sexuality in later life The study uses qualitative in depth interviews and body diaries an exploratory method that asked men write about their bodies in everyday life Twenty two men born between 1922 and 1942 participated in the study The aim of the thesis is two fold firstly to study sexual subjectivities of old men how old men articulate and make meaning around sexuality in later life Secondly the study aims to explore theoretically what a male body may become in relation to ageing in what ways the ageing male body could be a site for rethinking masculinity and the male body This aim was inspired by feminist theories in dialogue with the deleuzian concept becoming Similarly to gender age is understood to take shape and become intelligible in social and cultural contexts Furthermore the thesis stresses the significance of the specificities of the ageing body to the shaping of masculinity sexuality and subjectivity The body is therefore discussed as an open materiality beyond the binaries of culture and nature materiality This thesis discusses the concepts intimacy and touch as central to how old men s sexual subjectivities take shape allowing for alternative conceptualisations of sexuality beyond erection and intercourse Intimacy and touch are understood and discussed in several different ways By orienting themselves to touch and intimacy the old men emerged as more mature unselfish and with more serene sexual desires This also involved them distancing themselves from the younger man other men whom they perceived as more selfish inconsiderate and with stronger sexual desires Intimacy and touch could in this respect be understood as resources for shaping desirable heterosexual masculinity An orientation to intimacy and touch enabled old men to appear as neither asexual nor as dirty old men But the study also suggests that a turn to intimacy and touch may open up possibilities for rethinking and reconfiguring sexuality masculinity and the male body The ageing body then need not be understood as an obstacle but as an enabling site that provides opportunities for intimacy and touch Moreover the thesis presents affirmative old age as an alternative conceptualisation of old age beyond both the discourses of successful ageing and the discourses of old age as negativity and decline As a theory of difference and bodily specificity affirmative old age may be of interest for further feminist theorising

Intimacy Christopher Lauer, 2016-02-25 An important contribution to the burgeoning field of the ethics of recognition this book examines the contradictions inherent in the very concept of intimacy Working with a wide variety of philosophical and literary sources it warns against measuring our relationships against ideal standards since there is no consummate form of intimacy After analyzing ten major ways that we aim to establish intimacy with one another including gift giving touching and fetishes the book concludes that each fails on its own terms since intimacy wants something that is impossible The very concept of intimacy is a superlative one it aims not just for closeness but for a closeness beyond closeness Nevertheless far from a pessimistic diagnosis of the human condition this is a meditation on how to live intimately in a world in which intimacy is impossible Rather than contenting

itself with a deconstructive approach it proposes to treat intimacy dialectically For all its contradictions it shows intimacy is central to how we understand ourselves and our relations to others

Sovereign Intimacy Laliv Melamed,2023-02-28 In the early 1990s Israeli television began dedicating Memorial Day airtime to videos produced by the grieving families of soldiers killed in the line of duty When these videos first appeared during a period of growing Israeli discontent with the occupation of southern Lebanon they were widely perceived as a challenge to the state reclaiming the dead from Israel's militaristic memory culture by resituating them in intimate domestic contexts via mediated commemorations By tracing an emerging media system of freelance filmmaking privatized television state institutes of care and grassroots campaigns Laliv Melamed reveals how these videos nevertheless avoid a fundamental critique of Israeli militarism which is instead invited into the familiar space of the home These intimate connections of memory and media exploit bonds of kinship and reshape larger relationships between the state and its citizens enabling a collective disavowal of colonial violence In **Sovereign Intimacy** Melamed offers a poignant and critical view of the weaponization of home media and mourning in service of the neoliberal settler state

Risking Intimacy and Creative Transformation in Psychoanalysis Lauren Levine,2023-04-05 In this compelling book Lauren Levine explores the transformative power of stories and storytelling in psychoanalysis to heal psychic wounds and create shared symbolic meaning and coherence out of ungrieved loss and trauma Through evocative clinical stories Levine considers the impact of trauma and creativity on the challenge of creating one's own story resonant with personal authenticity and a shared sense of culture and history Levine sees creativity as an essential aspect of aliveness and as transformative emergent in the clinical process She utilizes film dance poetry literature and dreams as creative frames to explore diverse aspects of psychoanalytic process As a psychoanalyst and writer Levine is interested in the stories we tell individually and collectively as well as what gets disavowed and dissociated by experiences of relational intergenerational and sociopolitical trauma She is concerned too

with whose stories get told and whose get erased silenced and marginalized This crucial question what gets left out of the narrative and the potential for an intimate psychoanalytic process to help patients reclaim what has been lost is at the heart of this volume Attentive to the work of helping patients reclaim their memory and creative agency his book will prove invaluable for psychoanalysts and psychotherapists in practice and in training The Poetics of Intimacy and the Problem of Sexual Abstinence Michael J. Hartwig, 2009 This bold work asks whether traditional Christian sexual morality with its emphasis on sexual abstinence outside of heterosexual marriage is harmful Appealing to sociological studies anthropological theories and contemporary theological ethics Hartwig develops a model of sexual virtue around the concept of a poetics of intimacy and applies this model to particular challenges faced by the divorced married couples gay men and lesbians single adults and people with mental and developmental disabilities He concludes that mandated long term and lifelong sexual abstinence for those outside heterosexual marriage is not only harmful but compromises many features of Christian morality

Guerrero, Peter A. Andersen, Ph.D., Walid A. Afifi, 2007-05-31 Using a relational approach to the study of interpersonal communication this text provides comprehensive coverage of popular theories and concepts in interpersonal communication The research base of the book draws heavily from communication but also emphasizes the interdisciplinary nature of the study of personal relationships The book focuses on communication within close relationships and is organized using a developmental approach The early chapters focus on processes that shape initial interaction and relational escalation with the caveat that some of these processes e.g self disclosure uncertainty also play important roles in established relationships The middle chapters examine issues related to maintaining a loving fair and intimate relationship The latter chapters focus on challenges relational partners face including coping with privacy needs relational transgressions and conflict The last chapter is on relationship endings The book includes research from various disciplines such as social psychology and family studies but the primary focus is communication research **Still Got It:**

Sex, Intimacy & Confidence at Any Age Zoe Mathews, Still Got It Sex Intimacy Confidence at Any Age is your empowering guide to embracing passion pleasure and self assurance well into midlife and beyond Whether you re rekindling old flames exploring new connections or simply wanting to reconnect with yourself this book offers honest uplifting advice for navigating love desire and body confidence at every stage Packed with practical tips real stories and a healthy dose of encouragement Still Got It reminds you that sensuality doesn t have an expiration date and neither does your right to feel vibrant wanted and wonderfully alive Because desire doesn t retire and neither should you [Aging Our Way: Independent Elders, Interdependent Lives](#) Meika Loe,2013-02-01 America is quickly going grey There are more Americans alive today over the age of 80 than ever before in our history by 2030 that number is expected to almost triple But when we discuss how long people live we must also consider how well they live Aging Our Way follows the everyday lives of 30 elders ages 85 102 living at home and mostly alone to understand how they create and maintain meaningful lives for themselves Through extensive interviews Meika Loe explores how elders navigate the practical challenges of living as independently as possible while staying healthy connected and comfortable Aging Our Way celebrates these men and women as they really are lively complicated engaging people finding creative ways to make their aging as meaningful and manageable as possible Written with remarkable warmth and depth of understanding Aging Our Way offers a vivid look at a group of people who too often remain invisible those who have lived the longest and all they have to teach us [Aging Our Way](#) Meika Loe,2011-10-03 In 1998 Hallmark unveiled their new One Hundredth Birthday cards and by 2007 annual sales were at 85 000 America is rapidly graying between now and 2030 the number of people in the U S over the age of 80 is expected to almost triple But how long people live raises the question of how well they live Aging Our Way follows the everyday lives of 30 elders ages 85 102 living at home and mostly alone to understand how they create and maintain meaningful lives for themselves Drawing on the latest interdisciplinary scholarship on aging and three years of interviews with the elders Meika Loe explores how elders navigate the practical challenges of living as independently as possible while staying healthy connected and comfortable While most books on the subject treat old age as a social problem and elders as simply diminished versions of their former selves Aging Our Way views them as they really are lively complicated engaging people finding creative ways to make their aging as meaningful and manageable as possible In their own voices elders describe how they manage everything from grocery shopping doctor appointments and disability to creating networks of friends and maintaining their autonomy In many ways these elders can serve as role models The lessons they have learned about living in moderation taking time for themselves asking for help keeping a sense of humor caring for others and preparing for death provide an invaluable source of wisdom for anyone hoping to live a long and fulfilling life Through their stories Loe helps us to think about aging well being and the value of human relationships in new ways Written with remarkable warmth and depth of understanding Aging Our Way offers a vivid look at a group of people who too often remain invisible those who have lived the longest and all they

have to teach us *The Intimate Male* Linda Levine,1983-12 **Intimacy or Integrity** Thomas P. Kasulis,2002-03-31 How can I know something How can I convince someone of the rightness of my position How does reality function What is artistic creativity What is the role of the state It is well known that people from various cultures give dissimilar answers to such philosophical questions After three decades in the cross cultural study of ideas and values Thomas Kasulis found that culture influences not only the answers to these questions but often how one arrives at the answers In generalizing cultural difference Kasulis identifies two kinds of orientation intimacy and integrity Both determine how we think about relations among people and among things and each is reasonable effective and consistent Yet the two are so incompatible in their basic assumptions that they cannot successfully engage each other Cultural difference extends beyond nations Cultural identities crystallize in relation to religion occupation race gender class Rather than attempt to transcend cultural difference Kasulis urges a deeper awareness of its roots by moving beyond mere cultural relativism toward a cultural bi orientationality that will allow us to adapt ourselves to different cultural contexts as the situation demands Wonderfully clear and unburdened by jargon Intimacy or Integrity is accessible to readers from a variety of perspectives and backgrounds By analyzing the synergy between thought and culture it increases our understanding of cultural difference and guides us in developing strategies for dealing with orientations different from our own **Body/Sex/Work** Carol Wolkowitz,Rachel Lara Cohen,Teela Sanders,2013-02-27 Body Sex Work focuses on the intimate embodied and sexualised labour that occurs within body work and sex work Bringing together an internationally renowned group of academics it explores empirically and theoretically labour processes workplace relations regulation and resistance in some of the many work sites that make up the body work and sex work sectors The book makes a key contribution to research recognising the embodiment of labour and the body reframing the key questions in critical studies of work and employment Key Benefits The first book that draws together the sub disciplines of body work and sex work Written by leading international experts Contains cutting edge empirical research on contemporary topics Body Sex Work is an ideal companion for upper level undergraduate and postgraduate students of labour and organisation studies body studies gender and sexuality It will also appeal to researchers and lecturers in these fields *Sexuality: God's Gift* Anne Krabill Hershberger,2010-06-17 Big business makes big money selling a phony notion of what we want and need as sexual people Ads insist that certain products will make us more sexually appealing But what we really want and need is true intimacy the knowledge that we matter to another person and are loved for who we are We all are sexual beings all of our lives and relate to each other sexually all the time God marvelously made us this way Using the metaphor of sexuality as a good gift from God this book offers Christian resources for living a sexually healthy and fulfilling life Extraordinarily comprehensive nuanced and sensitive even richer than its predecessor It is a splendid resource for all Christians who wish to live more deeply in gratitude to God for their own sexuality James B Nelson professor emeritus of Christian ethics United Theological Seminary of the Twin Cities An important contribution to Christians

seeking to celebrate their sexuality with holiness and integrity The Rev Debra W Haffner executive director Religious Institute Westport Connecticut

Multichannel Integrations of Nonverbal Behavior Aron Wolfe Siegman, Stanley Feldstein, 2014-04-04 First published in 1985 This book takes a multichannel perspective The first three chapters are written from a distinctly functional perspective the function of nonverbal behavior on interpersonal attraction in the expression of emotions and in the control of conversations They are followed by two topically organized chapters namely the role of nonverbal behavior in interpersonal expectancies and deceptive communications They in turn are followed by a process oriented discussion of the nature of nonverbal behavior The book concludes with two contributions concerned with the demography of nonverbal behavior the role of gender class and ethnicity with the latter viewed from a cultural perspective In each case however the chapter is organized to the extent possible from a multichannel perspective
