Getting Things From God:

How to Get Things from God John R Rice, 2000-08 *Getting Things From God* Charles A. Blanchard, 2017-12-22 Excerpt from *Getting Things From God* A Study of the Prayer Life This was the petition of disciples who came to Jesus desiring that He would aid them in this matter He did not refuse the help they asked He told them how to pray and He told them what great things even a small bit of faith would accomplish if they really prayed When you pray say our Father If you have faith like a grain of mustard seed you can overturn mountains or pluck up trees by the roots This is the teaching of our Lord It is obvious that the force which is to accomplish such results is a world moving one It is not a tri ing power but a power that can shake and destroy and build up About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Getting Things from God* Charles Albert Blanchard, 1953 Prayer John R. Rice, 2000-08 God still answers prayer Dr John R Rice opens the bible to help believers better understand prayer and develop a relationship with their lord **Finding God in All Things** Brian Grogan, 2021-04-01 Fr Brian Grogan has written an extraordinary book for ordinary people In simple clear language he shows how God is involved in all the details of our lives God does not blush easily at our faults he writes In failure or in success every individual remains uniquely important to God He waits for us searches for us and cares for us always drawing us to the person of Jesus who offers himself as our constant companion on our pilgrim way and who helps us to shape our world by making wise decisions Experiencing the Presence of God A.W. Tozer, 2010-08-25 True and absolute freedom is only found in the presence of God A W Tozer Deep in the soul of every person on earth is a longing for the presence of God But how do we get there Experiencing the Presence of God is a never before published collection of teachings from A W Tozer on the book of Hebrews that shows us the way Tozer the renowned pastor and theologian challenges our status quo invites us to explore a fresh understanding of what it means to dwell in God s presence and leads us to experience the divine fulfillment for which we were created As Tozer says We should come to church not anticipating entertainment but expecting the high and holy manifestation of God s presence Worship is not some performance we do but a presence we experience Come alongside Tozer and enter into God s presence right now *Getting God Wrong* G. S. Kohler, 2023-10-06 Reading a tone of voice into printed words especially the personal experience of an email or text can disconnect two people even friends Having one friend reinterpret the way another heard the words with their own tone of voice may lead them into discovering how Jesus seems to hear God differently even though he read the same Bible In *Getting God Wrong* the reader is invited into

a conversation on how they taught themselves to misunderstand the One who loves them best Instructions is the same word that gets translated commandments and guidance is the same word sometimes translated law This shift of translations can affect one's emotional engagement with the ideas People have told themselves for centuries that God marched the people of Israel out of four hundred years of slavery out into the desert to tell them Now you'll be my slaves and live under my commandments What if God used a different tone of voice and not the one people usually hear as they read Getting God Wrong suggests that God wants people to hear his heart as clearly as Jesus lived it out in front of them Jesus is God's tone of voice

How I Know God Answers Prayer: The Personal Testimony of One Life-Time Rosalind Goforth, 2019-11-21 In *How I Know God Answers Prayer: The Personal Testimony of One Life Time* Rosalind Goforth presents a deeply introspective narrative that intertwines personal anecdotes and spiritual reflections The book is structured around poignant moments of her life illustrating how prayer served as a sustaining force through trials and triumphs Goforth's literary style is characterized by sincerity and simplicity infused with a didactic tone that beckons readers to examine their own faith journeys This work finds its context within the early 20th century evangelical thought echoing the spiritual fervor of the time while offering profound insights into the transformative power of prayer Rosalind Goforth a prominent missionary and author draws heavily from her rich experiences in China alongside her husband Jonathan Goforth Her endeavors in missionary work undoubtedly shaped her understanding of prayer revealing it as both a personal lifeline and a communal bond among believers Goforth's life and writings reflect a deep commitment to her faith illustrating the lived realities of a woman navigating both joy and hardship in the service of her beliefs This book is highly recommended for anyone seeking a deeper understanding of prayer's role in their spiritual life as well as for those interested in early 20th century missionary experiences Goforth's testimony is not just a personal chronicle but a universal invitation for readers to explore how prayer can be a source of divine connection and assurance in their own lives

Their God/S Michael Jean Nystrom-Schut,2015-11-19 In the mind of each person on the planet a set of notions and ideas of God or gods reside Some of these systems are basic and simple Others are highly complex and complicated Some borrow their God god notions from authority or from others they know Others are much more original eclectically piecing together many separate parts from multiple sources No two people in the world experience and translate God gods in the same way And this is what makes things so interesting As I have encountered this wonderful life I have also bumped up against countless people who were in the position to explain exactly who God was and was not They were quite sure of themselves and anxious to impart this wisdom to me But because I had a mind and heart of my own this put me on the outside looking in for much of my life We all come to a place where we realize we must make our minds up as to what we will and will not do how we will think and who we will be As I have encountered them and their God gods I have found my own way through this foggy maze and discovered a modicum of peace and reconciliation in the process This is the massive task of all of us as well as why I needed to lay it out to you in this lengthy 2 part book **Getting Things From God A Study of the Prayer Life**

When you invest it well, it's marked with meaning and unforgettable moments of joy. But if you're like so many, you feel rushed, overwhelmed, pressured by your daily obligations and others' expectations. The need to please, to succeed and to make a difference wears away at your joy and leaves you feeling empty or exhausted. Elizabeth Grace Saunders, internationally recognized time management expert, has helped everyone from busy moms to small business owners to corporate clients reorder their lives for success. She knows there are endless apps, books and useful methods for becoming self-disciplined, organized and more successful, but these tools alone aren't enough to provide true freedom from the stress of how to best manage time. Yet when Elizabeth's longtime faith intersected with her work, it unlocked the power of Divine Time Management. After a season of unusually high stress where traditional time management methods fell short, she found a transformative sense of peace by surrendering her plans to God. Pursuing God's wisdom in time management, Elizabeth discovered that by trusting Him, she could achieve the happy, prosperous, confident life He lovingly planned for her. Now she shares how you can find purpose, joy and the peace that comes from letting God guide your actions. Divine Time Management offers you a path to deeper intimacy with God, centered on trust in Him, an understanding of what God wants for your life to inform how you set priorities, biblical and personal encouragement to embrace your God-given desires, effective ways to faithfully navigate major decisions and proven time-saving methods. God delights in His children experiencing His best. Divine Time Management will help you align your life with God's best for you for lasting joy with Christ at the center of your world. **A.M.F.
