The Life of Isaac Ingalls Stevens (Complete) Hazard Stevens,2020-09-28 About 1640 a mere handful of English colonists went out from Boston and made the first settlement in the town of Andover Essex County Massachusetts They laid out their homes on the Cochichewick a stream which flows out of the Great Pond in North Andover and falls into the Merrimac River on the south side a few miles below Lawrence The infant settlement was known as Cochichewick until 1646 when it was incorporated as a town under its present name after the Andover in Hampshire England the birthplace of some of the settlers Among the first who thus planted their hearthstones in the wilderness was John Stevens His name stands fifth in an old list in the town records containing the names of all the householders in order as they came to town The mists of the past still allow a few glimpses of this sturdy Puritan settler He was admitted a freeman of the colony June 2 1641 Old Style He was appointed by the General Court May 15 1654 one of a committee of three to settle the boundary between the towns of Haverhill and Salisbury a duty satisfactorily performed He was sergeant in the military company of the town a post then equivalent to captain or commander According to Savage N E Genealogies vol i p 186 John Stevens lived at Caversham

County Oxford England and came to America in the Confidence from Southampton in 1638 Large substantial head and foot stones of slate sculptured and lettered in the quaint fashion of his day still mark the resting place of John Stevens after the storms of now two and a third centuries in the oldest graveyard of Cochichewick situated opposite the Kittredge mansion and about half a mile north of the old parish meeting house in North Andover He died April 11 1662 in the fifty seventh year of his age and was therefore thirty five years old when he founded his future home John Stevens was evidently a man of note and substance the worthy progenitor of a prolific family which has filled Andover with his descendants and put forth from time to time strong flourishing branches into all quarters of the country It may indeed be safely said that there is scarcely a State in the Union which does not contain descendants of this sturdy Puritan Sharp, Sleek Sword Babatunde R. Ajimoti,2018-01-19 Sometime ago in a hospital where I was practicing a friend of mine gave us a riddle He asked us to guess a powerful plague that is greater than HIV AIDS and worse than cancer His clue was This condition targets the heart of man We all gave up after mentioning some heart diseases but could not decode his riddle He cleared his throat and said Deception is the canker that can destroy the body soul and spirit of a man All terrible sicknesses in life can only destroy the body but not be able to kill the spirit and soul Hence deception is greater than HIV AIDS and worse than cancer Mr Deception could be described in many ways He is a rapist many people have been violently defiled physically financially economically and spiritually through his activities The trauma left in the life of his victims has made some people miserable for the rest of their days on earth This monster has made mincemeat of wise men and women Ironically this evil monster could be seen wearing a mask in many unusual places His leprous fingers could be found turning families upside down and pitting best friends against one another Mr Deception will jeopardize the future generation through his nefarious work He could use the government against ordinary citizens and pulpits against the pews Mr Deception is becoming more sinister and deadly and has become a tool in the hands of the enemy of our soul He is perfect in what he does and is a smooth operator What our adversary the devil is doing today through deception mimics the events in chapter one of the book of Daniel Satan targets the children of God with the nuclear weapon of deception His ultimate goal is to deny them the presence of God in eternity Everyone needs to brace up to wage war against deception without which it may be difficult to fight the good fight of faith **Old Road to Paradise** Margaret Widdemer,2020-12-08 In Old Road to Paradise Margaret Widdemer weaves a rich tapestry of human emotion and introspection amidst the backdrop of early 20th century America Written in a lyrical and evocative style this novel captures the quest for personal redemption through the lens of its complex characters navigating the intersection of despair and hope With its exploration of the transformative power of love and the search for meaning Widdemer effectively situates her narrative within the broader literary context of post World War I disillusionment embodying both the societal changes and individual struggles of her time Margaret Widdemer an influential figure in American literature was deeply inspired by her own experiences as a poet and novelist during the transitional period of the
