A Vitaphone, a subsidiary of Warner Bros. formed in association with Western Electric, was one of the major producers of talkies even though its sound-on-disc technology barely lasted four years. The Vitaphone features and shorts that have survived intact or that have been so carefully restored preserve much of the show business history that might otherwise have been lost with the industry's fast-paced advances in movie making. This book is a catalogue of Vitaphone features and shorts. The first section lists the features and shorts by release number. The New York productions, 1926-1940, are listed first, followed by the West Coast productions, 1927-1970. For shorts, the following particulars, if known and if applicable, are given: title, alternate title, instrumental and vocal selections performed on screen, composer(s) and performers of instrumental and vocal selections, release date, and synopsis of the film, names of major cast members, and directors' set information if two or fewer sets were used, and the amount paid to early performers. For features, entries list release dates, genre, and major cast members. The section on performers includes only those who appeared in shorts, listing dates and places of birth when known. *Reports of the United States Tax Court* United States Tax Court, 1959 *Reports of the Tax Court of the United States* United States Tax Court, 1958 **Hit Singles**, 2004-09 Book This entertaining book presents the U.S. and U.K. Top 20 charts side by side, month by month, showing how rock and pop developed on each side of the Atlantic. Includes an alphabetical listing of song titles with artists and an alphabetical listing of artists with song titles and chart entry dates, enabling easy cross-referencing to help you track down any Top 20 record since 1954. **The Book of Hit Singles** Dave McAleer, 2001-08 Book Based on the official Top 20 charts from Billboard in the US and NME Music Week in the UK, this entertaining book shows at a glance the monthly international status of the hits. The fully updated and revised fourth edition lists the charts since they began in January 1954 all the way through December 2000. Each song is listed with artist name and nationality, current and previous month's chart position, record label, weeks on the chart, and simultaneous position on the other side of the pond. Special symbols indicate million sellers, plus artists' first and most recent hits. All stars and songs are indexed separately, making it especially easy to pinpoint any Top 20 hit. Includes 200 photos plus new pop trivia and star gossip. *Moses' Staff and Aeneas' Shield* Patrick V. Reid, 2005-03-31 Moses Staff and Aeneas Shield uses two emblems to symbolize the important differences between the tragic but triumphant heroism of Virgil's Aeneid and the kenotic heroism of Moses in the Exodus story. The shield of Aeneas represents Rome's imperial destiny to rule the earth's peoples by strength, and Aeneas' personal destiny to end in triumph as a warrior. In contrast, the

staff of Moses represents the saving wonders the Lord works through him to save the children of Israel from slavery in Egypt and bind them to himself in covenant and his mission to go beyond being simply a wonder worker to a man of words who preaches the Lord's Torah **English Couplets** M.R.
