Ryan Cooper,2023-09-21 There are many unknown things in

this world and many things cannot be explained by science. As the oldest nation in the world, the Yanhuang clan has many unknown secrets. People have no way to verify them and can only rely on their own speculation, which is the so-called myth. Modern technology is changing with each passing day, and no one is going to verify whether there are really gods. However, there is still a group of people who are trying to realize their dreams and create their own myths. They have many names such as superpowers, cultivators, demon cultivators, Buddhist cultivators, etc. They are hidden in the depths of the crowd, but they are doing their own stories. This book tells the story of a superpower who has the ability to control his mind. He worships as a cultivator. In a conflict between a cultivator and a ghost, he enters another space by chance. Facing a strange environment, strange race, strange power, and strange everything, how to control his own life. Should he live a plain life without fighting with the world, or dominate the world and become the king among men, or pursue his own power to create his own myth. Or watch from behind and control the other world. The future and destiny are all determined in *The Rebel*. In Between Times Cláudia S. Monteiro, 2022-02-22. Priceskan wakes up in enemy's territory but somehow a thousand years in the past. She is safe for now but she needs to find a way to get back to her timeline where she is the Crown Princess of the whole magic people without meddling too much in the past affairs. Only that everything goes awry and what happens is exactly the opposite, especially as the first person she meets in the past is the ancestor of the king who is after her, Prince Podron. No matter how hard she wants to push him away, he keeps on sticking to her and together they go on a journey to make Priceskan's secret wish come true, going back to her timeline. However, Prince Podron isn't the only person she meets along the way, nor the only life she'll meddle with, and messing with the flow of history seems to be unavoidable. Will Priceskan be able to find her way back? Is what she knows of the past the truth? Ifs & Ans Henry Brereton Marriott Watson, 1913
