T. A. Hoffmann,2008-09-11 Hoffmann is among the greatest and most popular of the German Romantics This selection while stressing the variety of his work puts in the foreground those tales in which the real and the supernatural are brought into contact and conflict The humour of these tales is a result of the incongruity of supernatural beings at large in an ostentatiously everyday world They include The Golden Pot recognized as

Hoffmann's masterpiece by himself and posterity its spine chilling companion tale The Sandman which Offenbach drew on for his opera Tales of Hoffmann and which Freud examines in his essay The Uncanny two longer and more elaborate fantasies set respectively in Germany and Italy and the late story My Cousin's Corner Window which shows the powers of the imagination being applied to everyday urban life and marks a transition in European literature generally from Romanticism to Realism Ritchie Robertson's detailed introduction places the stories in their intellectual and historical context and explores their compelling narrative complexities [The Shoes of Fortune, and Other Tales](#) Hans Christian Andersen, 1847 [The Old Man at the Railroad Crossing and Other Tales](#) William Maxwell, 2016-05-17 In these tales with one foot firmly planted in the present Maxwell brings a certain sophisticated urbanity to the oral traditions of the fable and fairy tale The total effect is of something midway between the Brothers Grimm and Kafka with perhaps a touch of Zen NYRB April 1966 While modern enough in locale and context they are as old as humanity itself in what concerns them And always that voice the age old voice of the storyteller the eternal magic of the speaking human voice Such simplicity takes true artistry and Maxwell has that in spades [Three Northern Love Stories, and other tales. Translated from the Icelandic by E. M. and W. M. Eiríkr Magnússon](#), 1875 [The Good Little Devil and Other Tales](#) Pierre Gripari, 2013-08-27 Absurd fairy tales very sensibly told There once was a good little devil did you read that right Yes you did not a wicked little devil but a good one and boy was he in a fix Instead of doing bad things like forgetting his homework and playing tricks on his teachers this little devil kept trying to be good He did all his homework and sometimes enjoyed it He was never rude and he even encouraged sinners to say sorry His parents were at their wits end So the little devil struck out on his own On his quest to learn to be good our little devil meets all kinds of people from priests to police and from the Pope in Rome to Little Jesus himself But will the angels let a little red devil with black horns into Heaven In these thirteen tales clever young people find nifty ways to overcome greedy kings wicked witches unlucky spells and even silly names And there's a big dash of magic to help them on the way [Play Index](#) Dorothy Herbert West, Dorothy Margaret Peake, Estelle A. Fidell, 1953 Index to more than 30 000 plays written from Antiquity to the present and published from 1949 to the present includes mysteries pageants plays in verse puppet performances radio and television plays and classic drama All Play master records contain a link to the results of an Internet metasearch of specially selected Web sites to link to full text criticism and other useful information **Canadian Books in Print. Ladino Judeo Spanish is a living remnant of the Spanish spoken by the Spanish Jews at the end of the 15th century Matilda Kon Sarano born to a Sephardic family has devoted her life to the conservation and revitalization of this language culture and heritage Joha according to Ladino tradition is a popular folklore character one who is conniving yet also beguiling He plays many roles He makes us laugh liberates us from taboos makes it possible to tell the whole sometimes painful truth in a humorous way and helps us triumph over our enemies through laughter These stories have entertained generations of Sephardic children and adults and will delight readers of any age *International Books in Print* ,1997 Judaica Librarianship ,1991 Journal of the American Oriental Society American Oriental Society,1919 List of members in each volume **The Pañcatantra in Modern Indian Folklore** William Norman Brown,1919 **Literary Gazette and Journal of Belles Lettres, Arts, Sciences, &c** ,1847 **A Translation of Giambattista Basile's The Tale of Tales** Christopher Stace,2019-01-22 Composed in the 1630s Giambattista Basile's The Tale of Tales later known as the Pentameron is a sophisticated affectionate often wicked parody of Boccaccio's 14th century masterpiece the Decameron containing fifty tales within an intricate framing story Importantly among its stories are the earliest literary versions of famous fairy tales such as Cinderella Rapunzel The Sleeping Beauty and Hansel and Gretel This is only the fourth translation of the complete text into English With its scholarly introduction notes and up to date bibliography it will appeal to anyone studying European literature or the fairy tale in general its history and subsequent development as well as anyone wishing to trace specific themes within the genre and their different treatments **Tibetan Folktales** Haiwang Yuan, Awang Kunga, Bo Li,2014-11-25 This collection of folktales provides readers with an extensive overview of the breadth of Tibetan culture revealing the character of the region and its people as well as their traditional customs and values Most Westerners are unlikely to travel to the mountainous region of East Asia and experience the Tibetan people and their culture directly This book provides a way to experience and learn about this remote nation through carefully selected Tibetan folktales that provide readers with a unique glimpse into Tibet's culture its people and the land itself through the window of folklore Providing a unique resource that can serve both as a storytime aid for educators who work with primary school students and a valuable reference for Eastern folklorists Tibetan Folktales contains more than 30 traditional Tibetan stories that give readers a taste of the land people culture history religion and psyche of this remote country The tales are gathered from contemporary Tibetan storytellers and translated from written sources to represent the rich oral and written literary tradition of Tibet's culture In addition the book supplies tutorials for Tibetan crafts and games a sample of recipes and photographs and illustrations that create a multidimensional experience of Tibetan culture
