Environmental monitoring at major U.S. Energy Research and Development Administration contractor sites, calendar year 1976 United States. Energy Research and Development Administration. Division of Operational and Environmental Safety, 1977 The Architectural History of King's College Chapel Francis Woodman, 2023-01-27 First Published in 1986 The Architectural History of King's College Chapel provides a complete picture of how and why King's College Chapel came to be built Francis Woodman uses the evidence both of structure and style and finance and patronage to present the organisation and mechanics of the structural campaigns spread over more than seventy years He proposes a completely new sequence of constructions from that hitherto accepted together with clear evidence of changes in policy concerning the intention to vault the Chapel part way through construction The book also contains the first complete analysis of the remarkable Tudor building accounts and their significance for the study of mediaeval architectural history King's College Chapel is placed within the context of the contemporary architecture in both England and France and for the first time English late mediaeval architecture is considered and presented as one part of a wider European movement This book is a must read for scholars and researchers of British architecture and architectural history Critical Toponymies Lawrence D. Berg, Jani Vuolteenaho, 2009 This book brings together recent works that conceptualize the hegemonic and contested practices of geographical naming Illustrated with a global range of local and national studies this ground breaking volume illuminates the key role of naming in the colonial silencing of indigenous cultures canonization of nationalistic ideals into nomenclature of cities and topographic maps as well as the formation of more or less fluid forms of postcolonial and urban identities The Culture of Fengshui in Korea Hong-key Yoon, 2006-01-01 Hong Key Yoon's book explores the nature of geomantic principles fengshui and the culture of practicing them in Korean cultural contexts He clearly analyzes the nature and historical background of geomancy the principles for selecting auspicious sites and provides an extensive interpretation of geomantic principles as practiced in Korea The impacts of geomancy on traditional cartography religion urban development and finally iconographical warfare are all discussed in great detail *Gower Federal Service*, 1991 Decisions of the Board of Land Appeals Office of Hearings and Appeals Dept of the Interior *The National Survey of Historic Sites and Buildings*, 1968 **Research Note PNW**, 2002 **Department of the Interior and Related Agencies Appropriations for 1992** United States.
