P. Philpott, 2024-02-28 Reprint of the original first published in 1883 **My Apingi Kingdom: with Life in the Great Sahara, and Sketches of the Chase of the Ostrich, Hyena, &c** Paul Belloni Du Chaillu, 1871 *Kingdom* Scott M. Davis, 2012-09 What if Heaven and Earth weren't so far apart What if your next door neighbour was an angel Kingdom presents the gospel narrative with a new twist Discover Adam Eve Paul and many other biblical characters as they interact with Jesus on his way to the cross King Jehovah the king of Heaven rules the land with a loving heart and just judgment One day he decides to ask his people to venture over to the land known as Earth where the people are enduring plenty of modern day issues When they get there they find that a factory owner Joe Bedinger has just watched his business go up in flames Eve is unemployed and desperately searching for somewhere to work and Adam is stuck in his dead end grocery store job cleaning up after other people's messes and stocking shelves Jehovah comes up with a plan to heal the land of earth and give these people additional resources and citizenship of his kingdom of heaven but it's not all that easy as he finds his own subjects oppose his plan Jehovah sends his son as an ambassador to the people Is that enough for the people of Earth and Heaven to live in peace Or is there a war on the horizon *The Rising Beyond Self* Isobe Gborkorkollie, 2011-07-25 There is no available information at this time **My Apingi Kingdom** Paul Belloni Du Chaillu, 1928 **Kingdom Man** Tony Evans, 2012-03-01 Live Confidently in Your Authority as a Kingdom Man For too long men have sat on the sideline of life But God intends for us to get into the game We've been content with mediocre while God calls us to greatness The path to a better world and a better future for our families and communities begins at our door We need to take hold of our biblical anointing and become men sold out for the kingdom of God Dr Tony Evans founder and president of The Urban Alternative and senior pastor at Oak Cliff Bible Fellowship in Texas calls men to biblical manhood He exhorts you to grab hold of your dominion exercise the authority God has given you and fulfill your role to provide leadership and mirror God's character With Kingdom Man as your guide you will learn to Leave the past behind learn from yesterday but not live in it Embrace prayer as your primary weapon of warfare Align yourself with God's prescription for kingdom manhood Confidently and compassionately express your authority within your domain Remember your call to greatness Men it's time to step into our destiny It's time to roar *State of the Kingdom Address* David G Newby, 2017-12-13 Every year since 1790 during the presidency of George Washington the President of the United States has given an annual speech to the nation That speech is known as The State of the Union Address In it he discusses the greatest problems of the nation as well as a plan to overcome them The president's speech is one that unifies the nation and

encourages citizens to work together to improve the country as one people regardless of party association or general beliefs and convictions The one thing that can arguably be agreed upon by most people is that everybody wants to live in a better country and benefit from the liberties life and opportunity that the United States has to offer This is a noble cause and makes the State of the Union Address more than simply a speech It is a bond that brings people together under the red white and blue Accordingly millions of people tune in each year around the last week of January to watch the State of the Union live on television on all the major networks Undoubtedly the State of the Union is an important event The fact that the speech is an annual tradition of one of the most powerful nations in the world stresses the importance of it Countries all around the world are affected by the legislative agenda of the U S as discussed in the speech regarding economies human rights defense human aid global business trade environmental issues world health and more Given the value placed on the State of the Union one should reasonably conclude that a state of the world address is in order After all doesn't SOTU generally speaking focus mostly on the well being of the United States Of course it does Now what seems more appropriate is to have a general address concerning the physical but even moreso the spiritual state of every nation in the world That's to say that spiritual life reigns supreme and every nation is under God both in spirit and in flesh God's Kingdom Government rules all other kingdoms And that is the premise behind the State of the Kingdom Address SOKA SOKA is a parody of SOTU In a sense it is intended to awaken governments and people worldwide The LORD not only wants to show His authority and authorship on earth as the Almighty but He desires to 1 build up the Body of Christ 2 usher in the end time revival and 3 bring the people back to Him The book is intended to show people that we have gotten away from the big picture People have become so focused on the small insignificant things in life like The State of the Union as important as it is yet have lost track of the things which matter most God and His Kingdom Without question most people would likely agree that God's Kingdom is the most powerful important government in the world Through SOKA the world will see that the state of a country pales in comparison to the state or condition of God's Kingdom namely the Church That inevitable day of Jesus Christ coming back to earth is approaching And the world has to prepare for it in the midst of going about our daily lives Are you ready for the ride of your life Enter Chapter One Behold I Come Quickly if you dare *Elpis Israel; being an exposition of the Kingdom of God, with reference to the time of the end, and the age to come. Fourth edition, revised John Thomas, 1867* **A Drowned**
