Kings Of The Rink:

The Doughnut King Jessie Janowitz, 2019-05-07 Doesn't everyone love a good baking competition? If you or the kids in your life are into the hit show *Nailed It* and if those kids have the entrepreneurial spirit then this book is for you. When Tris tries to save his doughnut business and town by competing on a cooking show, will he have what it takes to win or will he lose it all? Tris Levin thought moving from New York City to middle of nowhere Petersville meant life would definitely get worse, only it actually got better. But just when things are looking up, problems start rolling in. His doughnut business has a major supply issue. And that's not the worst part. Petersville has its own supply problem; it doesn't have enough people. Folks keep moving away, and if they can't get people to stay, Petersville may disappear. Petersville needs to become a tourist destination, and his shop could be a big part of it if Tris can keep up with demand. There's only one solution: The Belshaw Donut Robot. If Tris can win *Can You Cut It*, the cutthroat competitive kids cooking show, he can get the cash to buy the machine. But even with the whole town training and supporting him, Tris isn't sure he can live with what it takes to win. This sequel to *The Doughnut Fix* is about growing up, family change, and as always, doughnuts. Kids with the spirit of an entrepreneur will relate to the ups and downs Tris experiences in this book. Parents and teachers, your middle school kids will love this story.

Insightful and informative A Season in Time is a loving look back at a season for the ages **The California Golden Seals** Steve Currier,2020-10-01 Hockey has had its share of bizarre tales over the years but none compare to the fascinating story of the California Golden Seals a team that remains the benchmark for how not to run a sports franchise From 1967 to 1978 a revolving door of players apathetic owners and ridiculous marketing decisions turned the Seals originally based in Oakland into hockey s traveling circus The team lost tons of money and games cheated death more often than Evel Knievel and left behind a long trail of broken dreams Live seals were used as mascots players wore skates that were painted white on an almost daily basis and draft picks were dealt away nonchalantly like cards at a poker game The California Golden Seals examines the franchise s mismanaged but always interesting history from its ballyhooed beginnings as a minor league

champion in the 1960s to its steep slide into oblivion in the late 1970s after moving to Cleveland Through a season by season narrative Currier brings to life the Seals history with lighthearted anecdotes personal interviews and statistics about hockey's most infamous losing team
