The Pictorial History of the American Revolution Robert Sears, 1845 *A Pictorial History of the University of Iowa* John

C. Gerber, 2010-09-13 The founders of the new state of Iowa in 1847 waited only fifty nine days to charter a university Eight years later the first classes were held in a rented building still very much on the edge of the western frontier surrounded by prairie and pastureland It is difficult to imagine such a scene today compared to the University of Iowa s contemporary setting with its 26 000 students its 250 plus buildings huge medical complex performing arts campus and athletic facilities all clustered around the grand centerpiece of the Old Capitol First published in 1988 this gracefully written pictorial narrative deftly compresses the history of this distinguished institution into a readable and entertaining text enriched by an impressive selection of over 350 photographs gleaned from the university s archives Photos and text capture Iowa s major research accomplishments in space exploration medical research educational testing and the ground breaking advanced degree programs for creative work in all the arts as well as the many great moments in Hawkeye sports Also included is an account of the evolution of the institution itself of the significant teachers and administrators who guided the university s progress through world wars periods of intense social upheaval and the more tranquil years of strength and growth With an all new album of fifty color photos that both celebrate and define the last twenty years of the university s history the expanded paperback edition of this classic book is an enduring testament to the unique character of the University of Iowa its strong commitment to education research and the creative arts and its remarkable service to the state **A Pictorial History of**

Arkansas's Old State House Mary L. Kwas, 2011-04-01 Arkansas s Old State House arguably the most famous building in the state was conceived during the territorial period and has served through statehood A History of Arkansas s Old State House traces the history of the architecture and purposes of the remarkable building The history begins with Gov John Pope s ideas for a symbolic state house for Arkansas and continues through the construction years and an expansion in 1885 After years of deterioration the building was abandoned by the state government and the Old State House then became a medical school and office building Kwas traces the subsequent fight for the building s preservation on to its use today as a popular museum of Arkansas history and culture Brief biographies of secretaries of state preservationists caretakers and others are included and the book is generously illustrated with early and seldom seen photographs drawings and memorabilia
