Foundations Of Social Work Knowledge

Aaron Rosen, Enola Knisley Proctor

Foundations Of Social Work Knowledge:

Social Work Research and Evaluation Skills Frederic G. Reamer,1998 Reamer demonstrates how case workers program directors and administrators evaluate the effectiveness of interventions conduct needs assessments draw on empirically based literature and findings to inform their practice and finally create and disseminate information for use by other professionals *Evidence-based Practice in Social Work* Ian Mathews,Karin Crawford,2011-06-16 At a time when the credibility of social work is again being questioned this book offers a critical approach to the debate concerning the reliability and validity of the evidence research and knowledge that underpins professional social work practice It critiques the notion of evidence and argues that knowledge is a much broader more appropriate concept to consider There is analysis of the different components and sources of this knowledge and an exploration of the often discordant interface between practice and knowledge Finally it supports the view that knowledge can be actively developed and tested by a range of people

Skills for Using Theory in Social Work James A. Forte,2014-02-05 Using theory research evidence and experiential knowledge is a critical component of good social work This unique text is designed to help social work students and practitioners to integrate theorizing into practice demonstrating how to search for select and translate academic knowledge for practical use in helping people improve their lives and environments Presenting 32 core skills *Skills for Using Theory in Social Work* provides a conceptual foundation a vocabulary and a set of skills to aid competent social work theorizing Each chapter outlines the knowledge and action components of the skill and its relationship to core practice behaviours along with learning and reflection activities The lessons are divided into four parts Section one discusses foundational material including self identification as a theorist practitioner the deliberate use of the term theory and a social work approach to the selection of knowledge Section two focuses on the adept use of theorizing skills It covers identifying assumptions using concepts formulating propositions organizing theory elements inductively or deductively summarizing and displaying the elements of a theory gathering and organizing assessment information and communicating with clients and colleagues about tentative theories Section three includes lessons preparing social workers for the construction of useful middle range theories including causal theories and interpretive theories and for testing and sharing these practical theories Section four presents skills to develop critical thinking about theoretical knowledge These include avoiding the misuse of theory judging a theory using scientific standards judging a theory by professional standards critiquing theory in its cultural and historical context and making judgments about the likely long term impact of a theory This key text will help readers to demonstrate their expertise in reflective competent and theory informed practice It is suitable for all social work students and practitioners particularly those taking practice theory and human behaviour in the social environment courses **Indigenization Discourse in Social Work** Koustab Majumdar,Rajendra Baikady,Ashok Antony D'Souza,2023-11-09 This contributed volume provides an in depth understanding of contemporary debates discussions and insights on Indigenous social work theory

education and practice across the globe Based on theoretical and empirical perspectives authors collectively contribute to a comprehensive critical and up to date discussion about Indigenous social work theories decolonization of social work education Indigenous social work curriculum Indigenous social work practice and cultural perspectives towards enhancing Indigenous social work education and practice The key features of this book are Critical insights into the historical evolution of Indigenous social work Global debates on the westernization and indigenization of social work education An overview of Indigenous social work and its practice in diverse cultural contexts Critical perspective of Indigenous social work education and Coverage of a diverse range of geographical areas Indigenization Discourse in Social Work International Perspectives is an indispensable resource for students scholars independent researchers academicians policymakers and practitioners who are working in the field of social work especially those who are interested in Indigenous social work issues Moreover it is an invaluable text for students scholars and academicians who are interested in international social work with a special focus on Indigenous social work In addition students and scholars in sociology development studies public policy and economics working with Indigenous people and who are interested in Indigenous studies will find this book useful as an interdisciplinary reference

Social Work Values and Ethics Frederic G. Reamer, 2013-07-02 For more than a decade teachers and practitioners have turned to Frederic G Reamer's *Social Work Values and Ethics* for its comprehensive introduction to ethical decision making and practical guidance regarding professional misconduct This new edition incorporates the legal and technological realities now facing individuals in the field featuring a discussion of the ethical issues that arise from practitioner use of online services and social networking sites as well as an overview of ethical standards that protect confidential information transmitted electronically Reamer also adds a discussion on potential conflicts between ethical standards and legal guidelines and a section defining statutory law regulatory law case law and constitutional law He expands his coverage of boundary issues and dual relationships and includes new material exploring the complexities of practitioner self disclosure and the challenges of living and working within small and rural communities Revised content and case materials include an investigation into the ethics of practitioner engagement with social justice and advocacy as well as updates to the National Association of Social Workers NASW Code of Ethics Reamer compares NASW's ethics to those of other human service professions and he pursues an in depth analysis of the relevance of cultural difference to ethical dilemmas and decision making

Integrative Practice in and for Larger Systems Harold Eugene Briggs, Verlea G. Briggs, Adam C. Briggs, 2019 The work lays out the fulcrum of issues and practice considerations that require care thought in delivering ethical and sound social work practice in larger systems intended to achieve service and system effectiveness The book guides the reader in the key areas to include in planning implementing and ensuring the leadership administration and management of action packed programs and services in community based agency and interagency service collaborations

The Foundations of Social Work Knowledge Frederic G. Reamer, 1994 Leading social work educators explain the essential

components of the social work curriculum social work practice policy and services human behavior in the social environment research and evaluation field education ethics oppression and social injustice and diversity and populations at risk including ethnic minorities and people of color women lesbians and gays and people with disabilities **Work and the Workplace**
Sheila H. Akabas, Paul A. Kurzman, 2005-03-30 For more than twenty years Sheila H Akabas and Paul A Kurzman have written extensively about workers and work organizations and given leadership to the occupational social welfare movement worldwide Recognized as leaders in their field Akabas and Kurzman offer an invaluable and comprehensive look at the innovative ways in which management labor organizations government and social workers can better respond to the needs of workers their families and communities The authors consider the social psychological and economic conditions in the world of work the domino impact of unemployment upon individuals families organizations and communities and the inadequacy of insurance benefit and support systems intended to respond to personal and systematic crises They also provide case histories that illustrate how collaboration among management labor social work and government opens new options for workers their families and those seeking entry into the workplace The authors discussion provides contemporary illustrations of evidence based best practices that respond to the needs of the modern workplace They analyze the barriers to entry into the workforce the tension between work and family obligations the sometime unsupportive nature of many jobs and settings and work implications for persons with chronic or acute illnesses In the concluding chapter the authors assess current trends as they offer an optimistic review of the possibilities and positive future potential represented by career counseling pre retirement preparation disability management executive coaching manpower programming and managed care Throughout the book Akabas and Kurzman include case studies to illustrate innovative practice and provide study questions for each chapter

Encyclopedia of Social Work, 1965 *A History of AIDS Social Work in Hospitals* Barbara I Willinger, Alan Rice, 2012-11-12 Explore the in hospital evolution of social work with HIV AIDS patients *A History of AIDS Social Work in Hospitals A Daring Response to an Epidemic* presents first hand historical perspectives from frontline hospital social workers who cared for HIV AIDS patients during the epidemic s beginning in the early 1980s Contributors recount personal and clinical experiences with patients families significant others bureaucracies and systems during a time of fear challenge and extreme caution Their experiences illustrate the transformation of social work as the development of new programs and treatments increased the lifespan of HIV AIDS patients *A History of AIDS Social Work in Hospitals* portrays the nature of human suffering and teaches how clients deal with adversity and overcome devastating obstacles At the same time this book which while nonfiction reads like a novel opens a window into the world of social work providers working with an illness once considered taboo and now referred to as simply chronic *A History of AIDS Social Work in Hospitals* provides you with an easy to understand medical overview of adult and pediatric infectious diseases that often accompany HIV AIDS and examines the evolution of social work with hospitalized patients during the first twenty years of the pandemic the important roles of social

workers in New York San Francisco Philadelphia and South Carolina challenges that resulted from improved medications and longer life expectancy the status of current HIV AIDS care programs the development of HIV AIDS case management in emergency room settings the benefits of developing custody planning programs for HIV infected families the challenges of working with perinatally infected adolescents With case studies and thoughtful analysis of the history of city state and national case management responses to the AIDS crisis *A History of AIDS Social Work in Hospitals* is a valuable book for educators students historians beginning mental health practitioners social workers case managers substance abuse counselors and anyone interested in stories of human courage Make it part of your collection today Developing Practice Guidelines for Social Work Intervention Aaron Rosen,Enola Knisley Proctor,2003 And efficiency in practice Science and Social Work Stuart A. Kirk,William James Reid,2002 Historically there have been two main approaches to the proper role and function of science in social work This work presents a balanced appraisal demonstrating how the fruits of scientific research can aid clinical practice Social Administration Roger A. Lohmann,Nancy Lohmann,2002 Encompassing management approaches such as Theory Z and research of nonprofit studies this book addresses ways in which skills and activities of social administration can further social work practice in the areas of social justice confronting oppression *Mental Health Work In The Community* Michael Sheppard,2004-01-14 A presentation of a comparative analysis of the work of mental health social workers and community psychiatric nurses an issue of importance because of community care and also important as much of their work territory overlaps The findings are more favourable to social workers **Handbook of Social Work in Health and Aging** Barbara Berkman,2006-02-09 The Handbook of Social Work in Health and Aging is the first reference to combine the fields of health care aging and social work in a single authoritative volume These areas are too often treated as discrete entities while the reality is that all social workers deal with issues in health and aging on a daily basis regardless of practice specialization As the baby boomers age the impact on practice in health and aging will be dramatic and social workers need more specialized knowledge about aging health care and the resources available to best serve older adults and their families The volume s 102 original chapters and 13 overviews written by the most experienced and prominent gerontological health care scholars in the United States and across the world provide social work practitioners and educators with up to date knowledge of evidence based practice guidelines for effectively assessing and treating older adults and their families new models for intervention in both community based practice and institutional care and knowledge of significant policy and research issues in health and aging A truly monumental resource this handbook represents the best research on health and aging available to social workers today **Transnational Social Work** Allen Bartley,Liz Beddoe,2018-02-07 This unique book provides an international comparison of labour markets migrant professionals and immigration policies and their interaction in relation to social work Case studies based on the latest research from the UK Ireland Canada New Zealand and Australia allow readers to make critical comparisons and gain understanding of the global nature of the social

work profession Detailed analysis covers the opportunities and challenges presented by labour market mobility the implications for social justice and discussion of the experiences and perceptions of transnational social workers Essential reading for social work educators academics and professionals this book will also inform the development of relevant policy professional and educational responses to the phenomenon of transnational social work mobility **Global Social Work** Gina Chowa,2024-07-31 The essential skills based guide for navigating global social work and ethical practice A comprehensive guide for global practitioners this text challenges unfettered adaptations of Eurocentric approaches and equips social workers with essential skills for effective context specific global practice throughout the lifespan Integrating insights from both the Global South and North it fosters a robust knowledge base emphasizing using self to promote the wellbeing of the populations that social workers work with This book is a crucial resource for both classroom learning and fieldwork The text covers competencies practice methods theory and research for global social work with diverse populations It encourages observation and modeling of roles at micro mezzo and macro levels preparing students to implement locally driven solutions and amplify marginalized voices Addressing sustainability in resource limited contexts it provides strategies for stakeholder engagement and cross sectoral approaches Learning is reinforced through review questions skills related exercises and application challenges throughout the chapters Spotlight boxes toolkits and case studies also strengthen understanding of global social work and navigating ethical challenges Key Features Defines the parameters of global social work Explores cultural participatory methods to engage diverse populations Tackles theories ethical dilemmas and reflexivity in global social work Evaluates theoretical frameworks from both Global North and Global South perspectives Develops a toolkit for culturally competent practice Provides frameworks for self awareness cultural competence locally driven development capacity building and cross sectoral social work Builds competencies for navigating ethical tensions related to poverty oppression discrimination social justice and diversity Social Work and Social Welfare Marla Berg-Weger,2010 Like the first edition of Social Work and Social Welfare An Invitation this edition introduces students to the knowledge skills and values that are essential for working with individuals families groups organizations and communities in a variety of practice settings With updated demographic statistical legislative policy and research information sensitive discussions of contemporary ethical issues and new first person narratives from social workers in a variety of fields the second edition provides an up to date profile of the world in which today s social workers practice At www.routledgesw.com intro you will find a wealth of resources to help you create a dynamic experiential introduction to social work for your students *Social Work Practice with Immigrants and Refugees* Pallassana R. Balgopal,2000 Includes statistics **Social Work Research in Practice** Heather D'Cruz,Martyn Jones,2013-10-10 This new edition of Social Work Research in Practice Ethical and Political Contexts explores the intrinsic connection between knowledge research and practice in social work The authors argue that through a better appreciation of research the highest standards of social work can be achieved The second edition

investigates contemporary approaches which impact on the discourses of social work research including Evidence based practice User led research Anti oppressive practice Practice based research Each chapter has been fully updated with a rich range of case examples and references Further reading is also included so that readers can expand their knowledge This book is a valuable resource for both undergraduate and postgraduate students as well as practitioners working in the field of social work Heather D Cruz works as a Consultant Research and Professional Education Martyn Jones is Associate Dean at RMIT University
