Four Gospels And The Revelation:

The Four Gospels and the Revelation ,1979 The 4 Gospels of Jesus Christ Larry Jaggard,2017-06-13 Nearly everything we know about the life and ministry of Jesus comes from the Bible s four Gospel books Matthew Mark Luke and John The Gospels existed in oral tradition in the young Christian communities for some time before they were finally set in written form As the eyewitnesses to the events of Jesus life began to pass away in the latter part of the first century it probably became more urgent that these events be preserved in writing The Bible s New Testament which includes these four Gospels was originally written entirely in Greek the common language of the Mediterranean lands in Roman times The first of the Gospels was probably Mark written around 70 A D about 40 years after Jesus was crucified Matthew and Luke were written between 80 and 90 A D Finally The Gospel of John appeared in its final form around 95 A D All four Gospels are anonymous in the sense that none includes the author s name The traditional names Matthew Mark Luke and John did not become associated with these writings until the second century In the early centuries of Christianity our four Gospels coexisted with a number of other Christian writings many of which have not been preserved Finally the Synod of Carthage adopted the present twenty seven New Testament books including the four Gospels as the canon of the New Testament in the year 397 The Gospels of Matthew Mark and Luke are known as the Synoptic Gospels because they are strikingly similar Bible scholars believe the authors of Matthew and Luke were aware of the Gospel of Mark and incorporated much of it in their own writings along with material from another common source that has not been preserved plus unique material of their own Includes the Book of Daniels and the Revelation of John the Devine The scriptures are in the King James Version The Fourth Gospel in Four Dimensions D. Moody Smith, Jr.,2021-04-28 Compelling perspectives on the Gospel of John from a premiere scholar of the subject This multidimensional volume from the leading American scholar of Johannine studies brings together D Moody Smith s germinal works from the past two decades along with some original articles published here for the first time The resulting collection augments current understanding of the Gospel of John with fresh insights and research and points the way toward opportunities for new inquiry The collection is structured around four focal issues that define contemporary studies of John In the first section Smith places the book within its Jewish milieu attempting to account for the tension between the work s seeming anti Jewishness and its familiarity with Jewish life and thought Next Smith engages the relationship between John and the historical figure of Jesus especially the extent to which John s representation of Jesus reflects knowledge of independent traditions as well as the self consciousness of his own community The third section examines John s account against the Synoptic Gospels assessing the evidence of John s access to an independent record of the passion and the possibility that John adopted the gospel genre from Mark Finally Smith explores how the Gospels and especially that of John evolved into scripture and how they have come to be interpreted in conjunction with one another

The Theology of the Four Gospels Mel Shoemaker,2011-10 Biblical theology is the discovery and development of doctrine

as found and emphasized by a specific book of the Bible Instead of beginning with a subject and then searching the scriptures broadly to assemble what may be relevant and illuminate one's understanding of that specific topic biblical theology starts with a particular author and focuses upon a specific scriptural unit The objective is to let the Bible speak for itself and discover what the original writer's wanted readers or those listening to the reading to understand Therefore New Testament biblical theology assists the student in understanding the distinctive doctrinal enrichment each book in the Christian canon brings to the collection of authoritative literature The Theology of the Four Gospels is designed to engage an individual or group in a fresh study of the teachings of Jesus and the distinctive perspectives of the Four Evangelists Matthew Mark Luke and John Even though everyone participating in the study is examining the same literature the conclusions may vary widely which may contribute to a very fruitful discussion Why should one anticipate a variety of interpretations Each person comes to the study of the Bible with prior opinions judgments and beliefs These presuppositions have been formed by our culture e.g. ethnicity political social economic and religious background critical knowledge educational background in history literature language natural abilities life experiences and age and character moral values belief in the supernatural human immortality accountability rational choices and spiritual maturity This is the goal to let the Four Gospels speak for themselves The theological outcome may be tentative and provisional however the reader or student becomes engaged in the process of building a sound personal theology and a steadfast living faith in Jesus Christ

The Four Gospel & The Great Commission THOMAS HWANG, 2021-07-27 I hope that through this book the readers will have developed a larger perspective with which to view the Old Testament and New Testament as a single great flow and to connect the Four Gospels with the rest of the books in the Bible At the same time I hope this book will have provided the opportunity to view each of the events in the Gospels in a detailed even microscopic way To this end I earnestly hope that God will grant the readers wisdom understanding knowledge and insight Ex 31:3 Prov 3:13 Isa 11:1-2 I hope all of us will obey the will of God contained in His Purpose of Creation Great Commandment and Great Commission and that we may have the same vision that Paul confessed right before his martyrdom I have fought the good fight I have finished the race I have kept the faith Now there is in store for me the crown of righteousness which the Lord the righteous Judge will award to me on that day and not only to me but also to all who have longed for his appearing 2 Tim 4:7-8 Amen

A Prologue to Studies in the Fourth Gospel Riku P. Tuppurainen, 2021-05-25 The Fourth Gospel both blesses and betrays It blesses readers who engage with its message but it may betray those who read it nonchalantly The notion that the Fourth Gospel is easy to understand is an enduring myth This volume takes readers on a heuristic journey to discover the Fourth Gospel's unique theological aspects problematic historical matters inimitable literary features and various interpretive approaches using an accessible format and easy to read language The purpose of this publication is to enable readers to appreciate the Fourth Gospel's wide

horizon so necessary to understand its narratives in their historical and narrative contexts Like the prologue of the Fourth Gospel that introduces and gives perspective on how readers should approach the rest of the Gospel similarly this volume introduces and gives perspective to studies in the Fourth Gospel The text is divided into three parts which examine its independent theology and argumentation various outstanding issues and its interpretation respectively This volume is suitable for a wide readership from Bible study groups to pastors and from undergraduate to graduate students **The Greek Testament: The Four Gospels, and the Acts of the Apostles** William Francis Wilkinson, William Webster, 1855

Why Four Gospels? A. W. Pink, 2017-11-14 Why does the New Testament contain four Gospels four different accounts of the same Man And don't the Gospels contradict one another Masterful Bible teacher Arthur Pink explains how the four Gospels do not contradict but rather collaborate in order to provide us with a deeper multifaceted description of the person of Jesus Christ In Matthew we see Jesus as Messiah and King of the Jews In Mark we are introduced to the Servant of Jehovah In Luke we see the human Jesus as the Son of Man Adam's descendant Finally in John we thrill to the supernatural Jesus who is undoubtedly the Son of God No believer can truly know Jesus without having an understanding of the four distinct roles He fulfilled in His time on earth Pink's in depth look at the four Gospels will boost your faith and bring you ever closer to a Savior who is fully human fully divine and above everything Lord of all **The Four Gospels on Sunday** Gordon W.
