A Harmony Or Synoptical Arrangement of the Gospels Lant Carpenter, 1835 *A harmony or synoptical arrangement of the Gospels, with dissertations, notes, and tables, by L. Carpenter* Lant Carpenter, 1835 **The Single Gospel** Neil Averitt, 2015-09-17 The life of Jesus is at the heart of the Christian faith and is one of the great works of Western literature This book presents the story in a new form more accessible than ever before It weaves the four separate gospel accounts into one continuous story And it presents the story in a new translation traditional but clear Here the reader can find the episodes laid out in an understandable narrative sequence The nativity at Bethlehem is followed by the visit of the wise men And for each scene the rich details are collected from all the gospel accounts giving a complete picture of complex events like the Sermon on the Mount or Jesus climactic encounter with Pilate The new language is clear as well It is traditional scripture inconspicuously updated for modern readers supplemented with contemporary language for difficult concepts and using the grand and familiar language of the King James where appropriate Low key explanations fill in the details Short footnotes explain the key concepts and longer endnotes provide additional depth This book opens the gospels to everyone Christians who want to better understand their faith and general readers who want to rediscover a great work of literature *British Museum* British Museum (London), 1883 *A Harmony of the Gospels for Historical Study* William Arnold Stevens, Ernest DeWitt Burton, 1893 The New Testament, tr., and the four Gospels arranged in a harmony, with notes. By W. Thomson, 1816 The Life of Jesus: The Gospel Harmonized into One Narrative Richard L Wright, 2024-02-08 This book is a synthetic harmony of the gospels One writer s words are inserted into another writer s narrative to produce a longer narrative with more details that is not exactly like either writer s original story The result is a single story of the life of Jesus The focus is on the narrative so verse markings are only in section headings because they can be distracting The words of each gospel are given in a different font so that the reader can see where each piece of text comes from without much distraction Only minor footnotes are used to describe ancient measurements or give the Old Testament reference for quotes The Bible text is from the World English Bible *Dissertations Upon the Principles and Arrangement of a Harmony of the Gospels* Edward Greswell, 1830 *The Sword and the trowel; ed. by C.H.
