The Bible Made Impossible Christian Smith,2012-08-01 Biblicism an approach to the Bible common among some American evangelicals emphasizes together the Bible s exclusive authority infallibility clarity self sufficiency internal consistency self evident meaning and universal applicability Acclaimed sociologist Christian Smith argues that this approach is misguided and unable to live up to its own claims If evangelical biblicism worked as its proponents say it should there would not be the vast variety of interpretive differences that biblicists themselves reach when they actually read and interpret the Bible Far from challenging the inspiration and authority of Scripture Smith critiques a particular rendering of it encouraging evangelicals to seek a more responsible coherent and defensible approach to biblical authority This important book has generated lively discussion and debate The paperback edition adds a new chapter responding to the conversation that the cloth edition has sparked

Predestination Greg Kame,2021-03-11 The doctrine of predestination is an important starting point for the study of Christian theology thought from a Reformed theological perspective This doctrine is essential because it is one of the central themes from the Bible that has been the reason for many debates among many theologians in the history of the church Despite the different views held by mainline Protestant theologians like Martin Luther John Calvin and Jacobus Arminius this book points to Scripture as the basis for Reformed soteriology It uses the tools of biblical interpretation to show how the entire Bible addresses the doctrine of predestination so that theology students pastors Bible teachers and anyone interested in Christian theology will better understand predestination from a Reformed perspective toward an effective ministry today

WALK HUMBLY WITH YOUR GOD Edward D. Andrews,2016-08-02 **Paul s Spirituality in Galatians** P. Adam McClendon,2015-03-25 Spirituality is a hot topic in today s culture Spirituality is essentially how one s beliefs and experiences influence the way one lives their life Such influences for living are of critical importance to one s faith within the Christian community What role does the Bible play in developing an expressed spirituality among the Christian community

How do one's religious traditions, cultural influences, and personal preferences influence the way Christian spirituality is perceived and expressed? All too often, and at times unintentionally, the foundational truths of the Bible are subordinated to tradition, culture, and personal preference. This book provides a context for understanding Paul's foundational components for Christian spirituality within the book of Galatians while showing how an accurate understanding of these components can and should serve as a corrective lens to various aspects of Christian spirituality as expressed and experienced today.

CRISIS OF FAITH Edward D. Andrews, 2015-11-15 Inside of some Christians unbeknownst to their family, friends, or congregation, they are screaming, "I doubt, I doubt, I have very grave doubts." OURS is an age of doubt. Skepticism has become fashionable. We are urged to question everything, especially the existence of God and the truthfulness of His Word, the Bible. A half brother of Jesus warned us against doubting; the one who doubts is like a wave of the sea that is driven and tossed by the wind. Jam 1:6 When insidious doubts begin to creep into the mind and the heart, it is only a matter of time before a CRISIS OF FAITH gives way to spiritual shipwreck. Since we have been warned that some will fall away from the faith, we should be ready to save some, even ourselves. In **CRISIS OF FAITH**, Edward D. Andrews guides us in how one can be restored to the faith through an accurate knowledge that gives the facts on which to rebuild one's faith. Confidence can be restored in this world beset by doubts. We can help ourselves or others once again to make the Word of God their own. **CRISIS IN FAITH** assures us that the Bible truly is from God. Those who have doubts need to have their questions answered, and this book will fill the need for honest-hearted persons who sincerely want to know. **40 Questions About Arminianism** J. Matthew Pinson, 2022-04-19

The actual life and teaching of Jacobus Arminius are often unknown or misunderstood across many Protestant traditions. Answers beyond a basic caricature can be elusive. What are the essential historical backgrounds of Arminianism, and what theological teachings connect to the Arminian point of view? Mixing solid historical research with biblical and doctrinal precision, Baptist scholar J. Matthew Pinson clarifies the foundations of this influential tradition. **40 Questions About Arminianism** addresses the following questions and more: Who was Jacobus Arminius? How has the church interpreted God's desire that everyone be saved? How is Arminianism different from Calvinism? Can one be both Reformed and Arminian? What is universal enabling grace? What do Arminians mean by free will? Do Arminians believe that God predestines individuals to salvation? Is it possible for a Christian to apostatize? An accessible question-and-answer format helps readers pursue the issues that interest them most and encourages a broad understanding of historic and contemporary Arminianism, with additional resources available at 40questions.net.

Driven by God Jae-Eun Park, 2018-10-01 For more than two millennia, believers have struggled with the antinomy of God's absolute sovereignty over and man's ultimate responsibility in justification and sanctification. Theologians have used some version of the terms active justification and definitive sanctification in an attempt to illuminate this mystery. However, in the past decade, scholars have begun to criticize these concepts, saying that they are unsupported in Scripture, lead to theological confusion, and are of no practical benefit to believers. Through the work of

theologians from the broader Dutch Reformed tradition especially Herman Bavinck Alexander Comrie Herman Witsius and Abraham Kuyper Jae Eun Park demonstrates that the terms active justification and definitive sanctification are derived from Scripture and serve to clarify not obscure the doctrines of justification and sanctification In addition the book shows that neglect misuse or misunderstanding of the terms have resulted in contemporary criticisms that are unconvincing and unfounded Writings of the aforementioned theologians define and expound four characteristics held in common between active justification and definitive sanctification i e inseparability objectivity and decisiveness Christ centeredness and God s absolute sovereignty concepts of the mentioned theologians All four characteristics of active justification and definitive sanctification emphasize the God driven nature of salvation Jae Eun Park explains how when properly defined and presented the two terms are important theologically bringing clarity to the issue of the perfect balance between God s sovereignty and human responsibility in salvation He also shows how active justification and definitive sanctification offers practical assurance of their perseverance unto glory to true believers and provides pastors with an invaluable tool for exhorting parishioners who may have lapsed into either triumphalism or defeatism *The Christian Delusion* John W. Loftus,2010 In this anthology of recent criticisms aimed at the reasonableness of Christian belief former evangelical minister and apologist Loftus has assembled fifteen outstanding articles by leading skeptics expanding on themes introduced in Loftus first book
