Fourth Ezra:

Fourth Ezra Michael E. Stone, 1990 Of view on literary unity The overall meaning The overall meaning in previous scholarship Gunkel Brandenburger and Harnisch Structural aspects of development in version 1 3 The way of the most high and Ezra s development Our approach Our analysis of the significance of the framework Development inherent in formal structures Structural indications of pivotal positions of vision 4 Structural elements of the dream visions Structural indications in vision 7 Conclusions from structure Ezra Ezra and the angel Brandenburger and Harnisch What happened to Ezra Ezra s conversion The odyssey of Ezra s soul Ezra and revelation Accounting for vision 7 Ezra as prophet and the end of the times The end of the times and esoteric revelations Vision 7 and revealed knowledge Vision 7 as revelation of exoteric knowledge The central theme of 4 Ezra The message of the book pt 5 4 Ezra in Jewish literature An apocalypse The figure of Ezra 4 Ezra and known Jewish groups or sects **4 Ezra and 2 Baruch** Michael E Stone, Matthias Henze, 2013-11-01 Fresh translations of early Jewish texts 4 Ezra and 2 Baruch written in the decades after the Judean War which saw Jerusalem conquered the temple destroyed and Judaism changed forever This handy volume makes these two important texts accessible to students provides expert introductions and illuminates the interrelationship of the texts through parallel columns **The Antecedents of Antichrist** L. J. Lietaert Peerbolte, 1996 This monograph discusses the rich variety of early Christian speculations on eschatological opponents as well as the Jewish roots of these speculations showing both the continuity and the discontinuity between early Christianity and contemporary Judaism Introducing the Pseudepigrapha of Second Temple Judaism Daniel M. Gurtner, 2020-11-17 2020 Center for Biblical Studies Book Award Reference Works This book introduces readers to a much neglected and misunderstood assortment of Jewish writings from around the time of the New Testament Dispelling mistaken notions of falsely attributed writings that are commonly inferred from the designation pseudepigrapha Daniel Gurtner demonstrates the rich indebtedness these works exhibit to the traditions and scriptures of Israel s past In surveying many of the most important works Introducing the Pseudepigrapha of Second Temple Judaism shows how the pseudepigrapha are best appreciated in their own varied contexts rather than as mere background to early Christianity or emerging rabbinic Judaism Foreword by Loren T Stuckenbruck **The Apocalyptic Imagination** John J. Collins, 1998-03-26 The Apocalyptic Imagination by John Collins is one of the most widely praised studies of Jewish apocalyptic literature ever written This second edition represents a complete rewriting and a new chapter on the Dead Sea Scrolls h *The Epistle of Barnabas and the Deuteronomic Tradition* James N. Rhodes, 2004 Revision of the author s thesis Ph D Catholic University of America Washington D C 2003 *“A” History of the Jewish People in the Time of Jesus Christ* Emil Schürer, 1901 **The Origin and Persistence of Evil in Galatians** Tyler A. Stewart, 2022-02-25 Was Paul s view of evil based on Adam s fall or a mere reflex of Christology Tyler A Stewart argues that in Galatians Paul s thoughts about where evil comes from and why it continues are not based on Adam s fall as the background story but rather the rebellion of

angels Page 4 of printed paper wrapper **Annihilation Or Renewal?** Mark B. Stephens, 2011 Slightly rev version of the author's thesis Ph D Macquarie University 2009 *Redeemed from the Curse* Hyun-Gwang Kim, 2023-06-06 Are the gentiles under the law in Paul This question has three possible answers 1 Paul understands that gentiles are not under the law because they do not have the law 2 conversely and although it appears to be ironic Paul puts gentiles under the law even though he acknowledges that they do not have the law or 3 he reveals his confusion concerning the relationship between the law and gentiles by saying gentiles are under the law in one place and then saying gentiles are without the law in another place This book investigates the literature of Second Temple Judaism and the Greco Roman world to uncover the possible background of Paul's understanding of law and its relationship to the gentiles This book then engages in exegetical studies on key texts of Paul relative to the law and gentiles by way of historical grammatical research The thesis of this book is that although Paul acknowledges gentiles to be without the law Rom 2 14 and Israel as having the law as her privilege Rom 9 4 Paul paradoxically places gentiles along with Jews under the law which gentiles never possessed For Paul gentiles not having the law are under the law and its curse Christ's sacrificial death on the cross redeemed Jews and gentiles from the curse of law **The Embroidered Bible: Studies in Biblical Apocrypha and Pseudepigrapha in Honour of Michael E. Stone** Lorenzo DiTommaso, Matthias Henze, William Adler, 2017-11-27 This Festschrift contains forty one original essays and six tribute papers in honour of Michael E Stone Gail Levin de Nur Professor Emeritus of Religious Studies and Professor Emeritus of Armenian Studies at the Hebrew University of Jerusalem The volume's main theme is Old Testament Pseudepigrapha envisioned in its broadest sense apocryphal texts traditions and themes from the Second Temple period to the High Middle Ages in Judaism Christianity and to a lesser extent Islam Most essays present new or understudied texts based on fresh manuscript evidence the others are thematic in approach The volume's scope and focus reflect those of Professor Stone's scholarship without a special emphasis on Armenian studies **The Identities of the Beast from the Sea and the Beast from the Land in Revelation 13** Joseph Poon, 2017-03-13 This book aims to identify the beast from the sea and the beast from the land in Revelation 13 by studying their unique link together with the dragon in Revelation 12 the land beast is subordinate to the sea beast which in turn is subordinate to the dragon The early sections of the book provide a review of previous scholarship the influence of Daniel 7 in understanding Revelation 13 and the Leviathan Behemoth motif in several apocalyptic writings The core of the book however seeks to demonstrate that the relationship of the two beasts and the dragon fits well with the tripartite hierarchy that Georges Dumézil has discovered as one of the dominant structures of relationships in Indo European mythological traditions In congruence with the criteria of the three hierarchical levels in Dumézil's system the dragon concerns the ultimate sovereignty in a supernatural sphere while the sea beast and land beast are found respectively as a warlike figure in a war context and as a figure relating to the economic theme Based on this finding the book concludes that the two beasts represent the imperial power and the imperial cult as most commentators

believe **The Apocalyptic Son of Man in the Gospel of John** Benjamin E. Reynolds, 2008 The title Son of Man in the Gospel of John is an apocalyptic reference that highlights among a number of things that Jesus is a heavenly figure Benjamin E Reynolds analyzes the background of Son of Man from the one like a son of man in Daniel 7 and the interpretations of this figure in Jewish apocalyptic and early Christian literature Although there is no established Son of Man concept the Danielic son of man is interpreted with common characteristics that suggest there was at least some general understanding of this figure in the Second Temple period The author shows that these common characteristics are noticeable throughout the Son of Man sayings in John's Gospel The context and the interpretation of these sayings point to an understanding of the Johannine Son of Man similar to those in the interpretations of the Danielic figure However even though these similarities exist the Johannine figure is distinct from the previous interpretations just as they are distinct from one another One obvious difference is the present reality of the Son of Man's role in judgment and salvation The Johannine Son of Man is an apocalyptic figure and thus Son of Man does not function to draw attention to Jesus humanity in the Gospel of John Nor is the title synonymous with Son of God Son of Man may overlap in meaning with other titles particularly Son of God and Messiah but Son of Man points to aspects of Jesus identity that are not indicated by any other title Along with the other titles it helps to present a richer Christological portrait of the Johannine Jesus Heavenly Imagery and Symbolism in Matthew's Gospel Daehoon Kang, 2023-11-21 The present study explores the role of heavenly imagery and symbolism in the Gospel of Matthew Historical background and narrative criticism are my main methods because the Old Testament and Second Temple Jewish texts form the historical backgrounds for the understanding of Matthew's heaven and Matthew uses heavenly imagery and symbolism to highlight his main themes in the gospel as a whole This study investigates Matthew's distinctive materials and important texts having to do with heaven exploring their meanings and establishing their roles in each narrative section Matthew describes heaven as the space where certain events reveal God's plan of salvation Heaven is associated with such key matters as revelation and judgment Each major discourse of Matthew focuses on heavenly imagery with judgment at its end culminating in the parable of the sheep and the goats Matt 25:31-46 **The Figure of Adam in Romans 5 and 1 Corinthians 15** Felipe De Jesus Legarreta-Castillo, 2014 It is widely recognized that in some of his letters Paul develops a Christology based on a comparison between Adam and Christ and that this Christology has antecedents in Jewish interpretation of Genesis 1:4 Felipe Legarreta gives careful attention to patterns of exegesis in Second Temple Judaism and identifies for the first time a number of motifs by which Jews drew ethical implications from the story of Adam and his expulsion from Eden He then demonstrates that throughout the Christological passages in Romans and 1 Corinthians Paul is taking part in a wider Jewish exegetical and ethical discussion regarding life in the new creation *The Jewish Apocalyptic Heritage in Early Christianity, Volume 4* James C. VanderKam, William Adler, 1996-12-07 The question of apocalyptic influence on Jesus and early Christianity is again strongly contested The issues connected with this question include

terminology genre historical reconstruction sectarian self definition and many others This book provides a fresh assessment of the nature and significance of early Christian appropriation of Jewish apocalyptic material **Apocalypse, Prophecy, and Pseudepigraphy** John J. Collins, 2015 A highly regarded expert on the Jewish apocalyptic tradition John J Collins has written extensively on the subject Nineteen of his essays written over the last fifteen years including previously unpublished contributions are brought together for the first time in this volume Its thematic essays organized in five sections Apocalypse Prophecy and Pseudepigraphy complements and enriches Collins s well known book The Apocalyptic Imagination The Origins and Early Development of the Antichrist Myth Gregory C. Jenks, 2011-05-02 Die Reihe Beihefte zur Zeitschrift für die neutestamentliche Wissenschaft BZNW ist eine der besten und renommiertesten internationalen Buchreihen zur neutestamentlichen Wissenschaft Seit 1923 publiziert sie wegweisende Forschungsarbeiten zum frühen Christentum und angrenzenden Themengebieten Die Reihe ist historisch kritisch verankert und steht neuen methodischen Ansätzen die unser Verständnis des Neuen Testaments befördern gleichfalls offen gegenüber **City of Demons** Dayna S. Kalleres, 2015-10-13 Although it would appear in studies of late antique ecclesiastical authority and power that scholars have covered everything an important aspect of the urban bishop has long been neglected his role as demonologist and exorcist When the emperor Constantine made Christianity the official religion of the realm bishops and priests everywhere struggled to Christianize the urban spaces still dominated by Greco Roman monuments and festivals During this period of upheaval when congregants seemingly attended everything but their own orthodox church many ecclesiastical leaders began simultaneously to promote aggressive and insidious depictions of the demonic In *City of Demons* Dayna S Kalleres investigates this developing discourse and the church sponsored rituals that went along with it showing how shifting ecclesiastical demonologies and evolving practices of exorcism profoundly shaped Christian life in the fourth century A Jewish Apocalyptic Framework of Eschatology in the Epistle to the Hebrews Jihye Lee, 2021-11-18 In contrast to scholarly belief that the author of the Epistle to the Hebrews envisions the transcendent heavenly world as the eschatological inheritance of God s people Jihye Lee argues that a version of an Urzeit Endzeit eschatological framework as observed in some Jewish apocalyptic texts provides a plausible background against which the arguments of Hebrews are most comprehensively explained Instead of transcendence to the heavenly world that will come after the destruction of the shakable creation Lee suggests the possibility of a more dualistic new world By first defining Urzeit Endzeit eschatology Lee is then able to explore its place in both pre and post 70 CE Second Temple Judaism In examining Enoch the Qumran Texts Jubilees the Liber Antiquitatum Biblicarum 4 Ezra and 2 Baruch and finally the Book of Revelation Lee compares a multitude of eschatological visions and the different depictions of the transformation of the world judgement and the new world to come Bringing these texts together to analyse the issue of God s Rest in Hebrews and the nature of the Unshakable Kingdom Lee concludes that Hebrews envisions the kingdom as consisting of both the revealed heavenly world and the renewed creation as the eschatological venue of God s
