Frail Man:

The Sissification of America's Young Men Matt Guedes,2021-10-20 We are living in a new era in the United States of America Part of what comes with this new territory is the result of a very intentionally played long game that has worked for over sixty years to bring about these changes Those who have worked so hard to change manhood and masculinity have done so with no regard at all for God or His plan These organizations and their members have been relentless in their pursuit of removing God and His plan from our society The long game has been played to perfection and now we who love the Lord and His design for man must make changes in order to take back the ground which has been stolen We must be willing to do so with a WIT whatever it takes mentality because the cost has been way too high Before another generation of boys grow up without understanding what real manhood and masculinity are supposed to look like we who love the Lord and America must stand In this great read Matt lays out the problem and how we got here He gives you an assessment that must come before the fix He then demonstrates the correction that is necessary to reverse the current state of affairs Lastly Matt walks through the reality of biblical manhood

F.'S STORY YUSUF DEMİR,2024-10-19 When the protagonist of this book opened their eyes in a town they didn t recognize feeling as lost as a fish out of water they were uncertain about which path to take The character s name could have been any name ever invented but to leave this possibility open we decided to represent them with just one letter F F doesn t know where they came from all they know is that they are about to embark on an unknown journey These two unknowns initially preoccupied F s mind intensely but the ordinary busyness of daily life seemed to dull this intensity somewhat F is a person strong enough to be well intentioned but they lack the strength and courage to put their good intentions into practice F is aware of this This ironic state of mind causes them to fail almost every

test of their good intentions This greatly disturbs F and at one point they vow to eliminate the disproportion between their ideals and their actions no matter what they will act as their ideals dictate Will F be able to achieve this We don t know for sure but we sincerely hope so
