page index **Focus On: 100 Most Popular French-language Films** Wikipedia contributors, **Close-up on Sunset Boulevard** Sam Staggs, 2003-02-04 Billy Wilder's *Sunset Boulevard* a classic film noir and also a damning dissection of the Hollywood dream factory evokes the glamour and ruin of the stars who subsist on that dream. It's also one long in-joke about the movie industry and those who made it great and who were in turn destroyed by it. One of the most critically admired films of the twentieth century, *Sunset Boulevard* is also famous as silent star Gloria Swanson's comeback picture. Sam Staggs's *Close Up On Sunset Boulevard* tells the story of this extravagant work from the writing, casting and filming to the disastrous previews that made Paramount consider shelving it. It's about the writing team of Billy Wilder and Charles Brackett, sardonically called the happiest couple in Hollywood and their raucous professional relationship. It's about the art direction and the sets, the costumes, the props, the lights and the cameras and the personalities who used those tools to create a cinematic work of art. Staggs goes behind the scenes to reveal William Holden endlessly attacked by his bitter wife and already drinking too much, Nancy Olson the cheerful ingenue who had never heard of the great Gloria Swanson, the dark genius Erich von Stroheim the once famous but long forgotten *Waxworks* and of course Swanson herself who just like Norma Desmond had once been the greatest star of them all. But the story of *Sunset Boulevard* doesn't end with the movie's success and acclaim at its release in 1950. There's much more and Staggs layers this stylish book with fascinating detail following the actors and Wilder into their post-*Sunset* careers and revealing Gloria Swanson's never-ending struggle to free herself from the clutches of Norma Desmond. *Close Up On Sunset Boulevard* also chronicles the making of Andrew Lloyd Webber's musical production of *Sunset Boulevard* and the explosive diva controversies that dogged it. The book ends with a shocking example of Hollywood life imitating Hollywood art. By the last page of this rich narrative, readers will conclude: We are those wonderful people out there in the dark.

William Faulkner at Twentieth Century-Fox Sarah Gleeson-White, 2017-02-15 *William Faulkner at Twentieth Century Fox: The Annotated Screenplays* presents for the first time and in one volume the five screenplays Faulkner wrote while under contract to Twentieth Century Fox in the mid 1930s and a sixth he wrote in 1952. An informative introduction describes Faulkner's screenwriting practices such as adaptation and collaboration and contextualizes these within a broader genealogy of Hollywood screenwriting and within one of the most important moments in the history of American cinema. Each of the six screenplays appears in full with scholarly annotations and brief prefatory essays elucidate their evolution over various drafts and with various co-writers. The edition makes available for the first time and in one volume Faulkner's Fox screenwritings and with its scholarly apparatus thus makes a valuable contribution to recent scholarship across a number of fields: Faulkner and film literature and film adaptation studies, cinematic modernism and screenplay studies. It also foregrounds Faulkner's many significant collaborators such as Zanuck and Howard Hawks and therefore makes an important contribution to the history of Twentieth Century Fox under Zanuck.

Women in Film Noir E. Ann Kaplan, 2019-07-25 The first edition of *Women in Film Noir* 1978 assembled a group of scholars and critics committed to

understanding the cinema in terms of gender sexuality politics psychoanalysis and semiotics This edition is expanded to include further essays which reflect the renewed interest in Film Noir Exploring neo noir postmodernism and other contemporary trends new essays offer readings of among others *Bound* and *Basic Instinct* broadening the scope of the book to include questions of race and homosexuality **J.S. Bach** George B. Stauffer,2024 *Wealth and Poverty in Jewish Tradition* Leonard J. Greenspoon,2015-10-15 Economic inequity is an issue of worldwide concern in the twenty first century Although these issues have not troubled all people at all times they are nonetheless not new Thus it is not surprising that Judaism has developed many perspectives theoretical and practical to explain and ameliorate the circumstances that produce serious economic disparity This volume offers an accessible collection of articles that deal comprehensively with this phenomenon from a variety of approaches and perspectives Within this framework the fourteen authors who contributed to *Wealth and Poverty in Jewish Tradition* bring a formidable array of experience and insight to uncover interconnected threads of conversation and activities that characterize Jewish thought and action Among the questions raised for which there are frequently multiple responses Is the giving of tzedakah generally although imprecisely translated as charity a command or an impulse Does the Jewish tradition give priority to the donor or to the recipient To what degree is charity a communal responsibility Is there something inherently ennobling or conversely debasing about being poor How have basic concepts about wealth and poverty evolved from biblical through rabbinic and medieval sources until the modern period What are some specific historical events that demonstrate either marked success or bitter failure And finally are there some relevant concepts and practices that are distinctively if not uniquely Jewish It is a singular strength of this collection that appropriate attention is given in a style that is both accessible and authoritative to the vast and multiform conversations that are recorded in the Talmud and other foundational documents of rabbinic Judaism Moreover perceptive analysis is not limited to the past but also helps us to comprehend circumstances among todays Jews It is equally valuable that these authors are attuned to the differences between aspirations and the realities in which actual people have lived **The Gatekeeper** Alfred R. Schneider,2001-03-01 From 1960 to 1990 Alfred R Schneider served as head of standards and practices or chief censors for the ABC television network From his unique vantage point Schneider managed issues of taste and morality that determined what millions of U S viewers watched During his tenure the nation s attitudes changed drastically as did the content shown on American airwaves Controversies arose about TV s influence on children its portrayal of violence and its introduction of once taboo subjects *Prime-Time Authorship* Douglas Heil,2002-03-01 Designed to inspire the fledgling scriptwriter this book combines analytical essays on the work of three successful television writers with interviews and complete scripts printed in correct professional format The writers Marion Hargrove Maverick The Waltons Joseph Dougherty thirtysomething and Michael Kozoll Hill Street Blues are used as examples of professionals who developed a personal voice and a distinctive style while serving as staff writers for existing prime time television programs Douglas Heil

theorizes that students of television scriptwriting need to engage in close study of exemplary and the three full scripts he offers a re useful models of humane and entertaining drama The book is of value not only to aspiring scriptwriters but also to those readers with a general interest in media history

In Capra's Shadow Ian Scott, 2014-10-17 Because screenwriter Robert Riskin spent most of his career collaborating with legendary Hollywood director Frank Capra Riskin's own unique contributions to film have been largely overshadowed With five Academy Award nominations to his credit for the monumental films *Lady for a Day* *Mr Deeds Goes to Town* *You Can't Take It with You* *Here Comes the Groom* and *It Happened One Night* for which he won the Oscar Riskin is often imitated but rarely equaled In *Capra's Shadow: The Life and Career of Screenwriter Robert Riskin* is the first detailed critical examination of the Hollywood pioneer's life and work In addition to being one of the great screenwriters of the classic Hollywood era Riskin was also a producer and director founding his own film company and playing a crucial role in the foundation of the Screen Writers Guild During World War II Riskin was one of the major forces behind propaganda filmmaking He worked in the Office of War Information and oversaw the distribution and later production of films and documentaries in foreign theaters He was interested in showing the rest of the world more than just an idealized version of America he looked for films that emphasized the spiritual and cultural vibrancy within the U S making charity faith and generosity of spirit his propaganda tools His efforts also laid the groundwork for a system of distribution channels that would result in the dominance of American cinema in Europe in the postwar years Riskin's postwar work included his production of the 1947 film *Magic Town* the tale of a marketing executive who discovers the perfect American small town and uses it for polling What Riskin created onscreen is not simply a community stuck in an antiquarian past rather the town of Grandview observes its own traditions while at the same time confronting the possibilities of the modern world and the challenges of postwar America Author Ian Scott provides a unique perspective on Riskin and the ways in which his brilliant pithy style was realized in Capra's enduring films Riskin's impact on cinema extended far beyond these films as he helped spread Hollywood cinema abroad and articulated his vision of a changing America
