### **Introduction to the English Legal System**

**2018-19** Martin Partington, 2018 *Introduction to the English Legal System* is the ideal foundation for those coming new to the study of law. Writing in a highly engaging and accessible style, Martin Partington introduces the purposes and functions of English law, the law-making process and the machinery of justice, while also challenging assumptions and exploring current debates. Consolidating over 40 years' experience in the law, Martin Partington examines beliefs about the English legal system and encourages students to question how far it meets the growing demands placed on it. Incorporating all the latest developments, this concise introduction brings law and the legal system to life. Online resources: This book is accompanied by online resources including questions for reflection and discussion, multiple choice questions, a glossary, further reading materials, web links, and a link to Martin Partington's blog, which covers his views on key developments in the English justice system.

**Maritime Insurance and the Law** Feray Firinciogullari, 2025-09-17 This book provides a comprehensive examination of direct action rights within Protection and Indemnity (P & I) Clubs, a cornerstone of the maritime industry, providing robust insights into the interplay of legal frameworks and maritime insurance in an increasingly globalized industry. P & I Clubs provide shipowners with extensive liability coverage under rules largely governed by English law due to its global maritime influence. Through a comparative analysis of English and Turkish legal approaches, the book examines how these differing frameworks affect the development and functioning of P & I insurance. It highlights critical disparities in the legal treatment of direct action against P & I Clubs, shedding light on their implications for maritime insurance policy practice and industry growth. It also covers the unique principles that distinguish P & I Clubs from other types of liability insurance. Additionally, the book offers recommendations for harmonizing national legal systems with P & I Club rules, highlighting strategies to promote the growth and effectiveness of the maritime insurance sector. Drawing on extensive primary legal texts, case law, and comparative legal methodologies, the book suggests regulatory reforms for Turkey and other jurisdictions worldwide. The book will be of interest to researchers in the field of maritime law, maritime insurance, and insurance law.

*Major Legal Systems in the World Today* René David, John E. C. Brierley, 1978 A significant introduction to the study of comparative law and a notable scholarly work, *Major Legal Systems in the World Today* analyzes the general characteristics which lie behind the development of the four principal legal systems of the world: the Civil law, the Common law, the Socialist law, and those based on religious or philosophical principles: Muslim, Hindu, Chinese, Japanese, and African. Providing unique insights into the spirit of each legal family, the book presents a total view of the historical foundation and the sources and structure of the law in each system.

**State Administrative Law in Indonesia** M. Zaenul Muttaqin, 2024-12-16 This book examines Indonesian laws regulating state administration, in other words, the relationship between the Indonesian government and its citizens. This book uses public administration science to explain state administrative law. It covers the historical evolution of state administrative law in Indonesia, the political and legal acceptance of the Universal Declaration of

Human Rights in Indonesia as well as the ratification of the 2020 Omnibus Law reforms It evaluates both the benefits and drawbacks of establishing laws through the Omnibus Law model and the challenges of its adoption by the Indonesian statutory system The book also examines state administrative law in other Southeast Asian countries to provide a more nuanced understanding of how human rights implementation occurs in the respective legal regimes Covering the legal reforms and changes to state administrative law in Indonesia this book will be of keen interest to scholars of state administrative law public administration and constitutional law
