Gideon An Intimate Portrait:

Gideon Audrey J. Williamson, 1983 Suzuki Twinkles: An Intimate Portrait Alfred Garson, Dr Garson has given us an intimate look into his time spent with Dr Suzuki A fascinating look through anecdotes and photos at an extraordinary man A great addition to any Suzuki library *Portrait of a Man with Red Hair* Hugh Walpole, 1925 Depicts the malign influence of a manipulative insane father on his family and others **Models for Christian Higher Education** Richard Thomas Hughes, William B. Adrian, 1997 This is a print on demand book and is therefore non returnable This timely look at the state of Christian higher education in America contains descriptive historical narratives that explore how fourteen Christian colleges and universities are successfully integrating faith and learning on their campuses despite the challenges posed by the increasingly pluralistic nature of modern culture Written by respected representatives from seven major faith traditions Roman Catholic Lutheran Reformed Mennonite Evangelical Wesleyan Holiness and Baptist Restorationist these narratives are also preceded by introductory essays that define the worldview and theological heritage of each given tradition and ask what that tradition can contribute to the task of higher education **Portrait of a Man with Red Hair; A Romantic Macabre** Hugh Walpole, 2025-08-16 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Martin Buber : an Intimate Portrait Aubrey Hodes, 1971 *The Wesleyan Holiness Movement: Parts I-III* Charles Edwin Jones, 2005 **Treasuring the Gaze** Hanneke Grootenboer, 2013-02-05 The end of the eighteenth century saw the start of a new craze in Europe tiny portraits of single eyes that were exchanged by lovers or family members Worn as brooches or pendants these minuscule eyes served the same emotional need as more conventional mementoes such as lockets containing a coil of a loved one's hair The fashion lasted only a few decades and by the early 1800s eye miniatures had faded into oblivion Unearthing these portraits in *Treasuring the Gaze* Hanneke Grootenboer proposes that the rage for eye miniatures and their abrupt disappearance reveals a knot in the unfolding of the history of vision Drawing on Alois Riegl Jean Luc Nancy Marcia Pointon Melanie Klein and others Grootenboer unravels this knot discovering previously unseen patterns of looking and strategies for showing She shows that eye miniatures portray the subject's gaze rather than his or her eye making the recipient of the keepsake an exclusive beholder who is perpetually watched These treasured portraits always return the looks they receive and as such they create a reciprocal mode of viewing that Grootenboer calls intimate vision Recounting stories about eye miniatures including the role one played in the scandalous affair of Mrs Fitzherbert and the Prince of Wales a portrait of the mesmerizing eye of Lord Byron and the loss and longing incorporated in crying eye miniatures Grootenboer shows that intimate vision brings the gaze of another deep into the heart of private experience With a host of fascinating imagery from this eccentric and mostly forgotten yet deeply private keepsake *Treasuring the Gaze* provides new insights into the art of miniature painting and the genre of portraiture **COOL**

The Portrait in Fiction of the Romantic Period Joe Bray,2016-05-26 Beginning with the premise that the portrait was undergoing a shift in both form and function during the Romantic age Joe Bray examines how these changes are reflected in the fiction of writers such as Maria Edgeworth Jane Austen Sir Walter Scott Elizabeth Hamilton and Amelia Opie Bray considers portraiture in a broad sense as encompassing caricature and the miniature as well as the classic portraits of

Sir Joshua Reynolds and others He argues that the portrait in fiction often functions not as a transparent index to character or as a means of producing a straightforward likeness but rather as a cue for misreading and a sign of the slipperiness and subjectivity of interpretation The book is concerned with more than simply the appearance of portraits in Romantic fiction however More broadly The Portrait in Fiction of the Romantic Period investigates how the language of portraiture pervades the novel in this period and how the two art forms exert mutual stylistic influence on each other **Abraham Lincoln**
