**Liberties with Liberty** Outlet, Outlet Book Company Staff, Random House Value Publishing Staff, Rh Value Publishing, 1989-01-01     Liberties with Liberty Nancy Jo Fox, 1986 This book is really a gallery of illustrations from cartoons to intricate paintings that tell the story of the Statue of Liberty     *Free for All* Wendy Kaminer, 2002-09-15 A lawyer social critic and columnist at The American Prospect Wendy Kaminer has said that she likes to think words have power but knows they don't cast spells She argues with her readers and expects them to argue back Her taste for liberty her legal training wit and innate contrarianism help her elude the usual political labels and inform her writings on censorship feminism pop psychology religion criminal justice and a range of rights and liberties at issue in the culture wars In this new collection Kaminer has her sights set on the fate of civil liberties in America Opening with a powerful overview of liberty's tenuous hold on this land of the free Kaminer offers incisive original investigations of political freedom in our frightened post September 11 world and reviews perennial threats to sexual and religious liberty free speech privacy and the right to be free from unwarranted unprincipled prosecutions     The Fate of Liberty Mark E. Neely Jr., 1992-08-20 If Abraham Lincoln was known as the Great Emancipator he was also the only president to suspend the writ of habeas corpus Indeed Lincoln's record on the Constitution and individual rights has fueled a century of debate from charges that Democrats were singled out for harassment to Gore Vidal's depiction of Lincoln as an absolute dictator Now in the Pulitzer Prize winning *The Fate of Liberty* one of America's leading authorities on Lincoln wades straight into this controversy showing just who was jailed and why even as he explores the whole range of Lincoln's constitutional policies Mark Neely depicts Lincoln's suspension of habeas corpus as a well intentioned attempt to deal with a floodtide of unforeseen events the threat to Washington as Maryland flirted with secession disintegrating public order in the border states corruption among military contractors the occupation of hostile Confederate territory contraband trade with the South and the outcry against the first draft in U S history Drawing on letters from prisoners records of military courts and federal prisons memoirs and federal archives he paints a vivid picture of how Lincoln responded to these problems how his policies were actually executed and the virulent political debates that followed Lincoln emerges from this account with this legendary statesmanship intact mindful of political realities and prone to temper the sentences of military courts concerned not with persecuting his opponents but with prosecuting the war efficiently In addition Neely explores the abuses of power under the regime of martial law the routine torture of suspected deserters widespread antisemitism among Union generals and officials the common practice of seizing civilian hostages He finds that though the system of military justice was flawed it suffered less from merciless zeal or political partisanship than from inefficiency and the friction and complexities of modern war Informed by a deep understanding of a unique period in American history this incisive book takes a comprehensive look at the issues of civil liberties during Lincoln's administration placing them firmly in the political context of the time Written with keen insight and an intimate grasp of the original sources

The Fate of Liberty offers a vivid picture of the crises and chaos of a nation at war with itself changing our understanding of this president and his most controversial policies

**Freedom, Liberty and the Pursuit of Happiness!** Adrienne Kleinschmidt, 2017-06-28 This coloring book celebrates the 4th of July It is about Freedom and all the brave people women men and children who gave up their rights to protect those of others Janis Joplin once said Freedom s just another word for nothing else to lose I hope not Liberty it s a curious word People take liberties and they want liberties Yet who decides what those liberties are The definition of liberty is this The state of being free within society from oppressive restrictions imposed by authority on one s way of life behavior or political views As Americans and human beings on this planet of ours it appears we need to stand up for our freedoms and liberties once more The Pursuit of Happiness and everything it entails is our most important pursuit
