BLOOMSBURY

Libidinal Economy

Derek Hook

Libidinal Economy:

Libidinal Economy Jean-François Lyotard, 1993 This is a philosophical development of the Freudian concept of libidinal economy and one of Lyotard s most important works In part a response to Deleuze and Guattari s Anti Oedipus it can also be seen as culminating a line of modern thought ranging from de Sade Nietzsche and Bataille to Deleuze Klossowski Irigaray and Cixous It is thus important in the context of modern French philosophy and also in its relevance to contemporary thinking on a broad range of questions including sexual politics semiotics and literary studies BOOK JACKET Title Summary Libidinal Economy Jean-Francois Lyotard, 2004-01-01 field provided by Blackwell North America Inc All Rights Reserved Is regarded as the most important response to the philosophies of desire as expounded by thinkers such as de Sade Nietzsche Bataille Foucault and Deleuze and Guattari It is a major work not only of philosophy but of sexual politics semiotics and literary theory that signals the passage to postmodern philosophy Libidinal Economy Jean-Francois Lyotard, 1993-03-22 Lyotard is considered one of the most brilliant and influential of French post structuralist thinkers Published in 1974 by Minuit conomie libidinale is of all his work to date the most creative in its mode of writing and in its theorizing a stunning dense brilliant piece in which Lyotard ranging from Marxist and Freudian theory to contemporary arts argues that political economy is charged with passions and reciprocally that passions are infused with the political **Libidinal Economies of Crisis Times** Ben Gook, 2024-10-30 What is a libidinal economy How are we psychically hooked into the circuits of the capitalist economy. The contributors to this book guestion the relevance of a concept that began reappearing in critiques and analyses of capitalist societies since the financial crisis of 2007 The chapters stretch from its philosophical pre history including Marx Spinoza Cavendish and Ibn Sina to the term s introduction with Freud and on via Lyotard to how online platforms put our psyches to work Libidinal Economies of Crisis Times is a collection of essays by leading scholars about the connections among economies pleasures and desires **Libidinal Economy** Jean-François Lyotard, 2020 of Desire David Bennett, 2016 The language of money has informed medical psychological and political theories of sexual desire for at least 300 years Desire figured as libidinal energy represented potential work power and spending power and hence a form of personal capital an economic resource for both the individual and the collectivity This book explores how this **Metaphors of Economy**, 2016-08-01 In recent years the metaphor of economy has proved to have an immense view explanatory power in literary and cultural criticism Everything can be expressed and analysed in terms borrowed from political economy Language texts social structures and cultural relationships can be construed in the dynamic terms made available by the metaphor of economy and more specifically the economy of the metaphor The metaphor of economy allows to show the dynamic processes of exchange circulation and interested negotiation The essays in this volume display approaches to cultural and discursive practices derived from the methods and texts of economics They provide a body of literary and cultural criticism founded upon economic paradigms which makes apparent the genealogy of our economic thought and the

suggestion that looking at human exchange can enrich our understanding of culture The interest of this volume is manifold it gives a historical account of the development of economics elucidates the emergence of theories governed by economic metaphors and clarifies the impact of the metaphor on theories of textuality It also provides an exchange between economists and literary and cultural critics by combining literary and cultural criticism with economics and covers a wide range of topics which are of interest to scholars from various disciplines This volume provides a critical exchange which hopes to enrich both economics and literature Haunting the Knowledge Economy Jane Kenway, Elizabeth Bullen, Johannah Fahey, Simon Robb, 2006-11-22 This highly original book provides an engaging and critical introduction to the knowledge economy The knowledge economy is a potent force pervading global and national policy circles Yet few people outside the field of economics understand its central ideas and practices This book makes these accessible But it does much more It provokes conversations between the knowledge economy and those marginalized economies that haunt it the risk gift libidinal and survival economies These illuminate the knowledge economy s shortcomings and point to alternative possible systems of exchange and sets of values This multi disciplinary study takes the knowledge economy out of the hands of the economists and brings it into creative tension with the ideas of key thinkers from sociology anthropology philosophy and ecology Illustrating the benefits of conversing with the ghosts of alternative economies this provocative book will unsettle the way in which the knowledge economy is understood Groundbreaking and globally applicable it has been authored by internationally respected authors and its conceptual breadth pertains to a range of disciplines and gives it its wide appeal Architecture Juliet Odgers, Mhairi McVicar, Stephen Kite, 2015-07-16 Economy and Architecture addresses a timely critical and much debated topic in both its historical and contemporary dimensions From the Apple Store in New York City to the street markets of the Pan American Highway from commercial Dubai to the public schools of Australia this book takes a critical look at contemporary architecture from across the globe whilst extending its range back in history as far as the Homeric epics of ancient Greece The book addresses the challenges of practicing architecture within the strictures of contemporary economies grounded on the fundamental definition of economy as the well managed household derived from the Greek oikonomia oikos house and nemein manage The diverse enquiries of the study are structured around the following key questions How do we define our economies How are the values of architecture negotiated among the various actors involved How do we manage the production of a good architecture within any particular system How does political economy frame and influence architecture The majority of examples are taken from current or recent architectural practice historical examples which include John Evelyn's villa Blenheim Palace John Ruskin's Venice and early twentieth century Paris place the debates within an extended critical perspective The Labour of Enjoyment Samo Tomsic, 2019-03-15 Enjoyment appears as purely private matter but this is by far not the case Ever since Aristotle the philosophical social critique is tormented by the question whether the libidinal tendencies of human subjects allow the construction of a just political economic order It

seemed at first that in modernity this problem had been overcome Economic liberalism and utilitarianism argued that egoistic private interests and social justice were directly linked and that capitalism united libidinal and political economy in the best possible manner But the political economic panorama soon turned out significantly more complex and contradictory an insight to which Marx s intervention with his critique of political economy significantly contributed Another critical turn is to be found in psychoanalysis Freud's conception of the unconscious provided a new cartography of political space and his theory of libido revealed the participation of libidinal apparatuses in sustaining the capitalist power relations Tomsic s essay recalls these Freudian insights and circumscribes the political stakes of psychoanalysis under the general banner of Critique of Libidinal Economy Published with August Verlag Gender after Lyotard ,2007-01-04 The Borderline Culture Željka Matijaševic. 2021-04-28 In The Borderline Culture Intensity Jouissance and Death eljka Matija evi examines contemporary culture through psychological borderline theory Global Libidinal Economy Ilan Kapoor, Gavin Fridell, Maureen Sioh, Pieter de Vries, 2023-05-01 This is the first book to examine global political economy from a psychoanalytic perspective It claims that the libidinal the site of unconscious desire plays not a supplementary or trivial but a constitutive role in global political economy Consumption for example is not simply a way of satisfying a material or biological need but a doomed attempt at soothing our deeply held sense of loss and capital is not just a means to material growth and prosperity but is invested with drive that seduces beguiles and manipulates in the service of unending accumulation Thus in contrast to political economy which assumes a rational subject libidinal economy is founded on the notion of a desiring subject who obeys a logic not of good sense or self interest but profligacy and irrationality By applying a psychoanalytic lens Global Libidinal Economy thereby seeks to uncover the unconscious excesses and antagonisms emergent in such key political economy categories as production trade and ecology while also bringing out significant contemporary themes relating to gender and race Lyotard and the Political James Williams, 2002-01-31 Lyotard and the Political is the first book to consider the full range of the political thought of the French philosopher Fran ois Lyotard and its broader implications for an understanding of the political James Williams clearly and carefully traces the development of Lyotard s thought from his early Marxist essays on the Algerian struggle for independence to his break with the thought of Marx and Freud This is compared with Lyotard's later highly influental writings on the politics of desire and his attempts to base a postmodern political discourse on the sublime An indispensable work for all who are interested in modern continental philosophy Lyotard and the Political offers the first systematic analysis of the political dimension of the work of one of the most controversial and influential philosophers of the twentieth century Also available in this series Lacan and the Political Pb 0 415 17187 3 12 99 Heidegger and the Political Pb 0 415 13064 6 12 99 Derrida and the Political Pb 0 415 10967 1 13 99 Nietzche and the Political Pb 0 41510069 0 12 99 Foucault and the Political Pb 0 415 10066 6 12 99 Fanon, Psychoanalysis, and Critical Decolonial Psychology Derek Hook, 2025-04-04 This groundbreaking book examines the psychological dimension

of decolonial thought in reference to foundational texts Previously published as A Critical Psychology of the Postcolonial this new edition foregrounds the central role of Fanon's psychology Highlighting the contributions of anti-colonial authors to the theorization of racism and oppression the book demonstrates the pertinence of postcolonial and decolonial thought for critical social psychology and psychoanalysis via an investigation of a series of key topics It explores the psychology of embodiment and racialization resistance strategies to oppression extra discursive facets of racism the phobogenic and sexual dimensions of anti Blackness and the roles of desire fantasy and unconscious in ideologies of racism The book makes a distinctive contribution through discussing the work of authors drawn from anti apartheid psychoanalytic and critical social theory traditions including Steve Biko J M Coetzee Frantz Fanon Julia Kristeva Chabani Manganyi and Slavoj i ek This second edition continues to showcase a crucial set of critical resources for an anti-racist decolonial agenda and is fully updated with new discussion references and images with a new chapter on desire fantasy and apartheid ideology to strengthen the book s engagement with apartheid racism This is an invaluable text not only for students of critical social psychology psychoanalysis and sociology but for students enrolled in courses on race racism or decolonial studies It will also appeal to postgraduates academics and anyone interested in psychoanalysis in relation to societal and political issues Theatre History Studies 2020, Vol. 39 Lisa Jackson-Schebetta, 2020-12-15 Theatre History Studies THS is a peer reviewed journal of theatre history and scholarship published annually since 1981 by the Mid America Theatre Conference THEATRE HISTORY STUDIES VOLUME 38 PART I Studies in Theatre History MATTHIEU CHAPMAN Red White and Black Shakespeare's The Tempest and the Structuring of Racial Antagonisms in Early Modern England and the New World MICHAEL CHEMERS AND MICHAEL SELL Sokyokuchi Toward a Theory History and Practice of Systemic Dramaturgy JEFFREY ULLOM The Value of Inaction Unions Labor Codes and the Cleveland Play House CHRYSTYNA DAIL When for Witches We Read Women Advocacy and Ageism in Nineteenth Century Salem Witchcraft Plays MICHAEL DENNIS The Lost and Found Playwright Donald Ogden Stewart and the Theatre of Socialist Commitment Part II HEMISPHERIC HISTORIOGRAPHIES EMILY SAHAKIAN CHRISTIANA MOLLDREM HARKULICH AND LISA JACKSON SCHEBETTA Introduction to the Special Section PATRICIA YBARRA Gestures toward a Hemispheric Theatre History A Work in Progress ERIC MAYER GARC A Thinking East and West in Nuestra Am rica Retracing the Footprints of a Latinx Teatro Brigade in Revolutionary Cuba ANA OLIVAREZ LEVINSON AND ERIC MAYER GARC A Intercambio A Visual History of Nuevo Teatro from the Ana Olivarez Levinson Photography Collection JESSICA N PAB N COL N Digital Diasporic Tactics for a Decolonized Future Tweeting in the Wake of Hurricane Maria LEO CABRANES GRANT Performance Cognition and the Quest for an Affective Historiography Part III Essays from the Conference The Robert A Schanke Award Winning Essay from the 2019 Mid America Theatre Conference JULIE BURRELL Reinventing Reconstruction and Scripting Civil Rights in Theodore Ward's Our Lan The Robert A Schanke Honorable Mention Essay MATC 2019 MATTHEW MCMAHAN Projections of Race at the Nouveau Cirque The Clown Acts of

Foottit and Chocolat Helene Cixous Abigail Bray, Julian Wolfreys, 2003-12-11 Abigail Bray offers a lucid and accessible introduction to H l ne Cixous and her theorisation of writing and sexual difference This book explores the context of feminist debates surrounding Cixous s work and provides a concise explanation of her major philosophical and literary concepts including the other bisexuality the third body and I criture feminine Bray demonstrates through original and provocative readings of texts by James Joyce Virginia Woolf Clarice Lispector and Angela Carter the creative potential of Cixous s thought on literature and philosophy Reading Cixous alongside Nietzsche Heidegger Deleuze and Derrida Bray argues for a recognition of Cixous as one of the important thinkers of our times Lyotard James D. Williams, 2013-05-02 Jean Francis Lyotard was one of the most influential European thinkers in recent decades He was a leading participant in debates about post modernism and the decline of Marxism and he made important contributions to ethics aesthetics and political philosophy In this authoritative introduction Williams tracks the development of Lyotard s thought from his early writings on the libidinal economy to his more recent work on the post modern condition Williams argues that despite the wide ranging character of Lyotard's writings they are animated by a long standing concern to develop a new theory of political action Lyotard's productive use of avant garde art and the aesthetics of the sublime are interpreted within this context. In the final chapters some of the main criticisms that have been levelled at Lyotard's work are outlined and assessed A challenging but also accessible book it will be welcomed by students and researchers in continental philosophy literary theory and the humanities generally Contemporary Anarchist Studies Randall Amster, Abraham DeLeon, Luis Fernandez, Anthony J. Nocella, II, Deric Shannon, 2009-02-10 This volume of collected essays by some of the most prominent academics studying anarchism bridges the gap between anarchist activism on the streets and anarchist theory in the academy Focusing on anarchist theory pedagogy methodologies praxis and the future this edition will strike a chord for anyone interested in radical social change This interdisciplinary work highlights connections between anarchism and other perspectives such as feminism queer theory critical race theory disability studies post modernism and post structuralism animal liberation and environmental justice Featuring original articles this volume brings together a wide variety of anarchist voices whilst stressing anarchism's tradition of dissent This book is a must buy for the critical teacher student and activist interested in the state of the art of anarchism studies Organization Theory and Postmodern Thought Stephen Linstead, 2004 Focuses on a major philosopher who has had or should have a major influence on organization theory

Libidinal Economy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Libidinal Economy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Libidinal Economy has opened up a world of possibilities. Downloading Libidinal Economy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Libidinal Economy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Libidinal Economy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Libidinal Economy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Libidinal Economy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Libidinal Economy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Libidinal Economy Books

- 1. Where can I buy Libidinal Economy books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
- 2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
- 3. How do I choose a Libidinal Economy book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
