

Library Programs For Children

Richard E. Rubin

Library Programs For Children:

Library Programs for Children Taffy Jones, 1989 Good library habits bear poetry dinosaur rap sleuthing out mystery stories with Detective Eekers writing and illustrating original stories and producing an original play including puppets before an audience these are examples of the activities that could be a part of your Saturday or summer or special children s program Designed to bring children books and libraries together happily here are five programs each with activities relating to its central theme story time library time games crafts music snacks and an original play Each program has a presentation especially suited for grades 1 4 followed by an adapted format to meet the needs of preschoolers and kindergarteners

Original art and music are included with some programs **First Steps to Literacy** Association for Library Service to Children. Preschool Services and Parent Education Committee, 1990 This volume features seven library programmes that should help librarians in extending the traditional children s programming to include adults Outstanding Library Service

to Children Rosanne Cerny, Penny Markey, Amanda Williams, 2006-07-17 This book is a companion to Competencies for librarians serving children in public libraries 1999 Introd **Library Services to Youth of Hispanic Heritage** Barbara Immroth, Kathleen de la Peña McCook, 2000-05-15 As the United States becomes ever more comfortable with recognizing the cultural diversity of the many groups that make up its population library services must seek to meet patrons needs as they are shaped and expressed by their cultural backgrounds This goal is particularly important for youth library services For young people of Hispanic heritage library services attuned to their specific needs and interests are crucial Many librarians struggle with how to properly create and maintain library programs and collections that are suitable to the needs of Hispanic youth In this series of essays prepared for the Trejo Foster Foundation for Hispanic Library Education Fourth National Institute national leaders in librarianship present their insights about how best to meet the needs of young Hispanic library patrons The text is introduced by the editors and the essays are arranged in parts Programs Collections Planning and Evaluating Bibliographical Resources and For the Future Information about the contributors and an index conclude the volume **Library Programming for Families with Young Children** Sue McCleaf Nespeca, 1994 Covers a wide range of

programs and ideas on library programs for families to promote reading Library Programs Betty J. Turock, 1990

Library Programming for Autistic Children and Teens Amelia Anderson, Barbara Klipper, 2021-04-22 Foreword by Barbara Klipper Since the first edition of this landmark guide was published there has been increased interest in services for library patrons on the autism spectrum indeed more people of all ages now self identify as autistic Those who understand the unique characteristics of autistic young people know that ordinary library programming guides are not up to the task of effectively serving these library users Well qualified to speak to this need Anderson is an educator library researcher and former public librarian who has helped to develop two IMLS funded initiatives that train library workers to better understand and serve autistic patrons Here she offers librarians who work with children and teens in both public library and K 12

educational settings an updated comprehensive resource that includes an updated introduction to the basics of autism including language symbolism and best practices in the library rooted in the principles of Universal Design step by step programs from librarians across the country adaptable for both public and school library settings that are cost effective and easy to replicate contributions from autistic self advocates throughout the text demonstrating that the program ideas included are truly designed with their preferences in mind suggestions for securing funding and establishing partnerships with community organizations and many helpful appendices with handy resources for training and education building a collection storytimes sensory integration activities and a Tips for a Successful Library Visit template **Something Funny**

Happened at the Library Rob Reid,2003 Offers strategies and resources for youth services librarians who want to introduce humor into their programs featuring tricks of the humor trade programming models and select bibliographies of humor books Library Programs and Services Stacey Greenwell,G. Edward Evans,2023-06-15 The ninth edition of this

popular overview of the various programs and services offered by libraries offers best practice and useful tips for implementing them effectively Building on the strong foundation of the previous editions award winning author G Edward Evans returns with a new co author Stacey Greenwell for this update that combines their signature style of textbook readability informality and sometimes humor as well as their knack for balancing foundational topics and new trends A new feature in this edition is the incorporation of the concept of library social work through Social Work Connections sidebars in each chapter Anecdotes throughout the text and Career Connections sidebars offer practical advice and specific current examples Greenwell and Evans have combined several chapters from the previous edition and expanded discussions of new trends while retaining and updating the fundamentals The ninth edition is a welcome update for library and information science courses and a valuable handbook for public services librarians **Summer Time--play Time** Oklahoma. Library Services Branch,1977

Library Programs and Services G. Edward Evans,Margaret Zarnosky Saponaro,Holland Christie,Carol Sinwell,2015-06-30 Covering every essential topic ranging from circulation and literacy instruction to reference and security this benchmark text provides an up to date broadly based view of library public service and its functions Supplying essential foundational reading for students of library public services as well as an up to date overview for practitioners who wish to refresh their knowledge or acquaint themselves with a new area of responsibility this book s broad and solid coverage will benefit anyone concerned with developing or maintaining the public face of the library A revision and expansion of Libraries Unlimited s Introduction to Library Public Services Seventh Edition this edition has new chapters covering such topics as e resources collections print and other media and facilities and funding Additionally every chapter has been substantially updated and reorganized to better reflect the role of technology in library services today The book begins with background information on public services in libraries and an analysis of the library s public service philosophy Then the authors delve into staffing and assessment of services moving logically to major functional areas of public services

reference instruction document delivery circulation and reserves collections programming safety and security issues and facilities and funding Real life anecdotes from public academic and school libraries illustrate principles and concepts throughout the book For each topic the authors detail its role and philosophy and offer key points to remember references and lists for further reading Children's Library Services Handbook Jane G. Connor,1990-01-09 A guide through the pitfalls special needs and unique demands of children s library services Librarians in school and public libraries media specialists and library science instructors will find helpful cogent advice on collection development programming collection maintenance and reevaluation nonprint media summer programs publicity public relations and much more **Diversity Programming for Digital Youth** Jamie Campbell Naidoo,2014-06-24 Combining information about outreach to diverse populations selection of culturally diverse children s print and digital media and library programming this book is the tool librarians need to promote cultural understanding through engaging children s programs designed for today s culturally diverse youth Today s children live in a culturally diverse and constantly changing digital world New digital media is created every day but librarians and other educators need help in evaluating cultural content in digital apps determining whether they send appropriate social messages to children and learning how to use them in library programs that promote cultural competence **Diversity Programming for Digital Youth Promoting Cultural Competence in the Children s Library** provides just the help that is needed This resource is the only one to examine the role of culturally diverse digital media and how it can be used with children s books to promote cultural competence in the library It provides annotated lists of digital media paired with culturally diverse literature to offer librarians and educators a springboard for creating enriching engaging and culturally relevant programs for children from diverse backgrounds The sample digital storytime programs celebrating diverse cultures will benefit busy librarians looking for ways to engage reluctant readers in library storytimes

Foundations of Library Services and Programming for Children Lisa Houde,2024-08-06 Foundations of Library Services and Programming for Children This book provides required foundational practices both theoretical and practical It gives students and working librarians the nuts and bolts foundation in providing programming and services for children The book covers critical important elements needed for today s librarian thereby benefitting even the seasoned youth librarian Chapter coverage includes The Value of Library Services to Children Program Evaluation Planning for Desired Results Children s Programming Services and Resources for Children The Library as a Safe Space for All Administration of Children s Services Looking Ahead What s Next in Library Services for Children An Appendix provides practical resources such as a storytime format programming planning outline and program assessment tools Special topics include issues of censorship attempts the importance of providing library services to a diverse population and the need to examine evaluative techniques for program offerings Each chapter in this text includes multiple opportunities for learning and reflection as well as case based learning that facilitates problem solving and experiential learning opportunities Library Programs Worth

Knowing about Ann M. Erteschik,1977 **Children Today** ,1980 **Community Library Programs That Work** Beth Christina Maddigan,Susan C. Bloos,2013-11-20 A collection of versatile best practices for promoting literacy development by utilizing local community connections in school and public libraries Modern libraries are recreating themselves as idea centers for today s Internet savvy digitally driven clientele This book provides a fresh approach to learning as well as guidelines for creating dynamic and relevant library programs for children teens and families Organized thematically each chapter includes relevant topical research and three to eight community focused approaches Programs range from small single library initiatives in rural communities to multi site cross border initiatives This essential reference includes collaborative and locally inspired programs many of which can be scaled to the budget of any library school or community organization Children's Services Today Jeanette Larson,2015-03-01 Here one of America s foremost experts in public library services to children cover the basics of library services for children Jeanette Larson highlights best practices and toolkits that provide tools and resources to quickly implement programs and services She includes model programs checklists and forms and ready to use examples of programs with an emphasis on programs that are inexpensive to implement and simple to replicate From start to finish learn how to plan implement and manage public library programs and services for children ages birth to twelve years old Children s services are a critical part of today s library services and staff need basic background information practical advice and specific examples of how to perform the fundamental duties required of them Special features of the book include Basic information on how to implement the fundamental services and programs of library services to children Background and rationale for the provision of these services and programs Enhancements for children s programs and services that support literacy and learning Templates for successful programs Examples of inexpensive and ready to use programs ranging from simple to on going and more elaborate programs Children s Services Today A Practical Guide for Librarians offers basic background practical experience and best practices necessary for the successful provision of children s services in today s public library Whether you are a part time children s librarian in a small rural library a generalist assigned to provide children s programming in a medium sized library or a paraprofessional working in the children s department in a large urban library this practical guide will help you implement dynamic programs and services that meet the needs of today s children and families **Library of Congress Subject Headings** Library of Congress,2011 *Foundations of Library and Information Science, Fourth Edition* Richard E. Rubin,2017-11-22
