## Life For A Life:

**A Life for a Life** Dinah Maria Mulock Craik, 1859      *A Life for Freedom* Denis Goldberg, 2016-03-18 From June 1963 to October 1964 ten antiapartheid activists were tried at South Africa's Pretoria Supreme Court Standing among the accused with Nelson Mandela Ahmed Kathrada and Walter Sisulu was Denis Goldberg Charged under the Sabotage and Suppression of Communism Acts for campaigning to overthrow the government by violent revolution Goldberg was found guilty and sentenced to life imprisonment The only white man convicted during the infamous Rivonia trial he played a historic role in the struggle for justice in South Africa In this remarkable autobiography Goldberg discusses growing up acutely aware of the injustice permeating his homeland He joined the South African Communist Party and helped found the Congress of Democrats It was his role as an officer in the armed underground wing of the African National Congress ANC however that led to his life sentence the outcome of which was a staggering twenty two years behind bars While he was incarcerated the racist dogma of apartheid imposed complete separation from his black comrades and colleagues a segregation that denied him both the companionship and the counsel of his fellow accused Recounted with humor and humility Goldberg's story not only provides a sweeping overview of life in South Africa both during and after apartheid but also illuminates the experiences of the activists and oppressors whose fates were bound together      *A Life for Language* Robert A. Hall, Jr., 1990-01-01 Leonard Bloomfield 1887 1949 was one of the greatest linguists of the twentieth century He devoted his entire life to a thorough going study of language its structure and its use summed up in masterly fashion in his book *Language* 1933 After his premature death at the age of 62 his work was at first acclaimed as an exemplary application of the scientific method to linguistics but then fell into unjustified neglect Now that the centenary of his birth has passed the time has come for the story of Bloomfield's life and work to be recounted in a biography Accordingly basing his discussion on all available materials including some information not accessible until recently Professor Hall has presented Bloomfield's life history in its intellectual and cultural setting This book is not only a biography but also a personal memoir in which Hall draws on his contacts with Bloomfield who was his teacher at Chicago and a senior colleague at Yale There emerges from this study a fuller picture than we have had heretofore presenting both Bloomfield's recognized achievement in establishing the study of language as a scientific discipline and the less known aspects of his character and of his personal life which in certain respects was very tragic and sad      *A Life of Solitude* Jadwiga Kosicka, Daniel Charles Gerould, 1989 *A Life of Solitude* is a biography of Polish playwright Stanislawa Przybyszewska 1901 35 One of the finest plays about the French Revolution *The Danton* Case was written by this unknown Polish woman living in obscurity in the free city of Danzig The illegitimate daughter of writer Stanislaw Przybyszewski she became a writer against long odds and at the cost of her health her sanity and eventually her life *A Life of Solitude* shows how she chose her vocation examine her ideas about writing and reveal her struggle with material existence Tragically she came to substitute creativity for life and clung to her sense of calling with a

stubbornness that dulled the instinct for self preservation and led to her death from morphine and malnutrition at age thirty four
