ROSS, 2018 *Foundations of Sociology* Richard Jenkins, 2018-02-08 This book argues that the foundations of sociology key concepts which are necessary to all sociology from whatever perspective have become taken for granted and require re assessment Focusing on society culture the individual and collectivity the author builds a powerful case for an overhaul of these basic concepts offering a unified model of the subject matter of sociology as the human world understood as individual interactional and institutional orders which is part of the natural world Written in a straightforward and accessible style this is a powerful restatement of the value of sociological sense as a necessary critique of common sense and its relevance to an audience far beyond academia *Foundations of Sociology Text and Reader* Peggy Shifflett, Rammy Haija, 2007-08-07 **Foundations of Social Theory** James S. Coleman, 1990 Suggests a new approach to describing both stability and change in social systems by linking the behavior of individuals to organizational behavior *Social Foundations and Sociology of Education* S.V. Kobiowu, 2012 Foundations of Classical Sociological Theory: Functionalism, Conflict and Action Paramjit S. Judge, 2012 Foundations of Classical Sociological Theory Functionalism Conflict and Action provides an extensive analysis of classical sociological theory by giving readers an introduction to the life and ideas of all the eminent thinkers The book begins by giving an overview of the emergence of sociology as a discipline in the background of socio economic development that characterized Europe in 18th century The first part of the book examines how the theorists viewed society as an organism the second part takes cognizance of the conflict theory and third part deals with the emergence of action theory which took ambivalent position with regard to science and emphasized human agency and consciousness Written in a very simple language this book will help students delve deeper into the subject *Foundations of Educational Sociology* Charles Clinton Peters, 1924 **Foundations of Social Theory** James S. Coleman, 1994 **The economic foundations of society** Achille Loria, 1922 **Social Blueprints** David K. Brown, 2004 Social Blueprints is a concise introduction to sociological thought that is a refreshing alternative to the approaches of traditional textbooks and other brief introductions to the field David K Brown introduces students to concepts and theories that form the foundation of sociological reasoning In a highly engaging style he uses personal experiences salient cultural examples and pressing social issues to ground these ideas in the everyday experiences of students In five cogent chapters Brown explores how core sociological ideas such as culture social structure identities power and globalization can better inform our understanding of the social world He uses contemporary historical and global examples drawn from realms such as music professional sports fashion film government warfare protests corporations workplaces education crime poverty architecture and tourism to lend

immediate relevance to sociological endeavor Acutely focused and written with a clear critical point of view Social Blueprints is ideal for use in introductory and other sociology courses as either a primary or supplemental text **Foundations In Sociology Of Education** Yogendra K. Sharma,2001 Foundations of Social Theory James Samuel Coleman,1990

American Sociological Theory Robert Bierstedt,2013-09-24 American Sociological Theory A Critical History discusses the history of American sociological theory by providing a selective and critical account of ten writers largely involved in the subject Chapters 1 to 10 of this book are devoted to the contributions and investigations of ten acclaimed sociological theorists William Graham Sumner Lester Frank Ward Charles Horton Cooley Edward Alsworth Ross Florian Znaniecki Robert Morrison MacIver Pitirim A Sorokin George A Lundberg Talcott Parsons and Robert K Merton The sociological label legacy of Spencer normative taboo American references and the Holy Trinity Marx Durkheim and Weber are also elaborated in this text This publication is a good reference for students and researchers conducting work on general sociological theory
