**Next American Nation** Michael Lind, 2010-06-15 Are we now or have we ever been a nation As this century comes to a close debates over immigration policy racial preferences and multiculturalism challenge the consensus that formerly grounded our national culture The question of our national identity is as urgent as it has ever been in our history Is our society disintegrating into a collection of separate ethnic enclaves or is there a way that we can forge a coherent unified identity as we enter the 21st century In this marvelously written wide ranging and thought provoking book Michael Lind provides a comprehensive revisionist view of the American past and offers a concrete proposal for nation building reforms to strengthen the American future He shows that the forces of nationalism and the ideal of a trans racial melting pot need not be in conflict with each other and he provides a practical agenda for a liberal nationalist revolution that would combine a new color blind liberalism in civil rights with practical measures for reducing class based barriers to racial integration A stimulating critique of every kind of orthodox opinion as well as a vision of a new Trans American majority The Next American Nation may forever change the way we think and talk about American identity New York Newsday

Was America Founded as a Christian Nation? John Fea, 2011-01-01 Presents a historical overview of the relationship between the United States and Christianity and an analysis of the beliefs of such figures as Thomas Jefferson Benjamin Franklin and George Washington

Leadership Education and Training (LET 1), 1999

*One Nation Under God?* John D. Wilsey, 2011-06-01 Is America a Christian nation This question has loomed large in American culture since the Puritans arrived on American shores in the early seventeenth century More recently the Christian America thesis has been advocated by many evangelical leaders across the denominational spectrum This book contributes to the conversation by critiquing from an evangelical perspective the idea that America is a Christian nation as articulated by specific writers over the past three decades Wilsey asserts that the United States was not conceived as a Christian nation but

as a nation with religious liberty Herein lies the genius of the Founders and the uniqueness of America      **A Nation Under God?** Thomas L. Krannawitter, Daniel C.
