The Lonesome Crown Brian Lee Durfee,2022-11-29 A sweeping epic fantasy weaving both destiny and ancient magic in this masterful final novel in the beloved Five Warrior Angels trilogy from Brian Lee Durfee In the age of belief magic is a myth But when an apocalyptic crusade comes to the remote border of Gul Kana that belief is shattered as is the tenuous peace that held the Five Isles together Now the prophecies that were used to justify this war are unravelling revealing a hidden agenda while the world lies in the wake of the degradations of this war But a slim skein of hope resides within the hidden truths long kept secret and scattered throughout the isles truths less reliant upon prophecy than heroism and great sacrifice Not everything is as it seems in this epic long awaited conclusion to trilogy which Booklist raved as high fantasy in the vein of Stephen R Donaldson or David Eddings with generous helpings from George R R Martin
