Four Reasonable Men Brand Blanshard, 1984-01-01 *Four Reasonable Men* Brand Blanshard, 1984 Portrays the lives of four influential philosophers and describes that their lives were lived in a quiet and reasonable manner **The Oxford Handbook of British Philosophy in the Nineteenth Century** W. J. Mander, 2014-02 This is the first book to provide comprehensive coverage of the full range of philosophical writing in Britain in the nineteenth century A team of experts provide new accounts of both major and lesser known thinkers and explores the diverse approaches in the period to logic and metaphysics the passions morality criticism and politics *Encyclopedia of Ethics* Lawrence C. Becker, Charlotte B. Becker, 2013-10-18 The editors working with a team of 325 renowned authorities in the field of ethics have revised expanded and updated this classic encyclopedia Along with the addition of 150 new entries all of the original articles have been newly peer reviewed and revised bibliographies have been updated throughout and the overall design of the work has been enhanced for easier access to cross references and other reference features New entries include Cheating Dirty hands Gay ethics Holocaust Journalism Political correctness and many more *Essays on Ethics and Method* Henry Sidgwick, 2000-12-21 *Essays on Ethics and Method* is a selection of shorter writings on the 19th century philosopher Henry Sidgwick The essays develop further Sidgwick's ethical ideas and illuminate other aspects of his thought *Encyclopedia of Ethics: P-W* Lawrence C. Becker, Charlotte B. Becker, 2001 A revised expanded and updated edition with contributions by 325 renowned authorities in the field of ethics All of the original articles have been newly peer reviewed and revised bibliographies have been updated throughout and the overall design of the work has been enhanced for easier access to cross references and other reference features **A Little Eruption of Deity** Emerson A. Essex, 2002-12-01 *Tapestry* is a collection of short stories poetry and prose that illustrates one man's struggle to maintain his individuality and reconnect with his spirituality It transcends gender race etc Its barebones honesty and sensitivity make it inspiring and entertaining *Secular Foundations of the Liberal State in Victorian Britain* William C. Lubenow, 2024 Examines the entanglement of secularity and liberality in the foundation of the modern state in Britain Modern Britain emerged from the outcome of the French Revolution and the Napoleonic Wars The rather standard Whig account of the long nineteenth century is one of growing stability progress and improvement And yet nothing was preordained or inevitable about the period's stability Ruling elites felt the constant anxieties of revolutionary terrorism As Lubenow argues it was a period of disorganization seeking organization The great nineteenth century reform acts against religious monopoly were aspects of this process of political organization While religion did not disappear these political actions gradually changed the constitutional position of religion As a result a political vacuum was created which was then filled by a secular clerisy These fit and proper persons educated in the reformed universities qualified by success in competitive examinations began to fill positions in the Civil Service and in the professions The effect was to replace the eighteenth century system of confessional loyalties with a liberal political

culture based on merit Lubenow's latest study examines the work of these intertwining nineteenth century secular liberal processes Steeped deeply in archival research this book considers biographical characteristics such as education political connections and social associations but it is equally conceptually guided by categories such as liberalism and secularism It fills an important gap in the political history of nineteenth century British liberalism by taking up the question of entanglement of secularity and liberality in the foundation of the modern state

Dictionary Of Modern American Philosophers John R. Shook, 2005-05-15 The Dictionary of Modern American Philosophers includes both academic and non academic philosophers and a large number of female and minority thinkers whose work has been neglected It includes those intellectuals involved in the development of psychology pedagogy sociology anthropology education theology political science and several other fields before these disciplines came to be considered distinct from philosophy in the late nineteenth century Each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading While all the major post Civil War philosophers are present the most valuable feature of this dictionary is its coverage of a huge range of less well known writers including hundreds of presently obscure thinkers In many cases the Dictionary of Modern American Philosophers offers the first scholarly treatment of the life and work of certain writers This book will be an indispensable reference work for scholars working on almost any aspect of modern American thought
