**Keepsakes & Other Stories** Jon Hassler, 2009-10-15 From Publishers Weekly These seven gentle tales set in Minnesota and North Dakota and all written during the 1970s treat fans of novelist Hassler A Green Journey Jemmy to the earliest fruits of his talent Some are folksy portraits of small town characters while others are drier and more plot driven Both the title story and Resident Priest feature crusty 74 year old Father Fogarty a pastor who s leaving his parish after 23 years In Chief Larson a seven year old Indian boy known rather improbably only as chief on the reservation rebels in a small but telling way

against his white adoptive family Good News in Culver Bend tracks two city reporters who travel to a small town and discover the heart of Christmas Chase and Christopher Moony and the Birds show how frustrated residents of small towns seek solace The former so brief it's nearly a prose poem hints at Hassler's own adolescent discovery of his talent for fiction the latter follows a lonely 50 year old college professor as he goes on a consolatory walk with a student's awkward wife and child watching birds on family outings hopping and halting on the grass The cleverest story Yesterday's Garbage follows a garbologist who finds the truth about a murder in a trash bin and is then led to commit one himself The publisher plans to issue Hassler's later short fiction in three more volumes starting in the year 2000 Sept Copyright 1999 Cahners Business Information Inc This text refers to the Hardcover edition      *Applications for Your Computer and You* Nancy J.
