Douglas, 1993-01-01 **The fourth principle of Christ's doctrine vindicated, a brief answer to H. Danvers book, intitled, A treatise of laying on of hands** Thomas Grantham, 1674 **Salvation with a Smile** Phillip Luke Sinitiere, 2015-11-13 Joel Osteen the smiling preacher has quickly emerged as one of the most recognizable Protestant leaders in the country His megachurch the Houston based Lakewood Church hosts an average of over 40 000 worshipers each week Osteen is the best selling author of numerous books and his sermons and inspirational talks appear regularly on mainstream cable and satellite radio How did Joel Osteen become Joel Osteen How did Lakewood become the largest megachurch in the U S Salvation with a Smile the first book devoted to Lakewood Church and Joel Osteen offers a critical history of the congregation by linking its origins to post World War II neopentecostalism and connecting it to the exceptionally popular prosperity gospel movement and the

enduring attraction of televangelism In this richly documented book historian Phillip Luke Sinitiere carefully excavates the life and times of Lakewood s founder John Osteen to explain how his son Joel expanded his legacy and fashioned the congregation into America s largest megachurch As a popular preacher Joel Osteen s ministry has been a source of existential strength for many but also the routine target of religious critics who vociferously contend that his teachings are theologically suspect and spiritually shallow Sinitiere s keen analysis shows how Osteen s rebuttals have expressed a piety of resistance that demonstrates evangelicalism s fractured but persistent presence Salvation with a Smile situates Lakewood Church in the context of American religious history and illuminates how Osteen has parlayed an understanding of American religious and political culture into vast popularity and success

**Four Views on Divine Providence** William Lane Craig,Ron Highfield,Gregory A. Boyd,Paul Kjoss Helseth,2011-04-19 Questions about divine providence have preoccupied Christians for generations to what degree does God concern himself with and intervene in the affairs of everyday life This book introduces readers to four prevailing views on divine providence with particular attention to the questions of human free will the problem of evil and God s perception of time Volume contributors and their basic viewpoints are Paul Helseth God causes every creaturely event that occurs William Lane Craig through his middle knowledge God controls the course of worldly affairs without predetermining any creatures free decisions Ron Highfield God controls creatures by liberating their decision making Gregory Boyd human decisions can be free only if God neither determines nor knows what they will be Introductory and closing essays by Dennis Jowers give relevant background and guide readers toward their own informed beliefs about divine providence Four Views on Divine Providence helps readers think theologically and biblically about all the issues involved in exploring this doctrine The point counterpoint format reveals the assumptions and considerations that drive equally learned and sincere theologians to disagreement with each other It unearths the genuinely decisive issues beneath a philosophically dense debate The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the

different positions on a specific issue and form their own educated opinion      *Breakthrough Prayer* Guillermo Maldonado,2018-10-02 Prayer is not a practice or a ritual It is a place A secret place in the Spirit A place of divine encounters with our heavenly Father where we express our love for Him and enter the dimensions of His glory and power Where we welcome His presence receive His revelation and guidance for our life and are empowered to serve His purposes on earth while experiencing the outpouring of His grace through miracles healings deliverances and salvations With a scriptural foundation the conviction of personal experience and the evidence of many testimonies Guillermo Maldonado passionately reveals how to enter this place in the Spirit so we as the body of Christ can become a house of prayer Discover the joy of two way communication with the Father Learn not only to hear His voice but to listen and act on what He is saying to you See how to build momentum in your prayer life creating a spiritual atmosphere in which God moves powerfully on behalf of His people Discover essential keys for breakthrough and how to have all your prayers answered according to God's will and Word There has never been a more vital time to find our place in prayer We are in a period of increased opposition from the enemy as we draw closer to the day of Christ's return This requires us to attain a higher level of spiritual power and authority which can only come through breakthrough prayer that ushers us into God's presence Nothing else will prepare us to meet the challenges that are coming our way Nothing else will prepare us for the second coming of Christ Now is the time to be spiritually vigilant Now is the time to watch and pray      **A Modern Ninety-Five** Nancy A. Almodovar,2008-06-01 In 1517 an Augustinian monk by the name of Martin Luther nailed ninety five statements to the door at Castle Church in Wittenberg Germany This was not a means of open debate but a desire to discuss scholarly objections to church practices of the time Five centuries later many of the same errors and heresies have crept back into the evangelical church A modern ninety five theses couched in new terms for a new generation require scholarly debate once again Through modern day apostles and prophets and through the elitists within the evangelical church the doctrine of buying God's grace and favor has been propagated through appeals for seed offerings and atonement day donations in order to garner God's blessings Pragmatic approaches to preaching the gospel through such movements as the seeker driven models have moved the focus of the message of Christ and the worship of God from being God centered to human centered Sound historical doctrines such as the Trinity have been relegated to the sidelines in favor of unity and ecumenicalism with Oneness preachers In the words of Martin Luther Out of love for the truth and the desire to bring it to light the following propositions need to be discussed in their entirety by church leaders pastors and laypeople alike      *How to Walk in the Supernatural Power of God Study Guide* Guillermo Maldonado,2011-05-10 Experience Signs Wonders Miracles Today This study guide companion to How to Walk in the Supernatural Power of God will help you to grasp the full revelation of God's miraculous power and authority These incredible gifts are available for today's believers just as they were during ancient biblical times for healings miracles and deliverances In this guide designed for either individual or small group study Apostle Maldonado shares biblically based

insights that will enable you to personally discover how to Experience God's anointing to be more effective in ministry Understand and operate in the supernatural Minister healing to the sick Hear the voice of God Protect yourself from deception Develop a faith for the miraculous You too can walk in the supernatural power of God And these signs will follow those who believe Mark 16:17 NKJV      *The Prosperity Gospel: Truth or Lie ?* Jean Maurice Prosper, 2012-11-30 In this actual generation God is practically absent The World is now a place where personal glory fame and riches is the prime goal of everybody The society is now a success driven one and the importance of having money and riches has never been more important Christianity have unfortunately been caught up in this movement and we now have a new type of gospel known to many as the Prosperity Gospel For many this gospel is the intention or blessings that God has declared for his followers for others this is simply a twisted and corrupted version of the real Gospel This book is an invitation to review the claims of the prosperity gospel and at the same time review what the Bible really teaches Are we born to be rich and possess the world Are we to live in extreme riches and abundance until our Lord returns or are we called to live out as followers and disciples of Jesus being content with what we have and leaving everything we need to Jesus Does God really promises all the riches of the world to all of us once we start following Jesus Join me in this interesting and most important exploration of the hottest topic around The prosperity gospel      **Principles of Faith** Isaac Abravanel, 1982-09-01 Moses Maimonides was the first medieval Jewish thinker to posit a set of dogmas for Judaism his Thirteen Principles of Faith His statement initiated an extensive discussion among other medieval Jewish thinkers on the subject of dogma which had an important impact on subsequent Jewish thought The reaction to Maimonides innovation was complex some scholars accepted his position without reservation others accepted the idea that Jewish beliefs could be reduced to a creed but disagreed with Maimonides formulation still others rejected the project of creed formulation in Judaism altogether The locus classicus of this last position is the Rosh Amanah of Isaac Abranavel 1437-1508 Abravanel's ostensible aim in writing Rosh Amanah was to defend Maimonides creed from the attacks of its critics notably Hasdai Crescas and Joseph Albo and it contains the most exhaustive and systematic analysis of the Thirteen Principles ever written After twenty two chapters of sustained and zealous defence of Maimonides however Abravanel seems to contradict himself arguing at the end of his book that in fact Judaism has no dogmas whatsoever and that all its beliefs are equally valid fundamental and precious This is the first complete English translation of Abravanel's classic work and includes a comprehensive introduction and notes      *Cain, a Mystery* George Gordon Byron Baron Byron, Harding Grant, 1830      *The Mystery of Marriage: A Theology of the Body and the Sacrament* Perry J. Cahall, 2014-12-01 This remarkable study offers a comprehensive explanation of the Catholic Church's teaching on the sacrament of marriage Incorporating the rich insights found in St John Paul II's Theology of the Body Dr Cahall presents a theology of marriage that incorporates the biblical systematic pastoral and historical traditions which have shaped our understanding of this sacrament      **The Pursuit of God's Own Heart** John E. Leon, 2018-06-19 Only one man in the Old

Testament was given the profound description by God himself I have found in David a man after my own heart Acts 13 22 Why Why would God give David such a characterization Wasn't he also a man of failure Of contradictions After all today he would provide headlines for scandal adultery murder cover up and deception And despite those issues there are other pressing questions to ask What are the qualities of one who has such a heart after God What does that character look like This book takes us on a journey in the life of David discovering what God meant by such a divine inscription regarding the man who would become the greatest and most effective monarch in Israel's history But we will also discover something greater As we travel with David we will soon realize there is a larger story unfolding through David's story It's God's metanarrative His Story We will find there is a deeper message from God that transcends David's life The key that unlocks such a message is given to us long before David is born and spoken by God For those who honor me I will honor and those who despise me shall be lightly esteemed 1 Sam 2 30 As we begin to understand the meaning of this truth we will then learn why God gave David such a description Therefore it is through the lens of David's life we learn the meaning and purpose of the Christian life Why Because God did not intend such a divine inscription for David only but one which our heavenly Father desires to write on your heart and mine as we pursue to know him The Preachers of a Different Gospel Femi B. Adeleye, 2017-02-07 Name it and claim it Just have faith Give and you will get Catchphrases like this have convinced many Christians that trusting in God will bring health and wealth But the gospel does not promise prosperity without pain or salvation without sanctification Femi Adeleye draws on his wide ranging experience as he examines the appeal and peril of this new gospel of prosperity that has made deep inroads in Africa as well as in the West *The New Covenant* Watchman Nee, Witness Lee, 1981-10 **Prospering God's Way** ,
