

## **What is remedial reading program?**

The remedial reading is a supplemental reading program that consists of re-reading unfamiliar text until a satisfactory level of fluency is reached. Remedial reading is a strategy that implements assisted reading, reading while listening, and paired reading.

### **Why remedial reading is important?**

Improving the reading ability of students needs a lot of time, effort and cooperation on the part of the teacher and the students. Remedial reading can unlock reading difficulty of students, who find it hard to read, pronounce words, and don't even comprehend what they have read.

### **What is the goal in remedial instructions in reading?**

The goal of Remedial Reading is to dramatically reduce the number of students who have extreme difficulty learning to read and write. Remedial Reading is a highly effective short-term intervention of tutoring struggling readers in both an individualized and small group setting.

### **How do you conduct a remedial reading?**

1. 1 Assess the students. Assess the students that are in your remedial reading program.
2. 2 Group. Group your remedial reading students by reading level if possible.
3. 3 Plan your daily lessons. Plan your daily lessons.
4. 4 Introduce a book.

### **What is remedial literacy?**

Remedial programs address learning gaps by reteaching basic skills. They focus on core areas, like reading and math. Remedial programs are open to all students, including those with disabilities.

### **Who needs remediation?**

In higher education, we use the word "remediation" to describe what amounts to removing or fixing a deficit in people who are supposed to have some specific knowledge or skills but don't. The three common academic areas in which students are deemed to need remediation are writing, reading and math.

### **What is the main objective of remedial teaching?**

The objective of remedial teaching is to give additional help to pupils who, for one reason or another, have fallen behind the rest of the class in the subjects of Chinese, English and Mathematics. Children with learning difficulties have the same psychological needs and characteristics as other children.
