donated his time money and advice and insisted that his players graduate More than just a standard biography *A Fire to Win* explores the psychological motivations of one of the most complex of coaches First and foremost Woody Hayes was a coach and his achievements are stunning While at Ohio State he won five national titles and thirteen Big Ten Conference championships made eight Rose Bowl appearances and earned two national Coach of the Year awards His killer instincts honed in the navy where he commanded a destroyer escort in the Pacific during World War II helped him lead his teams to a 30 9 winning average Moreover Hayes s lifetime coaching record 238 72 10 puts him in the first rank of college coaching immortals No other coach has won more games in a shorter period John Lombardo uses his extensive sports writing experience to craft an accurate portrait of one of the most complex and fascinating figures in football Countless interviews of former players assistant coaches administrators faculty associates and friends shape the image of Hayes and his career which spanned the mid 1940s to the late 1970s during a tremendous period of change in American society

Coach "Catfish" Smith and His Boys Glen Onley,2004 Milburn Catfish Smith rose from the humblest of beginnings in rural East Texas to lead the Carey Cardinals and the Mount Vernon Tigers to numerous football and basketball championships including Texas State Schoolboy titles In doing so he defied the sports gurus of his day many of whom subsequently credited him with three of the greatest coaching feats of his century How did he do it Here for the first time the secret behind this most unusual and colorful man s success is revealed unknown until now even by many of his former players His Boys No slow climb to the top was acceptable for this firebrand coach In his first year he took his Carey Cardinals a school with less than one hundred enrollment and no basketball court to a fourth place finish in the Texas Schoolboy state basketball tournament including a twenty six game winning streak The twenty three year old coach followed that with a 50 2 season and the state championship back when the smallest schools competed against the

largest for the coveted title World War II soon interrupted his career as it did that of many of his contemporaries but the experience was to change Catfish deeply and in ways even his closest friends did not understand Called to Mount Vernon Texas in September 1943 to temporarily fill a coaching vacancy Catfish exceeded all expectations Seven years later with two hundred fourteen victories and over twenty titles including district bi district regional and state crowns he was one of the most recognized high school coaches in the state of Texas
