France Dropping In Onhardcover:

Aerial Propaganda and the Wartime Occupation of France, 1914-18 Bernard Wilkin, 2016-09-13 Aerial Propaganda and the Wartime Occupation of France 1914 1918 explores the combined role played by the French and British Governments and Armies in creating and distributing millions of aerial newspapers and leaflets aimed at the French population trapped behind German lines Drawing on extensive research and French German and British primary sources the book highlights a previously unknown aspect of psychological warfare that challenges the established interpretation that the occupied populations lived in a state of total isolation and that the Allied governments had no desire to provide them with morale support Instead a very different picture emerges from this study which demonstrates that aerial propaganda not only played a fundamental role in raising morale in the occupied territories but also fuelled resistance and clandestine publications This book demonstrates that the existing historiographical portrayal of the occupied civilian as an uninformed victim must be replaced by a more nuanced interpretation (Not Quite) *Mastering the Art of French Living* Mark Greenside, 2018-05-08 WALL STREET JOURNAL BESTSELLER Every year upon arriving in Plobien the small Breton town where he spends his summers American writer Mark Greenside picks back up where he left off with his faux pas filled Francophile life Mellowed and humbled but not daunted OK slightly daunted he faces imminent concerns What does he cook for a French person Who has the right of way when entering or exiting a roundabout Where does he pay for a parking ticket And most dauntingly of all when can he touch the tomatoes Despite the two decades that have passed since Greenside's snap decision to buy a house in Brittany and begin a bi continental life the quirks of French living still manage to confound him Continuing the journey begun in his 2009 memoir about beginning life in France Not Quite *Mastering the Art of French Living* details Greenside's daily adventures in his adopted French home where the simplest tasks are never straightforward but always end in a great story Through some hits and lots of misses he learns the rules of engagement how he gets what he needs which is not necessarily what he thinks he wants and how to be grateful and thankful when especially when he fails which is more often than he can believe Introducing the English speaking world to the region of Brittany in the tradition of Peter Mayle's homage to Provence Mark Greenside's first book *I'll Never Be French* continues to be among the bestselling books about the region today Experienced Francophiles and armchair travelers alike will delight in this new chapter exploring the practical and philosophical questions of French life vividly brought to life by Greenside's humor and affection for his community **Fields of Fire - an Atlas of Ethnic Conflict (hardback edition)** Stuart A. Notholt, *A Year at the French Farmhouse* Gillian Harvey, 2022-09-29 Chase your dreams and follow your heart I loved it Heidi Swain After ten years of loyal service Lily Butterworth has been made redundant Like any clever woman she knows the cure to redundancy is a little too much wine and her best friend Only the next morning Lily has more than a hangover she has a whole new house in France Seeing this as an opportunity instead of a disaster she's excited about finally moving to France just as she and her husband always dreamed

of However Lily is in for another surprise Despite planning to move there for over 20 years her husband never actually intended to go So begins a year in France alone renovating the gorgeous old farmhouse that is held together by wallpaper and wishes Will a year at the French farmhouse be just what Lily needs Or could it be the previous owner Frederique that is the answer to Lily s dreams Escape to France with this warm witty romantic read perfect for fans of Sarah Morgan Jennifer Bohnet and Debbie Macomber Praise for Gillian Harvey A gorgeous escapist story of second chances I loved it Alex Brown Unputdownable A Year At The French Farmhouse is the ultimate feel good novel I was right there with the characters soaking up the atmosphere rooting for Lily and willing for everything to turn out right Paula Greenlees The perfect feel good read Uplifting touching and really quite hilarious It s like going on holiday without leaving the house Tim Ewins Irresistible Sparkles with warmth wit and compassion A treat from start to finish Nicola Gill There s nothing like a book where the main character gets to change her life dramatically to get my attention Warm and wonderful Really relatable and lovely and made me want to jump right in Definitely an uplifting heartwarming escapist novel to be read with a DO NOT DISTURB sign because once you start that very first page you are not going to want to put it down Kim Nash As delightful as it is moving a true gem of a novel enchanting wise and wonderfully uplifting Isabelle Broom
