**Ghost Stories** Rudyard Kipling,2015-01-06 This is not exactly a book of downright ghost stories as the cover makes belief It is rather a collection of facts that never quite explained themselves All that the collector is certain of is that one man insisted upon dying because he believed himself to be haunted another man either made up a wonderful lie and stuck to it or visited a very strange place while the third man was indubitably crucified by some person or persons unknown and gave an extraordinary account of himself Rudyard Kipling The tales are quite as grisly as any one will demand although Mr Kipling makes fun of all of them and insinuates that they can be traced back to some variety of Indian fever or to the high spirits which are absorbed from bottles with popular labels N Y Herald      The Annual Register, Or a View of the History, Politics, and Literature for the Year ... ,1782      100 Tales from the Tokyo Ghost Café Julian Sedgwick,2023-11-23 A ghostly journey through Northern Japan in search of yokai monsters and the Otherworld told equally in manga and prose by Julian Sedgwick and Chie Kutsuwada      **Pronouns in Literature** Alison Gibbons,Andrea Macrae,2018-01-04 This edited collection brings together an international interdisciplinary group of scholars who together offer cutting edge insights into the complex roles functions and effects of pronouns in literary texts The book engages with a range of text types including poetry drama and prose from different periods and regions in English and in translation Beginning with analyses of the first person pronoun it moves onto studies of the subject dynamics of first and second person before considering plural modes of narration and how pronoun use can help to disperse narrative perspective The volume then debates the functional constraints of pronouns in fictional contexts and finally reflects upon the theoretical advancements presented in the collection This innovative volume will appeal to students and scholars of linguistics stylistics and cognitive poetics narratology theoretical and applied linguistics psychology and literary criticism      The Ghost in the Attic George Sands Bryan,1926      **The annotated household Shakspeare.
