## **Gianfranco Ferre:**

**Gianfranco Ferré** Maria Luisa Frisa, 2010 Gianfranco Ferré was known as the architect of fashion his attention to detail is legendary as is his original attitude towards creating fashion design In his long career as a designer he also delivered hundreds of lectures on fashion in many different schools and colleges around the world **A New History of "Made in Italy"** Lucia Savi, 2023-01-26 Shortlisted for the Association of Dress Historians Book of the Year Award 2024 In the first book to examine the role played by textile manufacturing in the development of fashion in Italy A New History of Made in Italy investigates Italy's transition from a country of dressmakers tailors and small scale couturiers in the early post Second World War period to a major producer of ready to wear fashion in the 1980s It takes the reader from Italy's first internationally attended fashion show in 1951 to Time magazine's Giorgio Armani April 1982 cover story which signalled the fashion designer's international arrival and Milan's presence as the capital of ready to wear Chapters focus for the first time on the material substance of Italian fashion textile looking at questions including the importance of manufacturing quality design innovation composition production techniques commerce and the role of textile on the country's overall fashion system Through these Lucia Savi brings to light the importance of synthetic fibres previously little known players such as the carnettisti a type of textile wholesalers as well as re-investigating well known couturiers and designers such as Simonetta Gianfranco Ferré and Gianni Versace By looking at how things are made by whom and where this book seeks to unpack the Made in Italy label through a focus on making Informed by extensive archival materials retrieved from a wide range of sources it brings together the often separated disciplines of fashion textile and design history **Spa** Robert D. Henry, Julie D. Taylor, The Images Publishing Group, 2005 Spa The Sensuous Experience provides a timely exploration of 40 of the very best spas created over the years from more recent examples to traditional destinations that have become classic icons in the spa world [The Fashion Lover's Guide to Milan](#) Rachael Martin, 2021-04-14 Milan is the European fashion capital with one of the world's most unique luxury fashion districts where the leaders of some of the most exclusive fashion houses are still living and working today It's the Italian city whose skyline has changed more than any and whose fashion industry has extended to encompass the worlds of design restaurants bars exhibition spaces hotels and more Whether you're looking for designer labels within the city's luxury fashion district prefer to browse the city's boutiques or pick up some quality vintage at the city's vintage shops and markets this is the guide that will tell you where to go Split into geographical sections along with relevant maps cultural highlights and suggestions for where to eat and drink it places Milan as the city of fashion within the context of Italian fashion history and a city and brings the stories of its people to life Why did Milan become Italy's fashion capital And what does it offer the fashion lover as a city today **New York Magazine**, 1985-06-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from

politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea La camicia bianca secondo me Gianfranco Ferré, 2015-02-23 A homage to the work and talent of the architect fashion designer who since the early days of his career succeeded in establishing an ongoing dialogue between architecture and fashion creating a new code with which these two difficult and complex worlds could perfectly combine Ferré himself affirmed I believe that most part of my creative process is based on my background and training as an architect For me fashion is poetry intuition imagery but also a methodic and project oriented discipline based on the fact that a dress is the result of a programmed and acknowledged intervention on forms and shapes In a magical play of lightness and transparency 27 shirts selected from the most extraordinary shirts Ferré designed during his over 20 year long activity testify to Ferré's creative genius and to the technical and project quality he put into the construction of this garment which Ferré himself considered the sign of his style These superb creations include the silk bustier that blossoming like a delicate calla lily stands out like a corolla framing the woman's face almost defying the law of gravity and the outstanding upside down shirt whose utmost innovative structure turns this garment into an object of pure design The catalogue features a wide selection of images including Ferré's sketches and designs unique work sheets capable of illustrating with only a few lines the essence of the garment and the core idea of each project highlighting all the precious particulars from the quality of the fabric to the dramatic details and the hidden finishings *Curating Italian Fashion* Matteo Augello, 2022-11-17 Italy is a major player in the global fashion industry yet little has been written about its contribution to fashion curation This book explores the management display and curation of Italian fashion heritage highlighting the role played by companies and industry associations By contextualising fashion curation within Italy's economy culture and art historical tradition *Curating Italian Fashion* unfolds the ties between the preservation of fashion heritage and corporate policies It traces the shift of companies from sponsors to cultural producers and discusses the different uses of archives and exhibitions Through the critical analysis of key examples such as Salvatore Ferragamo and Pitti Immagine this book illustrates how the inevitable commercial interests underlying fashion curation can exist alongside the scholarly contribution of corporate initiatives Most importantly it defines the curatorial approaches developed by the involvement of the industry in fashion curation thus providing an overarching interpretation of the characteristics of this practice in Italy Matteo Augello provides an unprecedented insight into the management of Italian fashion heritage and presents a comprehensive account of the development of fashion curation in Italy drawing from archival records existing literature and oral history This book is essential reading for scholars industry professionals and students interested in the intersections of curation heritage national identity and corporate cultural policies **Official Gazette of the United States Patent and Trademark Office**, 2000 **Top 10 Milan & The Lakes** Reid Bramblett, 2011-04-01 Drawing on the same standards of accuracy as the acclaimed DK Eyewitness Travel Guides DK Top 10 Milan The Lakes uses

exciting photography and excellent cartography to provide a reliable and useful travel guide in ebook format Dozens of Top 10 lists provide vital information on each destination as well as insider tips from avoiding the crowds to finding out the freebies The DK Top 10 Guides take the work out of planning any trip
