Libidinal Currents:

Libidinal Currents Joseph Allen Boone, 1998-02-03 According to scholar Joseph Allen Boone modern fiction with its strong currents of sexuality creates a poetics of the perverse with the power to influence how we think Challenging common theories Boone constructs a model for interpreting sexuality that reaches from Freud's theory of the libidinal instincts to Foucault's theory of sexual discourse A landmark work in the study of modernist fiction and the study of sexuality and gender

Libidinal Currents Joseph Allen Boone, 1998-02-28 From Kate Chopin and Virginia Woolf to William Faulkner and Doris Lessing modern fiction surges with libidinal currents The most powerful of these fictions are not merely about sex rather they attempt to incorporate the workings of eros into their narrative forms In doing so Joseph Allen Boone argues these modern fictions of sexuality create a politics and poetics of the perverse with the power to transform how we think about and read modernism Challenging overarching theories of the novel by carefully mapping the historical contexts that have influenced modern experimental narratives Boone constructs a model for interpreting sexuality that reaches from Freud's theory of the libidinal instincts to Foucault's theory of sexual discourse The most ambitious study yet written on the links between literary modernity and the psychology of sex Boone's *Libidinal Currents* will be a landmark book in the study of modernist fiction gay studies queer theory feminist criticism and studies in sexuality and gender

Eileen Gray and the Design of Sapphic Modernity Jasmine Rault, 2017-07-05 The first book length feminist analysis of Eileen Gray's work Eileen Gray and the Design of Sapphic Modernity Staying In argues that Gray's unusual architecture and design as well as its history of abuse and neglect emerged from her involvement with cultures of sapphic modernism Bringing together a range of theoretical and historical sources from architecture and design communication and media to gender and sexuality studies Jasmine Rault shows that Gray shared with many of her female contemporaries a commitment to designing spaces for sexually dissident modernity This volume examines Gray's early lacquer work and Romaine Brooks' earliest nude paintings Gray's first built house E 1027 in relation to Radclyffe Hall and her novel *The Well of Loneliness* and Gray's private house Tempe nbsp Pailla with Djuna Barnes Nightwood While both female sexual dissidence and modernist architecture were reduced to rigid identities through mass media women such as Gray Brooks Hall and Barnes resisted the clarity of such identities with opaque non communicative aesthetics Rault demonstrates that by defying the modern imperative to publicity clarity and identity Gray helped design a sapphic modernity that cultivated the dynamism of uncertain bodies and unfixed pleasures which depended on staying in rather than coming out

Literary Modernism, Queer Temporality Kate Haffey, 2019-04-24 This book explores the intersection between the recent work on queer temporality and the experiments of literary modernism Kate Haffey argues that queer theory's recent work on time owes a debt to modernist authors who developed new ways of representing temporality in their texts By reading a series of early twentieth century literary texts from modernists like Woolf Eliot Faulkner and Stein alongside contemporary authors this book examines the way in which modernist writers challenged

narrative conventions of time in ways that both illuminate and foreshadow current scholarship on queer temporality In her analyses of contemporary novelists and critics Michael Cunningham Jeanette Winterson Angela Carter and Eve Sedgwick Haffey also shows that these modernist temporalities have been reconfigured by contemporary authors to develop new approaches to futurity

The “Here and Now” of French Psychoanalysis Rachel Boué-Widawsky, 2024-08-29 The Here and Now of French Psychoanalysis provides an overview of the living psychoanalytic landscape in France through the voice of experienced psychoanalysts who continue to transform the legacy of Freud Lacan and others in their publications and clinical practice Rachel Bou Widawsky interviews a wide range of practitioners underscoring the specificities of French psychoanalysis and exploring how the French psychoanalytic community has responded theoretically and clinically to the global crisis of the COVID 19 pandemic and racial and gender issues Mimicking the process of psychoanalytic dialogue the interview format allows for a lively and engaging discussion of each practitioner s theoretical background and their clinical approach Bou Widawsky includes leading individuals in the field as well as representatives of key institutions including La Maison de Solenn and the Centre Jean Favreau The Here and Now of French Psychoanalysis presents an accessible introduction to this distinctive psychoanalytic landscape It will be essential reading for psychoanalysts in practice and in training and for academics and students of psychoanalytic studies

Co-Operation, Tolerance, And Prejudice Samuel Lowy, 2013-10-08 This is Volume V of seven in the Social Psychology series Initially published in 1948 this study serves as a contribution to social and medical psychology The type of prejudice with which this book deals is that kind of belief system which accompanies an irrational hatred for some group of other people

Rethinking the Psychoanalysis of Masculinity Karl Figlio, 2023-12-19 Drawing on a broad range of psychoanalytic cultural and social influences the author examines the concept of toxic masculinity for how it brings into focus a widespread anxiety about toxicity throughout daily life In nature society and personal relationships Aggressive misogynistic masculinity has become a major topic in recent years spreading throughout popular culture the media and research Often called phallic it simmers in everyday life and hits the headlines for turning florid and violent in maintaining its dominance especially towards women But at the extreme phallic masculinity has recently crystallized in a very different form as toxic masculinity and toxic has become the near universal epithet for all forms of extreme destructiveness in a toxic culture It has brought into focus and named as masculine an anxiety over toxicity in every corner of everyday life Exploring toxic masculinity in depth brings out a misogynistic current that pervades individual and social realms but also throws a sharp light on normal masculinity By elaborating on the roots of this toxicity Figlio is able to draw out a different more positive alternative for masculinity with particular reference to the underlying fears around fertility and the seminal With a strong research and clinical base this book is essential reading for all psychoanalysts and psychoanalytic psychotherapists and cultural and social theorists interested in exploring concepts of masculinity

Traces of Dialogue Mads Thygesen, 2025-06-26 This book offers a captivating exploration of the evolving dynamics of language

dialogue and identity in modern theatre highlighting the pioneering contributions of European playwrights Martin Crimp Jon Fosse Sarah Kane Elfriede Jelinek and Roland Schimmelpfennig The study reveals the complex interplay between written text and theatrical performance upending traditional perceptions of language and personal identity It demonstrates how the work of these writers serves as a catalyst for actors directors and designers and encourages a deep dive into their creative processes by interrogating their boundary pushing works Covering the pivotal era of the 1990s and 2000s the book considers the emergence of postdramatic theatre in particular the transition from conventional storylines and characters to avant garde forms and narratives It considers the role of language in crafting character identities and examines how contemporary textual approaches mirror and scrutinise the philosophical and aesthetic discussions of the late modern era Ultimately this book navigates the intricacies of modern dramaturgy and lauds the transformative potential of theatre to captivate and innovate challenging a wide readership to re evaluate the significance of dialogue and identity in contemporary theatre

The Formation of 20th-Century Queer Autobiography G. Johnston, 2016-04-30 In their literary autobiographies modernists Vita Sackville West Gertrude Stein Virginia Woolf and H D Hilda Doolittle challenge the scientific figures of the perverse lesbian particularly those promulgated by Havelock Ellis and Sigmund Freud By multiplying their I s manipulating subject and object divisions undermining boundaries between writer and audience and using repetition to code erotic moments these writers queer the terms of autobiography That queering requires understanding autobiography as more institutional than introspective and the autobiographies themselves question the very theories that determine them theories of lesbianism female development and memory

Disavowed Knowledge Peter Maas Taubman, 2012-05-22 This is the first and only book to detail the history of the century long relationship between education and psychoanalysis Relying on primary and secondary sources it provides not only a historical context but also a psychoanalytically informed analysis In considering what it means to think about teaching from a psychoanalytic perspective and in reviewing the various approaches to and theories about teaching and curriculum that have been informed by psychoanalysis in the twentieth century Taubman uses the concept of disavowal and focuses on the effects of disavowed knowledge within both psychoanalysis and education and on the relationship between them Tracing three historical periods of the waxing and waning of the medical therapeutic and emancipatory projects of psychoanalysis and education the thrust of the book is for psychoanalysis and education to come together as an emancipatory project Supplementing the recent work of educational scholars using psychoanalytic concepts to understand teaching education and schooling it works to articulate the stranded histories the history of what could have been and might still be in the relationship between psychoanalysis and education

Freud, V.1 Paul E. Stepansky, 2015-01-28 A response to the veritable renaissance in Freud studies *Freud Appraisals and Reappraisals* presents the readers with the fruits of recent scholarship on Freud the man and scientist and the origins and development of the psychoanalytic movement spawned by his work The premier volume of this series offers three major essays embodying different tributaries of

contemporary Freud research Peter Swales drawing on extensive archival research reveals the identity and explores the life and times of the woman Freud terms his first teacher but presented to his readers only as the Frau Caecilie M of the Studies on Hysteria Barry Silverstein brings together complementary strands of textual analysis and psychobiographical reconstruction in his provocative reconsideration of the circumstances surrounding Freud's lost papers on metapsychology Finally Edwin Wallace's integrative review of Freud's scattered remarks on ethics and morality combined with his appraisal of Freud's personal ethics yield a measured and scholarly account of Freud as ethicist Briefer essays on Freud and the oral tradition Patrick Mahony Freud's psychology of religion Paul Stepansky and recent assessments of Freud's character John Gedo round out a volume that is destined for a place of distinction in the secondary literature on Freud Collectively these essays represent a most auspicious debut for the new series they admirably bear out Paul Stepansky's intent of presenting readers with original articles that embody high scholarship and a thought provoking and imaginative use of the fruits of this scholarship

Rethorizing Shakespeare through Presentist Readings James O'Rourke, 2011-11-18 This book offers a theoretical rationale for the emerging presentist movement in Shakespeare studies and goes on to show in a series of close readings that a presentist Shakespeare is not an anachronism Relying on a Brechtian aesthetic of naïve surrealism as the performative model of the early modern urban public theater James O'Rourke demonstrates how this Brechtian model is able to capture the full range of interplays that could take place between Shakespeare's words the nonillusionist performance devices of the early modern stage and the live audiences that shared the physical space of the theatre with Shakespeare's actors O'Rourke argues that the limitations placed upon the critical energies of early modern drama by the influential new historicist paradigm of contained subversion is based on a poetics of the sublime which misrepresents the performative aesthetic of the theater as a self-sufficient spectacle that compels reception in its own terms Reimagining Shakespeare as our contemporary O'Rourke shows how the immanent critical logic of Shakespeare's works can enter into dialogue with our most sophisticated critiques of our cultural fictions

The Slave in Legal and Political Philosophy Tom Frost, 2025-02-18 This book explores how the figure of the slave has been used to construct ideas of freedom in Western political and legal philosophy The figure of the slave has supported philosophical and legal defences of colonialism coloniality and the supremacy of the white subject Yet for Giorgio Agamben the slave stands almost counterintuitively as an exemplar of a potential form of future positive political existence Developing this line of thought the book reads key thinkers Agamben engages with in his thought and writings including Aristotle Saint Paul and G.W.F. Hegel and draws on decolonial theory to argue that the lives of people who were enslaved and unfree and their actions and gestures can point towards a paradigmatic form of political belonging By reading Agamben in a decolonial direction we can imagine alternative forms of agency recognition and subjectivity which can challenge the necropolitical world of racial capitalism in which we live This study will appeal to scholars researchers and graduate students with an interest in the thought of Giorgio Agamben radical politics

legal and political philosophy and decolonial theory Men's Silences Jonathan Rutherford, 2023-03-31 First published in 1992 Men's Silences represents a personal and a political attempt to break out of the narrow parameters of men's sexual politics. It focusses on men's feelings to language. The early chapters provide a social context for exploring the practice and theorizing of men's sexual politics. The book continues by developing an alternative theoretical framework for addressing male subjectivity using Wittgenstein's theory of language and the psychoanalytic theories of Winnicott, Bion and Klein. The author argues for the centrality of the pre-oedipal mother-son relationship in the making of male subjectivity, language and identity. This book will be of interest to students of sociology, gender studies, political science and cultural studies. **The**

Psychotic Core Michael Eigen, 2018-05-30 This book examines the key ordering/disordering processes of the psychotic self. It draws on Sigmund Freud, Jung, object relation and selfpsychologies and particularly the work of Winnicott, Bion and Elkin.

A Thousand Plateaus Gilles Deleuze, 1987 Suggests an open system of psychological exploration to cut through accepted norms of morality, language and politics. **The Psychology and Politics of the Collective** Ruth Parkin-Gounelas, 2012 Within the context of shifting social bonds in global culture, this book brings together debates on the left from political philosophy, psychoanalysis, social psychology and media and cultural studies to explore the logic of the formation of collective identities from a new theoretical perspective. **Freud on Sublimation** Volney P. Gay, 1992-09-01 This book is the only full-length treatment of the relationship between aesthetic truths and psychoanalytic discoveries of art, artists and a new concept of sublimation. It provides a radical and unique study of the concept of sublimation and proposes a modest replacement for it. In the first third of the book, the author reviews critically the psychoanalytic sources of the concept of sublimation. In the second third, he shows how the concept developed from Freud's nineteenth-century notions of perception. In the last third, he revises a concept of sublimation using a contemporary theory of perception. In the final chapter, he examines four works of literature: short stories of John Cheever, a Japanese novel, portions of Hamlet and sublimation and perversion in Orson Welles' Citizen Kane.

J.G. Ballard Andrzej Gasiorek, 2024-07-30 This book offers a comprehensive account of the work of J.G. Ballard, regarded by several critics as one of the most significant fiction writers of recent times. Ballard's early science-fiction writing earned him plaudits as one of the most innovative and individual voices in the field, but his development as a writer has taken him far beyond the confines of any single genre. This book traces Ballard's career from his early science-fiction short stories and novels to his most recent work, particularly his timely reflections on the role of violence in contemporary social life. It argues that Ballard's writing is characterised by a distinctive vision of the post-war world and its possible futures and suggests that his far-reaching analyses of the present age make him one of the indispensable commentators of our time.
