

A photograph of a church interior, likely a sanctuary or chapel. In the foreground, a dark wooden pulpit holds an open book, possibly a Bible or a liturgical text. Two tall, white candles in ornate brass holders stand on either side of the book. A small, black, gooseneck microphone is positioned above the book. The background is softly blurred, showing the architectural details of the church, including arched windows and columns. The overall atmosphere is solemn and reverent.

Lies From The Pulpit:

Lies from the Pulpit Connie Wiedeman,2004-02-09 In *Lies From The Pulpit* author Connie Wiedeman points to Scripture that labels as liars such international Christian leaders as Billy Graham Pat Robertson Robert Schuller Charles Stanley even the Pope As evidenced by the unprecedented success of the Left Behind series nothing seems to be more in the forefront of the minds of Christians or is to them more fascinating than biblical prophecies or other matters relating to their eternal destination Since people everywhere resist any challenge to their long held deeply felt beliefs no matter how correct the challenge nor how wrong the belief *Lies From The Pulpit* will surely find a place high on the must read list and its author at the top of the hit list of most Christian denominations **The Top 10 Stinking Lies From The Pulpit** Rick

White,2021-03-09 In *The Top 10 Stinking Lies From The Pulpit* Rick White challenges ten beliefs that are taught in many churches today A few of these are taught in nearly every church Rick uses an abundance of verses to debunk these Christian myths that have caused the faith of many to be shipwrecked Your theological notions very well may be challenged while reading That is the express purpose of this book to shed the light of Scripture on some very common false teachings With humility and humor Rick leaves you with confidence in the grace of God If you trust in your own human nature to be good and holy you may hate this book But if you read to the end you may be set free from legalism and religion and you will see the Amazing Grace of God in a new way *Racism and Racist Lies from the Pulpit Over 100 Lies Revealed* Benny D.

Prince,2010-08 Racism is not only a sin but the truth is it is a most horrific sin which the Bible points out many times As individuals and as a nation we must repent of this horrible sin We should be just as diligent in combating this sin as we are in combating all other sins The Church in America which has been woefully derelict in spearheading the eradication of this sin needs to step up to the plate and do what God has commissioned it to do because if America does not repent of this horrible sin which continues to be a national sin then God will have no choice but to judge America and we will all then suffer even more for America s sin of racism The Church and the Plain Man David John Davies,1919 **the quiver** ,1865

existence of the next world that was supposed to house the souls of the faithful departed And now in the early spring of 1973 those same explorers following in the footsteps of Neil Armstrong and Buzz Aldrin have made several voyages to the moon never having found any solid evidence to support the existence of such a world In the absence of any solid definitive evidence Dan reasons life itself may be meaningless after all Standing on the brink of despair Dan phones his friend Charlie and the two of them embark on a night journey through Spokane s pouring rain Ride along with them as Dan continues his search for and finally this time to find the magic that has the potential to restore hope and vitality to any Valley of Ashes **Digging**

Pastors Believe Dayton Hartman,2017-10-09 Everyone is tempted to believe lies about themselves For many pastors the lies they re tempted to believe have to do with their identity that God has called them to lead a movement that they must sacrifice their home life for their ministry life or that their image as holy is more important than their actual pursuit of holiness In *Lies Pastors Believe* pastor and professor Dayton Hartman takes aim at these and other lies he has faced in his own ministry and seen other pastors struggle with With a winsome and engaging style Hartman shows current and future pastors why these lies are so tempting the damage they can do and how they can be resisted by believing and applying the truth of the gospel

Nine Lies Told from the Pulpit Bertha Kufa Nhemwa,2020-08-13 I was inspired to write this book because I am a preacher and teacher of the word I listen to many sermons and I read many Christian books From my revelation it shows the Kingdom of God is divided A Kingdom divided will not stand and I have seen the devil deceiving many believers Believers think that if the word is preached by a seasoned pastor it is true They do not have time to check what the Bible says and therefore they believe wrong doctrines The Bible has been manipulated and many lies have been taught on the pulpit to the extent that praise and worship is no longer about God but it is now about earthly possessions If you listen to many songs sung in churches there is no Christ in them This book will reveal some of the lies that we have heard from the pulpit and open people s eyes to the truth I want people to know the truth so that they are set free and I also want people to have their eyes opened so that they are able to identify the wolves dressed in sheep s clothing when they listen to men and women of God preaching A Believer who wants to open other believers eyes so that they may not be exposed to the wrong doctrines that are destroying peoples lives through lies told on the pulpit Those who worship God must worship him in spirit and in truth and I thrive to do just that I want to expose the lies of the devil whose messages sound good and convincing on the pulpit but in there lies deception I desire for truth to be told for the truth will set people free The Freethinker ,1917
