The Collected Works of W.B. Yeats Volume XIII: A Vision William Butler Yeats,2013-02-12 The Collected Works of W B Yeats Volume XIII A Vision is part of a fourteen volume series under the general editorship of eminent Yeats scholar George Bornstein and formerly the late Richard J Finneran and George Mills Harper One of the strangest works of literary modernism A Vision is Yeats s greatest occult work Edited by Yeats scholars Catherine E Paul and Margaret Mills Harper the volume presents the system of philosophy psychology history and the life of the soul that Yeats and his wife George n e Hyde Lees received and created by means of mediumistic experiments from 1917 through the early 1920s Yeats obsessively revised the book and the revised 1937 version is much more widely available than its predecessor The original 1925 version of A Vision poetic unpolished masked in fiction and close to the excitement of the automatic writing that the Yeatses believed to be its supernatural origin is presented here in a scholarly edition for the first time The text minimally corrected to retain the sense of the original is extensively annotated with particular attention paid to the relationship between the published book and its complex genetic materials Indispensable to an understanding of the poet s late work and entrancing on its own merit A Vision aims to be all at once a work of theoretical history an esoteric philosophy an aesthetic symbology a psychological schema and a sacred book It is as difficult as it is essential reading for any student of Yeats

A History of Preaching Volume 1 Rev. O.C. Edwards JR.,2016-04-25 A History of Preaching brings together narrative history and primary sources to provide the most comprehensive guide available to the story of the church s ministry of proclamation Bringing together an impressive array of familiar and lesser known figures Edwards paints a detailed compelling picture of what it has meant to preach the gospel Pastors scholars and students of homiletics will find here many opportunities to enrich their understanding and practice of preaching Volume 1 contains Edwards s magisterial retelling of the story of Christian preaching s development from its Hellenistic and Jewish roots in the New Testament through the late twentieth century s discontent with outdated forms and emphasis on new modes of preaching such as narrative Along the

way the author introduces us to the complexities and contributions of preachers both with whom we are already acquainted and to whom we will be introduced here for the first time Origen Chrysostom Augustine Bernard Aquinas Luther Calvin Wesley Edwards Rauschenbusch Barth all of their distinctive contributions receive careful attention Yet lesser known figures and developments also appear from the ninth century reform of preaching championed by Hrabanus Maurus to the reference books developed in the thirteenth and fourteenth centuries by the mendicant orders to assist their members preaching to Howell Harris and Daniel Rowlands preachers of the eighteenth century Welsh revival to Helen Kenyon speaking as a layperson at the 1950 Yale Beecher lectures about the view of preaching from the pew Volume 2 available separately as 9781501833786 contains primary source material on preaching drawn from the entire scope of the church's twenty centuries The author has written an introduction to each selection placing it in its historical context and pointing to its particular contribution Each chapter in Volume 2 is geared to its companion chapter in Volume 1's narrative history Ecumenical in scope fair minded in presentation appreciative of the contributions that all the branches of the church have made to the story of what it means to develop deliver and listen to a sermon A History of Preaching will be the definitive resource for anyone who wishes to preach or to understand preaching's role in living out the gospel This work is expected to be the standard text on preaching for the next 30 years says Ann K Riggs who staffs the NCC's Faith and Order Commission Author Edwards former professor of preaching at Seabury Western Theological Seminary is co moderator of the commission which studies church uniting and church dividing issues A History of Preaching is ecumenical in scope and will be relevant in all our churches we all participate in this field says Riggs from EcuLink Number 65 Winter 2004 2005 published by the National Council of Churches *The Monthly Cumulative Book Index* ,1907
