was located in a small truck gardening community where neighbors were more like extended family members The women did quilting bees and hosted homemade ice cream parties Kids played outside after dark and parents didn't worry about them Though the feeling of fear was predominant in most of the States my first dozen years were a blessing of rich soil this Acorn needed in order to be ready for her own future family of Saplings and Acorns So now let me in poetry form introduce you to how this family was formed Remember we're all constructing our own Memory Lanes and will have shared them with others But you are the Memory Keeper so love yourself and enjoy the life you were given **A Taste of Upstate New York** Chuck
