The Hour of the Dragon Robert E. Howard,2013-03-01 Robert E Howard is the creator of Conan the Barbarian one of the most unforgettable fantasy characters of all time In this novel one of the last of the Conan tales to be published before

Brown, William Contento, 1986 **Timeline: Okinawa** Stephen A. Mick McClary, 2022-03-31 This book will give you a basic understanding of the origin of Okinawa its emergence onto the world's stage and its evolution over the centuries to become the subtropical paradise that we've come to know and love Having collected so many books and papers about pre war wartime and post war Okinawa it occurred to me that there is an almost endless array of publications each offering abundant facts opinions and uncertainties as to events dates of events and details of just about every aspect of the principalities kingdom province then finally prefecture of Okinawa ken including its 27 year interruption under U S occupation There is no way to present a comprehensive volume that covers all aspects of Okinawa's past and present without necessitating the use of a wheelbarrow to move it from one place to the next it would be that big This book's content is inspired by and is representative of what I've read and to a lesser degree what I've researched on the Internet Some of it is derived from personal experience or observation If you can't find information on a particular subject that just means that I haven't experienced it don't have it in my library or perhaps I do but haven't read it yet **The Gothic Worlds of Peter Straub**

John C. Tibbetts, 2016-08-29 Horror novelist Peter Straub creates highly personalized fiction with an allusiveness and ambiguity that deny the genre's explicit nature For him the Gothic style is to be created and recreated in a changing world Faustian pacts buried secrets haunted places ghosts vampires and succubi take on strange new shapes and effects Stephen King describes Straub's style as a synthesis of horror and beauty Drawing on interviews with Straub and featuring an exclusive interview with King this study explores the work of the author who has been called a writer of rare wit and intelligence in a field beset with cynical potboilers Douglas E Winter Washington Post October 14 1984
