The map shows the state of Florida with its major cities and geographical features. The Gulf of Mexico is to the west, and the Atlantic Ocean is to the east. The word "Florida" is written in large, bold letters across the center of the state. The map includes a legend in the bottom left corner with symbols for population, elevation, and infrastructure. The legend is divided into two columns: the left column lists population ranges with corresponding symbols, and the right column lists elevation ranges with corresponding colors. The map also shows the state's coastline, major rivers, and surrounding water bodies.

The First European Colony in the United States Juan Ponce de Le n the discoverer and first governor of La Florida established the first European colony in the United States on the west coast of Florida in 1521 Although its location has never been determined historians have theorized that it likely occurred somewhere in the Charlotte Harbor area The settlement is believed to have lasted only three to four months It was abandoned when conflict with the local Indians resulted in Juan Ponce being mortally wounded The survivors took him to Cuba where he died of his wounds In 1528 seven years after the Ponce de Le n settlement had been abandoned P nfilo de Narv ez landed just north of the entrance to Tampa Bay with an expedition of 400 men and 10 women On one of their first inland expeditions they encountered the Tocobaga Indians at their main village in today s Safety Harbor where they found many cargo boxes and European artifacts that may have been remnants of the Ponce de Le n settlement The inland exploration by Narv ez and three hundred of his men seeking a non existent large bay to their north resulted in the deaths of all but four who became the first to explore inland North America finally reaching the Pacific eight years later Rare and seldom seen Spanish maps produced by the royal mapmakers in Seville in 1527 show the location and latitude for the Bay of Juan Ponce MacDougald produces compelling evidence that Narv ez was seeking the Bay of Juan Ponce and that the first European colony established in the United States occurred in Tampa Bay likely in the area known today as Safety Harbor in Old Tampa Bay the site of the Tocobaga village visited by Narv ez *Orlando Area, FL Pocket Map* American Map Corp, 2008-01-01 **Insight Travel Map, Florida** Insight Guides, 2001 Charts diagrams and time line Primary source documents Fact boxes Biographies State almanac of factual data Glossary Index **Dolph's Map, State Map of Florida, "the Sunshine State"** Dolph Map Company, 2006-01-01 Florida State Road Atlas Trakker Maps, Inc, 1994 **Florida State Slicker Map** American Map Corporation, American Map Corporation Staff, 2005-10-15 This state slicker shows highways and major roads and includes an index to cities a mileage chart points of interest national parks wildlife refuges and airports It also features detailed inset maps of Miami Ft Lauderdale Tampa Orlando and vicinity St Petersburg and Jacksonville Out of towners can travel with confidence when using Slicker maps Easy to handle and easy to read Slickers fold and unfold in a flash Slickers are laminated which makes them markable and very durable withstanding everyday usage during any travel itinerary you plan
