Summer,2007 Presents a series of discussions about sixteen choral masterworks facilitating conductors who perform these works and wish to know them This work examines

compositions such as Bach s Mass in B Minor Mahler s 8th Symphony and more in terms of textual symbolism musical structure and identification of endearing traits of each work *British Women Composers and Instrumental Chamber Music in the Early Twentieth Century* Laura Seddon,2016-04-15 This is the first full length study of British women s instrumental chamber music in the early twentieth century Laura Seddon argues that the Cobbett competitions instigated by Walter Willson Cobbett in 1905 and the formation of the Society of Women Musicians in 1911 contributed to the explosion of instrumental music written by women in this period and highlighted women s place in British musical society in the years leading up to and during the First World War Seddon investigates the relationship between Cobbett the Society of Women

Musicians and women composers themselves The book s six case studies of Adela Maddison 1866 1929 Ethel Smyth 1858 1944 Morfydd Owen 1891 1918 Ethel Barns 1880 1948 Alice Verne Bredt 1868 1958 and Susan Spain Dunk 1880 1962 offer valuable insight into the women s musical education and compositional careers Seddon s discussion of their chamber works for differing instrumental combinations includes an exploration of formal procedures an issue much discussed by contemporary sources The individual composers reactions to the debate instigated by the Society of Women Musicians on the future of women s music is considered in relation to their lives careers and the chamber music itself As the composers in this study were not a cohesive group creatively or ideologically the book draws on primary sources as well as the writings of contemporary commentators to assess the legacy of the chamber works produced

evaluated by an expert in the field in light of the history of writing and scholarship on the given topic The more than 500 entries include not just writings on major composers in music history but also the genres in which they worked from early chant to rock and roll and topics important to the various disciplines of music scholarship from aesthetics to gay lesbian musicology Performing Music in the Age of Recording Robert Philip, 2004-04-10 What is the relationship between performance and recording What is the impact of recording on the lives of musicians Comparison of the lives of musicians and audiences in the years before recordings with those of today Survey of the changing attitudes toward freedom of expression the globalization of performing styles and the rise of the period instrument movement *The Best Books for Academic Libraries: Music & fine arts*, 2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers **The Monthly Musical Record**, 1925 *Musical Canada*, 1925 Fauré Studies Carlo Caballero, Stephen Rumph, 2021-04-22 Faur Studies showcases new research from leading scholars in the United States United Kingdom and France into this influential French composer of the fin de siècle This book features interpretations of individual works and musical analyses as well as studies of compositional pedagogy social history and aesthetics Accessible to a wide range of readers this volume also provides a valuable overview of Faur research from the composer's lifetime to the present As part of Cambridge Composer Studies Faur Studies adds momentum to new research into this major composer which includes recently launched critical editions of his music **Music News**, 1929 **Library of Welte-Mignon Music Records** De Luxe Reproducing Roll Corporation, 1927 Paris, a Concise Musical History Guy Hartopp, 2019-02-15 Paris the City of Light is one of the most romantic cities in the world The millions of visitors which flock to the French capital every year follow in the footsteps of countless artists writers and composers who for centuries have been drawn to this magnificent city Some composers Chopin and Rossini among them found success and contentment and remained in Paris for the rest of their lives But for others Paris brought nothing but disappointment and disillusionment Mozart who came to Paris as a 22 year old seeking a permanent position was so bitter about the cavalier manner in which he was treated that he professed an aversion to all things French until the end of his days Wagner was so upset by his treatment here that he once described Paris as a pit into which the spirit of the nation has subsided And yet he was drawn back to the city time and again This book charts the musical history of Paris It discusses the composer and musicians both French and foreign who were drawn here and the impact they made on the world of music on this great city and vice versa It includes a wealth of biographical details including where the artists lived and where relevant where they died and are buried It also draws from and points to suitable scholarly literature making it an accessible introduction to students of the musical history of Paris The book also describes another feature which if it did not enrich most certainly enlivened Parisian musical life The full scale musical riot The most notorious of these took place at the Theatre des Champs Elysées in 1913 at the premiere of Stravinsky's ballet *Le sacre du printemps* Less physical but no less vociferous was the reception accorded to Wagner's *Tannhäuser* at the Opéra in 1860

Other composers who incurred the displeasure of Parisian audiences included Satie, Varese and Xenakis. These riots were not half-hearted affairs: police involvement was required and hospital casualty departments were kept busy. There are also chapters which discuss the musical history of the many theatres of Paris and the churches which played such an important part in the city's musical past. The text is clear and accessible in order to appeal to both students and the general reader.
