Strange Affair Peter Robinson, 2005 While Inspector Alan Banks is off work recovering from an injury his brother Roy goes missing so Banks travels to London to investigate finding that something has gone seriously wrong in Roy's prosperous but dodgy life. *A Necessary End* Peter Robinson, 1992-04

**The Hanging Valley** Peter Robinson, 2008-12-02 The fourth installment of Robinson's internationally bestselling Inspector Banks series. It began with a faceless maggot-ridden corpse in a tranquil hidden valley above the village of Swainshead. Or did it really begin with the unsolved murder in the same area over five years earlier? The villagers, especially those who frequent the White Rose, are annoyingly silent. Among the suspects are the Collier brothers Stephen and Nicholas from the wealthiest and most powerful family in Swainsdale, John Fletcher a local farmer, Sam Greenock owner of the village's best guest house and his unhappy wife Katie who knows more than she realizes. When the Colliers use their influence to slow down the investigation and the others clam up Inspector Banks heads for Toronto to track down the killer. He soon finds himself in a race against time as events rush towards the shocking conclusion.

**Playing with Fire** Peter Robinson, 2004 When the bodies of two squatters are found in the burning remains of a couple of derelict barges Inspector Alan Banks has to wonder whether one of their occupations caused their deaths. One victim was a local artist with plenty of turpentine and oil paint at hand; the other was a young woman, a junkie who evidently shot up her final fix just before the fire started. But if the fire was an accident why did her boyfriend bolt from the scene when the police arrived? And why did the neighbour who discovered the fire not call it in right away? As they start their investigation Banks and his colleague and former lover DI Annie Cabbot find more than enough motives for murder and more than one person with a reason to kill. Worse, one of the two detectives themselves discovers firsthand the seductive thrill and terrible danger of playing with fire. In his fourteenth Inspector Banks mystery Peter Robinson once more displays his extraordinary skill in creating memorable characters, a haunting narrative and a subtly unveiled plot, a talent that has made him one of the best writers of crime fiction in the world today.
