Gambia Road Map:

The Rough Guide to the Gambia Emma Gregg, Richard Trillo, 2003 The Rough Guide to The Gambia is the most comprehensive guide to Africa's most accessible country. This second edition is the result of detailed on the ground research reports on exciting new developments including beautiful eco retreats and imaginative wildlife conservation projects where visitors can see birds, monkeys and chimps at close range. Detailed maps and plans are complemented by expert and upbeat guidance on the beaches, villages and music, the mangrove creeks and the River Gambia itself. There are first hand reviews of all the best accommodation, restaurant and bar options in the country, both on and off the beaten track for everyone from shoestring travellers to luxury tourists. The guide is also full of trademark candid insights into Gambian history, politics, music, language and culture.

International Maps and Atlases in Print Kenneth L. Winch, 1974 *Colonial Reports--annual*, 1931 *The Gambia* Sean Connolly, Philip Briggs, 2024-01-30 Co-authored by regional expert Sean Connolly and Philip Briggs, the world's foremost guidebook writer on Africa, this third edition of Bradt's *The Gambia* remains the most comprehensive guide available to mainland Africa's smallest country. This new edition integrates recent developments from recently opened restaurants and hotels to the new roads and bridges that make circumnavigating the country easier than ever. The guide provides detailed coverage of ecolodges and camps, information on festivals, music workshops and opportunities to experience local culture, plus advice about birdwatching possibilities in a country popular with first time birders to Africa. As well as encompassing popular coastal resorts, the guide provides information required to explore the relatively undeveloped interior and proposes excursions into neighbouring Senegal, making it ideal for visitors on organised holidays and independent travellers alike. Bradt's *The Gambia* reveals all the practical information needed to explore this welcoming and safe country, not for nothing is it nicknamed the Smiling Coast with its plethora of beach resorts catering to all tastes and budgets that line the 80km stretch of tropical coastline running from the capital Banjul to the remote southern border. Small in size but rich in character, The Gambia offers perhaps the closest English speaking winter sun destination from Europe. Justifiably popular with birdwatchers, the lush mangrove and jungle fringed River Gambia is also home to crocodiles, hippos, rehabilitated chimpanzees and various monkeys. The Gambia offers rich heritage tourism for moderately adventurous travellers from the mysterious megalithic stone circles at Wassu and Ker Batch to fortified Kunta Kinteh, James Island and the former slave trading village of Juffureh, the heart of novelist Alex Haley's *Roots* country and part of two UNESCO World Heritage Sites. And why not enhance your visit further by experiencing colourful local markets, witnessing kankurang spirit masquerades or joining a kayak cruise from the sleepy river port of Janjanbureh or paying homage to The Gambia's inspiring journey towards democracy and reconciliation at Memory House. All in all, Bradt's *The Gambia* is the perfect companion for discovering this safe, welcoming and tourist friendly English speaking country which provides an ideal short stay introduction to West Africa's unique atmosphere.
