**Gamble To Win Advanced Craps** R. D. Ellison, 2005 The game of craps offers the advantage of the lowest house edge of any game but its speed and crazy numerical patterns form a different kind of edge that is more dangerous than any numerical percentage To make the most of the game s inherent advantages its downside must be understood and guarded against Master strategist R D Ellison shows readers how to calculate the table s natural destination so that their bets will be right where they need to be Includes two system testers documenting more than 15 000 live dice rolls contextualised for **Advanced Craps** John Patrick, 1994-05 **Craps Across America** Don Favero, 2006-04-01 Beat the greater meaning casinos by playing Craps Live the high roller life by rolling the dice Is it only a myth Author Don Favero tells how he is living like a high roller on a low limit budget by playing Craps Across America Over 30 states have legalized gambling and casinos are within a day's drive from nearly any starting point in America In his A Boomers Guide to the Gaming Life our author takes you on his month long Craps Odysseys and illustrates his Five Playing Strategies that earn him on average 180 daily Travel with him across the country and see how he is doing it Favero acknowledges the Casino Edge inherent in this negative expectation table game but explains how to turn mathematical probabilities on their head in the short run His system of betting based on a few rolls of each shooter at the table is perhaps the most innovative approach to Craps in the past 50 years He suggests that the casinos fear only an IRS audit more than his parlay strategy Beginners and advanced Craps devotees alike will enjoy the narratives of his Craps games at specific casinos including the night when one player went berserk at a Craps table at an upscale Las Vegas casino Learn what his downtown Las Vegas Fremont Street experiences have taught him and what he has gleaned from the Nevada residents who shoot craps almost everyday of the year This is a book that scoffs at conventional Craps strategies and a must read for those who want to win consistently **Clueless** John Patrick, 1998 Explaining in simple understandable language the techniques of craps and various wagers permitted this book instructs new players on how to interpret the posted rates John Patrick an authority on professional gambling takes readers through every possible wager whether betting with or against the dice Charts diagrams Winnina Gambling Strategies Philip Nehrt, 2012-02-08 Dedicated research on other systems and personal experimentation has turned a handful of notes into a comprehensive collection of potentially winning strategies First and foremost it is important to understanding that there is no winning system that can beat the mathematical odds that the casino has against a player However this book teaches you strategies to follow while in the casino giving you a large amount of information to help you walk out a winner These tips can benefit players of all experience levels You will learn to think how the casino thinks and avoid the traps they set for every player Inside you will find the general rules for each of the main games tips on how to approach a table what to say to the dealers how to handle your money and especially a broad range of specific strategies or systems for each of the games covered This book makes the game and strategy information easy to understand and follow as

well as fun and enjoyable to read with a bit of irreverant humor sprinkled throughout **Get Dicey** Tracy Michigan,2005 Based on the experience of an author who worked in Las Vegas casinos Get Dicey Play Craps and Have Fun emphasizes the entertainment value of craps while guiding the reader through the process of learning a game that fascinates and intimidates Every type of bet is explained and the rules and payoffs are illustrated in numerous tables Playing procedures such as when and how to make different bets are given in detail and the author weaves in stories from her casino career to illustrate points in a friendly fun style From the basic rules for shooting the dice to advanced betting strategies the book offers a comprehensive guide to the game Because craps is a game of verbal interactions the book explains how to talk to casino staff and what to ask Along with player etiquette and superstitions the book decodes jargon and includes a glossary of terms
